(8) Notwithstanding any other statute, each school term shall include at least the minimum number of instructional days required by this section. However, for the school years 1992-93 and 1993-94, local school districts may use up to five (5) instructional days or up to thirty (30) hours during instructional days for additional professional development for teachers if the following conditions are met:

- (a) The local board determines the number of additional days or hours to be used for professional development and designates them in the school calendar; and
- (b) A plan for the use of the additional days or hours is developed by each school and approved by the district superintendent. The plan shall consist of training selected from a list approved by the Kentucky Department of Education.

The Committee Substitute to **SB 281** is as follows:

SB 281, AN ACT relating to elections.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 116 IS CREATED TO READ AS FOLLOWS:

(1) Each city and school district board shall provide the clerk of the county in which the city or school district is located with whatever information the county clerk requires to maintain a roster of voters who are eligible to vote in city and school board elections. This information shall be provided to the county clerk not later than sixty (60) days preceding the date of a primary election in each year in which an election for city officers or school board members shall be held in that county.

(2) Each county clerk shall code all registered voters in that county in such a manner that precinct election officers may determine their eligibility to vote in city and school board elections.

SECTION 2. A NEW SECTION OF KRS CHAPTER 117 IS CREATED TO READ AS FOLLOWS:

The Attorney General, the Secretary of State, and the State Board of Elections, by mutual agreement, may petition Franklin Circuit Court to declare that an election crisis exists in a county where there is evidence of sufficient malfeasance, nonfeasance, or criminal activity to jeopardize a free and equal election in that county and to authorize the State Board of Elections to assume responsibility for the management of the election in that county. If Franklin Circuit Court makes that declaration and grant of authority, the State Board of Elections shall appoint an election manager for that county to serve for the duration of the election cycle and the county clerk, county board of elections, precinct election officers, and any other person participating in the election process in that county shall be subject to the direction of the election manager.

SECTION 3. A NEW SECTION OF KRS CHAPTER 117 IS CREATED TO READ AS FOLLOWS:

The State Board of Elections may declare a county to be a preclearance county for election purposes when that county has a history of voter fraud, noncompliance with election laws, or voter complaints about the integrity of a particular election. In a county designated as a preclearance county, all decisions of the county board of elections shall be reported to the State Board of Elections for its review. The failure of a county board of elections of a preclearance county to submit its decisions to the State Board of Elections for its review shall constitute a prima facie case for appointment of an election manager under Section 2 of this Act. The State Board of Elections may require a preclearance county to submit evidence or justification as required by the state board which is necessary to evaluate the county board's decisions. A county designated as a preclearance county shall retain that designation until it is removed by the State Board of Elections.

The county board shall also present, in writing, its efforts to recruit and appoint election officers as prescribed in subsection (4) of this section. If both representatives of the same political party are absent, qualified voters present affiliating with that party shall elect, viva voce, suitable persons to act in their places.

(10) Each election officer shall be paid a minimum of ***sixty*** ~~[forty-nine]~~ dollars ***($60)*** ~~[($49)]~~ per day, and such an additional amount as compensation as may be determined by the county board of elections, with the approval of the governing body which would be responsible for funding the election officers' pay, for each election in which the election officer serves, to be paid by the county. For delivering the election packets to the polls, the precinct election officers shall receive in addition the mileage reimbursement provided for state employees, for each mile necessarily traveled in the delivery of the packets to the polls, or a flat fee if the fee equals or exceeds that amount. All instruments required by law to be recorded which convey any interest in any such real property so disposed of shall be executed and signed by the secretary of the Finance and Administration Cabinet and approved by the Governor. Unless the secretary of the Finance and Administration Cabinet deems it in the best interest of the state to proceed otherwise, all such property (including any interests in real property) shall be sold either by invitation of sealed bids or by public auction. The selling price of any interest in real property shall not be less than the appraised value thereof as determined by the cabinet, or the Transportation Cabinet for such requirements of that cabinet.

Floor Amendments (Continued)

Floor Amendment No. 1 to **SB 258**, by Representative Brown:

On page 5, after line 14, by inserting:

"Section 4. KRS 45A.500 is amended to read as follows:

It is the finding of the General Assembly that a necessary component of waste management must be to reduce the quantity of waste; that recycling reduces the quantity of solid waste and reduces the costs to the state and local governments for collecting, transporting, landfilling, or incinerating solid waste, reduces litter on roadsides and waterways, creates income producing opportunities, and conserves energy and raw materials. It is also the finding of the General Assembly that *state and local governments, state colleges and universities, and local school districts make* [~~government makes~~] purchases in large volumes which significantly *affect* [~~affects~~] the availability, variety, price, and consumer acceptance of the products and services purchased [~~by government~~]. The General Assembly further finds that by eliminating policies and practices which discriminate against [~~government~~] procuring recycled material content products as well as products and services compatible with recycled material content goods, and that by requiring [~~government~~] purchases of products which contain the maximum possible amount of recycled materials, the availability and variety of recycled material content products will increase and removal and recycling of materials from the solid waste stream will grow. Finally, the General Assembly finds that instituting policies and practices to stimulate the availability and use of recycled material content products will help educate business and individual consumers about the value of recycling as a component of a waste management policy.

Section 5. KRS 45A.510 is amended to read as follows:

Nothing in KRS 45A.500 to 45A.540 shall prohibit a state agency*, a county, a city, a school district, a special district, or a state college or university* from purchasing goods, supplies, equipment, materials, and printing for which a recycled material content substitute is not available or when the *purchaser* [~~state agency~~] can justify specifications for goods, supplies, equipment, materials, and printing which cannot be met by recycled material content substitutes.

Section 6. KRS 45A.520 is amended to read as follows:

Every state agency*, county, city, school district, special district, and state college or university* shall when purchasing goods, supplies, equipment, materials, and printing require a minimum recycled material content for those goods, supplies, equipment, materials, and printing. The recycled material content shall be established by administrative regulations to be promulgated by the Finance and Administration Cabinet by September 1, 1991. For those products which the United States Environmental Protection Agency has established minimum recycled content procurement guidelines promulgated pursuant to the Resource Conservation and Recovery Act of 1976, as amended, the Finance and Administration Cabinet shall adopt, at a minimum, the recycled material content standards equal to those established by the United States Environmental Protection Agency.

Section 7. KRS 45A.540 is amended to read as follows:

Every county, city, school district, [~~and~~] special district*, and state college or university* may purchase goods, supplies, equipment, material, and printing which meet the procurement standards for minimum recycled material content through the central stores branch of the Division of Purchases in the Finance and Administration Cabinet. Counties, cities, school districts, [~~and~~] special districts*, and state colleges or universities* which purchase goods, supplies, equipment, material, and printing which meet the procurement standards established pursuant to KRS 45A.520 for minimum recycled material content shall receive a fifty percent (50%) reduction in any administrative fee the central purchasing agency is authorized to charge."

HR 85, A RESOLUTION encouraging the development of psychiatric residential treatment facilities for children with severe emotional disabilities.

WHEREAS, a small but significant number of children who have severe emotional disabilities need long-term residential treatment under the supervision of a psychiatrist and related mental health professionals; and

WHEREAS, in the past, Kentucky children who have severe emotional disabilities could not access long-term residential treatment without entering the custody of the Department for Social Services or leaving Kentucky; and

WHEREAS, funds for "Residential Care for Psychiatric Needs" were appropriated by the 1990 Kentucky General Assembly as part of a plan for community-based services for children with severe emotional disabilities; and

WHEREAS, the State Interagency Council for Services to Children with an Emotional Disability was created by the 1990 Kentucky General Assembly to oversee the development of services to meet the needs of children with a severe emotional disability; and

WHEREAS, regulations for Psychiatric Residential Treatment Facilities were promulgated in 1991 by the Division of Licensing and Regulation, Cabinet for Human Resources; and

WHEREAS, legislation was passed by the 1992 Kentucky General Assembly to limit the size of Psychiatric Residential Treatment Facilities to eight beds and to require that they be homelike and located in existing residential neighborhoods or communities; and

WHEREAS, state and federal law and regulation prohibit discrimination in housing on the basis of disability, and prohibit zoning restrictions that single out residences for people with disabilities; and

WHEREAS, scientific studies of the location of mental health group homes in residential communities do not document an adverse economic or quality of life impact on those communities; and

WHEREAS, the representatives who participate in the State Interagency Council believe that children who have severe emotional disabilities benefit from community-based services regardless of their custodial or placement status; and

WHEREAS, the State Interagency Council for Services to Children with an Emotional Disability has been informed of concerns by neighbors about the location of psychiatric residential treatment facilities in their communities;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:

Section 1. That this honorable body declares that:

(1) Children with emotional disabilities who need long-term residential treatment should receive it close to home. Ideally, at least one psychiatric residential treatment facility will be available in each area development district;

(2) Psychiatric residential treatment facilities should be located where people live. Urban, suburban, rural, or agricultural neighborhoods or communities are appropriate for their location. They should not be located in industrial or commercial zones, on the campus of a large licensed facility, or in remote unpopulated areas;

(3) Daily life in psychiatric residential treatment facilities should resemble, as much as possible, the patterns of family life in their communities. Shared meals and chores are typical of Kentucky families and should be typical in psychiatric residential treatment facilities. Facilities should respect neighborhood expectations for the public behavior of residents and staff and for the care of property;

(4) Children in psychiatric residential treatment facilities should have opportunities to participate with supervision in community activities, including recreation. Communities are encouraged to find ways to provide positive community experiences to children in psychiatric residential treatment facilities; and

(5) Communities should become aware of the licensure, accreditation, and funding mechanisms that require quality programming in psychiatric residential treatment facilities. Members of communities where psychiatric residential treatment facilities are located should bring concerns about the quality of services to the attention of the service provider, the Division for Licensing and Regulation, the Joint Commission on Accreditation of Healthcare Organizations, or the Department for Medicaid Services as appropriate.

Section 2. That a copy of this resolution be delivered to the Governor, the Secretary of the Cabinet for Human Resources, the Executive Director of the Interim Office for Health Planning and Certification, and each member of the State Interagency Council for Children with Severe Emotional Disabilities.

(1) An adult with decisional capacity may make a written living will directive that does any or all of the following:

(a) Directs the withholding or withdrawal of life-prolonging treatment; or

(c) Designates one (1) or more adults as a surrogate or successor surrogate to make health care decisions on behalf of the grantor. During any period in which two (2) or more surrogates are serving, all decisions shall be by unanimous consent of all the acting surrogates unless the advance directive provides otherwise.

(2) Except as provided in Section 7 of this Act, a living will directive made pursuant to this section shall be honored by a grantor's family, regular family physician or attending physician, and any health care facility of or in which the grantor is a patient.

(3) For purposes of Sections 1 to 12 of this Act, notification to any emergency medical responder as defined by KRS Chapter 211 or any paramedic as defined by KRS Chapter 311, of a person's authentic wish not to be resuscitated shall be recognized only if on a standard form or identification approved by the Kentucky Board of Medical Licensure, in consultation with the Cabinet for Human Resources.

If any other specific directions are held by a court of appropriate jurisdiction to be invalid, that invalidity shall not affect the directive.

"Living Will Directive

My wishes regarding life-prolonging treatment and artificially provided nutrition and hydration to be provided to me if I no longer have decisional capacity, have a terminal condition, or become permanently unconscious have been indicated by checking and initialing the appropriate lines below. By checking and initialing the appropriate lines, I specifically:

.... Designate .... as my health care surrogate(s) to make health care decisions for me in accordance with this directive when I no longer have decisional capacity. If .... refuses or is not able to act for me, I designate .... as my health care surrogate(s).

Any prior designation is revoked.

If I do not designate a surrogate, the following are my directions to my attending physician. If I have designated a surrogate, my surrogate shall comply with my wishes as indicated below:

.... Direct that treatment be withheld or withdrawn, and that I be permitted to die naturally with only the administration of medication or the performance of any medical treatment deemed necessary to alleviate pain.

.... DO NOT authorize that life-prolonging treatment be withheld or withdrawn.

.... Authorize the withholding or withdrawal of artificially provided food, water, or other artificially provided nourishment or fluids.

.... DO NOT authorize the withholding or withdrawal of artificially provided food, water, or other artificially provided nourishment or fluids.

.... Authorize my surrogate, designated above, to withhold or withdraw artificially provided nourishment or fluids, or other treatment if the surrogate determines that withholding or withdrawing is in my best interest; but I do not mandate that withholding or withdrawing.

In the absence of my ability to give directions regarding the use of life-prolonging treatment and artificially provided nutrition and hydration, it is my intention that this directive shall be honored by my attending physician, my family, and any surrogate designated pursuant to this directive as the final expression of my legal right to refuse medical or surgical treatment and I accept the consequences of the refusal.

If I have been diagnosed as pregnant and that diagnosis is known to my attending physician, this directive shall have no force or effect during the course of my pregnancy.

(3) A person designated as a surrogate pursuant to an advance directive may resign at any time by giving written notice to the grantor; to the immediate successor surrogate, if any; to the attending physician; and to any health care facility which is then waiting for the surrogate to make a health care decision.

(4) An employee, owner, director, or officer of a health care facility where the grantor is a resident or patient shall not be designated or act as surrogate unless related to the grantor within the fourth degree of consanguinity or affinity or a member of the same religious order.

SECTION 4. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) An advance directive made pursuant to Section 2 of this Act may be revoked by:

(a) A writing declaring an intention to revoke, which writing shall be signed and dated by the grantor;

(2) An oral statement by a grantor with decisional capacity to revoke an advance directive shall override any previous written advance directive made.

Upon receiving notice of the revocation, the attending physician or health care facility shall record, in the grantor's medical record, the time, date, and place of the notice receipt. No physician or health care facility shall be subject to any liability for acting in good faith upon the knowledge, or lack thereof, of the existence or revocation of an advance directive.

(4) The designation of a health care surrogate made pursuant to Section 2 of this Act may be revoked in whole or in part or the surrogate's powers reduced or limited at any time by the grantor, if the grantor has decisional capacity. A new designation shall revoke any prior designation unless the revocation, in whole or in part, is specifically negated.

SECTION 5. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) A surrogate designated pursuant to an advance directive may make health care decisions for the grantor which the grantor could make individually if he or she had decisional capacity; provided all the decisions shall be made in accordance with the desires of the grantor as indicated in the advance directive. When making any health care decision for the grantor, the surrogate shall consider the recommendation of the attending physician, and honor the decision made by the grantor as expressed in the advance directive.

(2) The surrogate may not make a health care decision in any situation in which the grantor's attending physician has determined in good faith that the grantor has decisional capacity. The attending physician shall proceed as if there were no designation if the surrogate is unavailable or refuses to make a health care decision.

(3) A health care surrogate may authorize the withdrawal or withholding of artificially provided nutrition and hydration in the following circumstances:

(a) When inevitable death is imminent, which for the purposes of this provision shall mean when death is expected, by reasonable medical judgment, within a few days; or

(b) When a patient is in a permanently unconscious state if the grantor has executed an advance directive authorizing the withholding or withdrawal of artificially provided nutrition and hydration; or

(c) When the provision of artificial nutrition cannot be physically assimilated by the person; or

(d) When the burden of the provision of artificial nutrition and hydration itself shall outweigh its benefit. Even in the exceptions listed in paragraphs (a), (b), and (c) of this subsection, artificially provided nutrition and hydration shall not be withheld or withdrawn if it is needed for comfort or the relief of pain.

(4) Notwithstanding the execution of an advance directive, life sustaining treatment and artificially provided nutrition and hydration shall be provided to a pregnant woman unless, to a reasonable degree of medical certainty, as certified on the woman's medical chart by the attending physician and one (1) other physician who has examined the woman, the procedures will not maintain the woman in a way to permit the continuing development and live birth of the unborn child, will be physically harmful to the woman, or prolong severe pain which cannot be alleviated by medication.

SECTION 6. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) If an adult patient, who does not have decisional capacity, has not executed an advance directive or to the extent the advance directive does not address a decision that must be made, any one (1) of the following responsible parties, in the following order of priority if no individual in a prior class is reasonably available, willing, and competent to act, shall be authorized to make health care decisions on behalf of the patient:

(a) The judicially appointed guardian of the patient, if the guardian has been appointed and if medical decisions are within the scope of the guardianship;

(c) An adult child of the patient, or if the patient has more than one (1) child, the majority of the adult children who are reasonably available for consultation;

(d) The parents of the patient;

(e) The nearest living relative of the patient, or if more than one (1) relative of the same relation is reasonably available for consultation, a majority of the nearest living relatives.

(2) In any case in which a health care decision is made under this section, the decision shall be noted in writing in the patient's medical records.

(3) An individual authorized to consent for another under this section shall act in good faith, in accordance with any advance directive executed by the individual who lacks decisional capacity, and in the best interest of the individual who does not have decisional capacity.

(4) An individual authorized to make a health care decision under this section may authorize the withdrawal or withholding of artificially-provided nutrition and hydration only in the circumstances as set forth in subsection (3) of Section 5 of this Act.

SECTION 7. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) It shall be the responsibility of the grantor or the responsible party of the grantor to provide for notification to the grantor's attending physician and health care facility where the grantor is a patient that an advance directive has been made. If the grantor is comatose, incompetent, or otherwise mentally or physically incapable, any other person may notify the attending physician of the existence of an advance directive. An attending physician who is notified shall promptly make the living will directive or a copy of the advance directive a part of the grantor's medical records.

(2) An attending physician or health care facility which refuses to comply with the advance directive of a patient or decision made by a surrogate or responsible party shall immediately inform the patient or the patient's responsible party and the family or guardian of the patient of the refusal. No physician or health care facility which refuses to comply with the advance directive of a qualified patient or decision made by a responsible party shall impede the transfer of the patient to another physician or health care facility which will comply with the advance directive. If the patient, the family, or the guardian of the patient has requested and authorized a transfer, the transferring attending physician and health care facility shall supply the patient's medical records and other information or assistance medically necessary for the continued care of the patient, to the receiving physician and health care facility.

(3) No physician, nurse, staff member, or employee of a public or private hospital, or employee of a public or private health care facility, who shall state in writing to the hospital or health care facility his objection to complying with the advance directive of a patient or a health care decision of a responsible party under Sections 1 to 12 of this Act, on moral, religious, or professional grounds, shall be required to, or held liable for refusal to, comply with the advance directive or health care decision as long as the physician, nurse, staff member, or employee complies with the requirements of subsection (2) of this section regarding patient notification and patient transfer.

(4) It shall be unlawful discriminatory practice for any person to impose penalties or take disciplinary action against or deny or limit licenses, certifications, degrees, or other approvals or documents of qualification to any physician, nurse staff member, or employee who refuses to comply with the advance directive of a patient or a health care

decision by a responsible party under Sections 1 to 12 of this Act, as long as the physician, nurse staff member, or employee complies with the provisions of subsection (2) of this section regarding notification and transfer.

SECTION 8. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) A health care facility, physician, or other person acting under the direction of a physician shall not be subject to criminal prosecution or civil liability or be deemed to have engaged in unprofessional conduct as a result of the withholding or the withdrawal of life-prolonging treatment or artificially provided nutrition and hydration from a patient in a terminal condition in accordance with an advance directive executed pursuant to Sections 1 to 12 of this Act. A person who authorizes the withholding or withdrawal of life-prolonging treatment or artificially provided nutrition and hydration from a patient in a terminal condition in accordance with an advance directive shall not be subject to criminal prosecution or civil liability for the action.

(2) An independent investigation of a surrogate's authority shall not be necessary unless a person is in possession of information as to the surrogate's disqualification. No surrogate, responsible party, physician, or health care facility acting in good faith, shall be subject to criminal or civil liability for giving instructions as a surrogate, making a health care decision as a responsible party under Sections 1 to 12 of this Act, or carrying out, or refusing to carry out pursuant to Section 7 of this Act, the surrogate's or responsible party's instructions or acting in reliance on the grantor's designation of a surrogate or a health care decision by a responsible party under Sections 1 to 12 of this Act.

(3) The provisions of this section shall apply unless it is shown by a preponderance of the evidence that the person:

- *(a) Authorizing or effectuating the withholding or withdrawal of life-prolonging treatment;*
- *(b) Giving instructions as a surrogate;*
- *(c) Making a health care decision as a responsible party under Sections 1 to 12 of this Act;*
- *(d) Carrying out, or refusing to carry out, the surrogate's or responsible party's instructions; or*
- *(e) Acting in reliance on the grantor's designation of a surrogate or a health care decision by a responsible party under Sections 1 to 12 of this Act,*

did not, in good faith, comply with the provisions of Sections 1 to 12 of this Act.

(4) An advance directive made in accordance with Sections 1 to 5 of this Act shall be presumed to have been made voluntarily and validly executed unless the attending physician or health care facility has actual knowledge to the contrary.

SECTION 9. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) The withholding or withdrawal of life-prolonging treatment or artificially provided nutrition and hydration from a grantor in accordance with the provisions of Sections 1 to 12 of this Act shall not, for any purpose, constitute a suicide. The making of an advance directive under Sections 1 to 5 of this Act or a health care decision by a responsible party under Sections 1 to 12 of this Act shall not affect in any manner the sale, procurement, or issuance of any policy of life insurance, nor shall it be considered to modify the terms of an existing policy of life insurance. Notwithstanding any term of the policy to the contrary, no policy of life insurance shall be legally impaired or invalidated in any manner by a health care decision made by a surrogate or responsible party or by the withholding or withdrawal from an insured patient any medical procedure or intervention which would serve only to prolong artificially the dying process.

(2) No person, corporation, or governmental agency shall require or induce any person to execute a living will directive or to make a health care decision as a responsible party under Sections 1 to 12 of this Act as a condition for a contract or for the provision of any service, medical treatment, or benefit.

(3) Nothing in Sections 1 to 12 of this Act shall be construed to impose any liability on a surrogate or responsible party for any expenses of the grantor for which the surrogate or responsible party would not otherwise have been liable.

(4) Sections 1 to 12 of this Act shall not create a presumption concerning the intention of an adult who has revoked or has not executed an advance directive with respect to the use, withholding, or withdrawal of life-prolonging treatment if a terminal condition exists.

(5) Sections 1 to 12 of this Act shall not affect the common law or statutory right of an adult to make decisions regarding the use of life-prolonging treatment, so long as the adult is able to do so, or impair or supersede any common law or statutory right that an adult has to effect the withholding or withdrawing of medical care.

(6) Sections 1 to 12 of this Act shall not preclude or restrict the right of persons to make advance directives outside the provisions of Sections 1 to 12 of this Act; and Sections 1 to 12 of this Act shall not restrict or preclude medical personnel, physicians, nurses, or health care facilities from following other written advance directives consistent with accepted medical practice.

SECTION 10. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

Sections 1 to 12 of this Act shall not be construed to condone, authorize, or approve mercy killing or euthanasia, or to *permit any affirmative or deliberate act to end life other than to permit the natural process of dying.*

SECTION 11. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) Any person who willfully conceals, cancels, defaces, obliterates, or damages the advance directive of another without the grantor's consent or who falsifies or forges a revocation of the advance directive of another, thereby causing life-prolonging treatment to be utilized in contravention of the previously expressed intent of the patient shall be civilly liable.

(2) Any person who falsifies or forges the advance directive of another, or willfully conceals or withholds personal knowledge of the revocation of an advance directive, with the intent to cause a withholding or withdrawal of life-prolonging treatment, contrary to the wishes of the grantor, and thereby causes life-prolonging treatment to be withheld or withdrawn and death to be hastened, shall be guilty of a Class B felony.

SB 266, AN ACT relating to the disposal of coal combustion by-products.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 224.50-760 is amended to read as follows:

(1) (a) For purposes of this section and KRS 224.46-580(7), special wastes are those wastes of high volume and low hazard which include but are not limited to mining wastes, utility wastes (fly ash, bottom ash, scrubber sludge), sludge from water treatment facilities and waste water treatment facilities, cement kiln dust, gas and oil drilling muds, and oil production brines. Other wastes may be designated special wastes by the cabinet***. For purposes of this section, "coal combustion by-products" means fly ash, bottom ash, and scrubber sludge residues produced by coal fired electric generating units. Coal combustion by-products do not include residues of refuse derived fuels, such as municipal solid waste, tires, and solvents***;

(b) Disposal sites or facilities for special wastes shall be exempt from the provisions of KRS 224.46-520 and the provisions of KRS 224.43-810, 224.43-815, and 224.46-820 to 224.46-870 but may be regulated by the cabinet consistent with the Resource Conservation and Recovery Act of 1976, as amended (Public Law 94-580), and regulations issued pursuant thereto, unless the special waste received is listed or meets the criteria of a hazardous waste in ***administrative*** regulations pursuant to KRS 224.864(3). If the special waste is a hazardous waste as specified in ***administrative*** regulations pursuant to KRS 224.46-510(3), the site or facility shall be required by the cabinet to comply with the provisions of KRS 224.46-520 but shall not be subject to the requirements of KRS 224.46-510(6);

(c) Generators of special wastes shall register with the cabinet and be subject to the provisions of KRS 224.46-510, except for generators of coal mining wastes which shall be regulated pursuant to the provisions of KRS Chapter 350***. Coal combustion by-products, when disposed of at surface coal mining operations, shall be exempt from the requirements of this chapter and shall be exclusively regulated under KRS Chapter 350 when the disposal does not exceed two (2) times the in-place volume of the marketable coal seams removed from the mine site or when the disposal does not exceed a maximum thickness of ten (10) feet over the area of distribution where coal has not been extracted***; and

(d) The cabinet shall, when promulgating ***administrative*** regulations affecting special waste, recognize special waste as a separate and distinct indivisible category and shall recognize the distinct differences between the category of special wastes and other hazardous wastes and solid wastes as defined in KRS 224.01-010(31)(a) and KRS 109.012(9) due to the fact that special wastes have large volume but low hazardousness. The cabinet's ***administrative*** regulations for the generation, transport, recordkeeping, reporting, treatment, storage, and disposal shall reflect those distinct differences. The cabinet's ***administrative*** regulations shall recognize and incorporate, where appropriate, and if consistent with the policies of KRS 224.46-510 to 224.46-570, any deadline extensions, studies, and specialized requirements for specific kinds of special wastes that are or may be undertaken at the federal or other levels of government.

(2) Generators of waste oil shall be exempt from the provisions of KRS 224.46-510 and 224.46-520 so long as waste oil is not specified as a hazardous waste in ***administrative*** regulations pursuant to KRS 224.46-510(3) but may be regulated by the cabinet consistent with the Resource Conservation and Recovery Act of 1976, as amended (Public Law 94-580), and regulations issued pursuant thereto.

(3) "Surface coal mining and reclamation operations" means surface coal mining operations and all activities necessary and incident to the reclamation of the operations as required by this chapter;

(4) "Overburden" means material of any nature, consolidated or unconsolidated, excluding topsoil, which lies above a natural deposit of coal and also means the material after removal from its natural state in the process of surface coal mining;

(5) "Area of land affected" means any area of land or water upon which surface coal mining and reclamation operations are conducted or located or are to be conducted or located;

(6) "Operations" means surface coal mining operations, all of the premises, facilities, roads, and equipment used in the process of producing coal from a designated area or removing overburden for the purpose of determining the location, quality, or quantity of a natural coal deposit or the activity to facilitate or accomplish the extraction or the removal of coal;

(7) "Method of operation" means the method or manner by which the cut or open pit is made, the overburden is placed or handled, water is controlled, and other acts are performed by the operator in the process of uncovering and removing the coal;

SB 268, AN ACT relating to environmental protection.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF SUBCHAPTER 46 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

In the interest of protecting public health and the environment, the General Assembly of the Commonwealth of Kentucky hereby finds that it is the policy of the Commonwealth to encourage environmental leadership in pollution prevention by source reduction when technically feasible and economically practicable, without shifting risks from one part of a process or environmental medium to another. It shall be the goal of the Commonwealth to reduce the amount by weight of hazardous waste and of toxic chemicals regulated under Title III, Section 313 of the Superfund Amendments and Reauthorization Act of 1986 generated by each Kentucky facility in 1987 by twenty-five percent (25%) by January 1, 1997, and by fifty percent (50%) by January 1, 2002. It shall also be the goal of the Commonwealth to reduce the amount by weight of hazardous waste, and of toxic chemicals regulated under Title III, Section 313 of the Superfund Amendments and Reauthorization Act of 1986 generated by each Kentucky facility which began operating after December 31, 1987, by twenty-five percent (25%) within ten (10) years after beginning the operation, and by fifty percent (50%) within fifteen (15) years after beginning the operation. The General Assembly finds that the best means to achieve environmental leadership through pollution prevention are by:

(1) Providing facilities generating hazardous waste or releasing toxic chemicals with technical assistance to reduce the release of toxic chemicals and the generation of hazardous waste;

(2) Encouraging facilities generating hazardous waste or releasing toxic chemicals to adopt policies to prevent pollution, to prepare comprehensive plans and to develop measurable performance goals;

(3) Providing economic incentives to reduce the amount of hazardous waste generated and toxic chemicals released in the Commonwealth; and

(4) Using cabinet incentives to acknowledge the environmental leadership of facilities meeting the pollution prevention goal.

Section 2. KRS 224.46-310 is amended to read as follows:

As used in KRS 224.46-315 to 224.46-325, "*pollution prevention* [~~hazardous waste reduction~~]," shall mean in-plant practices, including, but not limited to, process modifications, feedstock substitutions, *product reformulation* management practices or housekeeping alterations, recycling within industrial processes, or equipment replacement or modifications, that reduce, avoid, or eliminate the generation of hazardous waste *or the release of toxic chemicals* at *their* [~~its~~] source, rather than controlling, treating, or managing *hazardous* waste *or toxic chemicals* after *their* [~~its~~] generation *or release*, to reduce the risks to employees, public health, and the environment. *Pollution prevention* [~~Hazardous waste reduction~~] shall not include actions taken at locations away from the *pollution-generating* [~~waste generating~~] activity, including [~~waste~~] recycling or treatment, or concentrating the hazardous content of a waste*, or the toxic content of a toxic chemical,* to reduce volume, or diluting [~~hazardous waste~~] to reduce the degree of hazard *or toxicity*.

(2) The fund shall be used solely to finance the pollution prevention programs authorized and approved by the board.

(3) Funds unexpended at the close of a fiscal year shall not lapse but shall be carried forward to the next fiscal year or biennium. Those funds shall be included in the budget reviewed and approved by the board.

(4) The university shall execute the budget approved by the board and expend funds accordingly. The Finance and Administration Cabinet shall issue warrants upon request of the university.

SECTION 7. A NEW SECTION OF SUBCHAPTER 46 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

(1) The cabinet shall establish by administrative regulation an environmental leadership program for those facilities meeting the pollution prevention goal established in Section 1 of this Act. The program shall provide incentives to acknowledge the environmental leadership of those facilities. The program may include provisions to address:

(a) Public recognition of a facility for meeting "state of the art" standards for environmental leadership;

(b) Accelerated review of a facility's applications for permits, permit renewals, and permit modifications;

(c) "Green product" labeling for products produced by a facility;

(d) Compliance credit given in later enforcement action taken against a facility;

(e) Reduced frequency of monitoring or reporting by a facility;

(2) The administrative regulations shall not violate a statutory or regulatory requirement, or impair the cabinet's ability to administer a federally-delegated or federally-funded program.

Section 8. KRS 224.46-580 is amended to read as follows:

(1) The General Assembly declares that it is the purpose of this section to promote the development of statewide programs, under the responsibility of a single agency, which are intended to protect the health of the citizens and the environment of the Commonwealth from present and future threats associated with the management of hazardous wastes ***and the release of toxic chemicals regulated under Title III, Section 313 of the Superfund Amendments and Reauthorization Act of 1986***, including disposal, treatment, recycling, storage, and transportation. The intent of the General Assembly is to add to and coordinate, and not replace, existing efforts and responsibilities in the areas of hazardous waste management, ***toxic chemical manufacture, processing, or other use,*** and to leave the primary burden and responsibility for hazardous waste ***and toxic chemical reduction*** [~~management~~] on private industry; and further to finance assistance and coordination by imposing assessments on the ***generation*** [~~generators~~] of hazardous waste. The assessments are intended to produce a reduction in waste generated; to promote the use of new techniques in recycling, treatment, and alternatives other than land disposal; and to place the burden of financing additional hazardous waste management activities necessarily undertaken by state agencies on the users of those products associated with ***the generation of*** hazardous waste [~~generation~~]. ***The General Assembly further finds that Kentucky's industries need assistance in developing and implementing pollution prevention goals and that a fund should be established to provide technical and financial assistance to those industries.***

(2) The Natural Resources and Environmental Protection Cabinet is given the authority to administer the provisions and programs of this section and the responsibility to achieve the purposes of this section.

(3) In addition to all specific responsibilities contained elsewhere in this chapter, the cabinet shall:

(a) Respond effectively and in a timely manner to emergencies created by the release of hazardous substances, as defined in KRS 224.01-400, into the environment. The cabinet shall provide for adequate containment and removal of the hazardous substances in order that the threat of a release or actual release of the substance may be abated and resultant harm to the environment minimized. The provisions of KRS 45A.695 to 45A.725 may be suspended by the cabinet if necessary to respond to an environmental emergency.

(b) Provide for post-closure monitoring and maintenance of hazardous waste disposal sites upon termination of post-closure monitoring and maintenance responsibilities by persons permitted to operate the facility pursuant to this chapter.

(c) Identify, investigate, classify, contain, or clean up any release, threatened release, or disposal of a hazardous substance where responsible parties are economically or otherwise unavailable to properly address the problem and the problem represents an imminent danger to the health of the citizens and the environment of the Commonwealth.

(4) The cabinet shall have the authority to finance the nonfederal share of the cost for clean up of sites under the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (Public Law 96-510).

(5) The cabinet shall recover, when possible, actual and necessary expenditures incurred in carrying out the duties under this section. Any expenditures recovered shall be placed in the hazardous waste management fund.

(6) It is the expressed purpose of this section to accomplish effective hazardous waste ***and toxic chemical*** management that results in a reduction of the generation of hazardous wastes ***and the release of toxic chemicals*** within the Commonwealth; further, it is a purpose of this chapter to allocate a portion of the cost of administering necessary governmental programs related to hazardous waste ***and toxic chemical*** management to those industries whose products are reasonably related to the ***generation*** [~~production~~] of hazardous waste.

(7) There is hereby imposed upon every person engaged within this state in the generation of hazardous waste an annual hazardous waste [~~management~~] assessment to be determined pursuant to this section according to the quantity by ***weight*** [~~volume~~] of hazardous waste generated, except that no assessment shall be levied against generators for any quantity of "special wastes," waste oil, or spent material from air pollution control devices controlling emissions from coke manufacturing facilities. The assessment shall not be imposed upon any person for any quantities of hazardous waste generated by others for which that person is a secondary handler that stores, processes, or reclaims the waste. The

assessment shall be reported and paid to the Natural Resources and Environmental Protection Cabinet ***for the generation of hazardous waste*** on ***an annual*** [~~a biannual~~] basis on January 1 [~~and June 30~~] of each year. The payment shall be accompanied by a report or return in a form that the cabinet may prescribe. If a federal law is enacted which accomplishes or purports to accomplish the purposes set forth in this section and which levies an assessment or tax upon any business assessed pursuant to this section, the amount of the assessment to be levied upon the business under this section shall be reduced by the amount of the federal assessment or tax upon the business. The reduction shall only be authorized when funds raised by the federal assessment or tax are made available to the state for any of the activities to be funded under this section. If federal moneys are available to carry out the duties imposed by subsection (3) of this section, the assessment shall cease to be levied and collected until such time as federal moneys are no longer available to the Commonwealth for these purposes. The assessment shall be charged against generators of hazardous waste until June 30, 2000. After this date, no further hazardous waste management assessment shall be charged against generators.

(8) The assessment on generators shall be ***one and two-tenths*** [~~ten~~] cents ***($0.012)*** [~~($0.10)~~] per ***pound if the waste is liquid, or two-tenths of a cent ($0.002) per pound if the waste is solid*** [~~gallon if the waste is liquid, or five dollars ($5) per cubic yard if the waste is solid~~].

(a) Hazardous waste that is injected into a permitted underground injection well shall be assessed on a dry weight basis;

(b) Hazardous waste treated, detoxified, solidified, neutralized, recycled, incinerated, or disposed of on-site shall be assessed at one-half (1/2) of the appropriate rate, except for recycled waste used in the steel manufacturing process which shall be exempt; and

(c) Waste that is subject to regulation under Section 402 or 307B of the Federal Clean Water Act shall be exempt.

(9) Except for waste brought into the state by a company to an affiliated manufacturing facility of the company receiving the waste, any person who transports hazardous waste into the state for land disposal or treatment which is generated outside of the state shall pay an assessment to the hazardous waste facility which first receives the waste for storage, treatment, or land disposal. The assessment rate shall be identical to the rate described in subsection (8) of this section. The facility shall remit the assessment to the cabinet on ***an annual*** [~~a biannual~~] basis on January 1 [~~and June 30~~] of each year. The payment shall be accompanied by a return the cabinet shall prescribe.

(10) If any generator or hazardous waste facility subject to the provisions of subsection (8) or (9) of this section fails or refuses to file a return or furnish any information requested in writing by the cabinet, the cabinet may, from any information in its possession, make an estimate and issue an assessment against the generator or hazardous waste facility and add a penalty of ten percent (10%) of the amount of the assessment so determined. This penalty shall be in addition to all other applicable penalties in this chapter.

(11) If any generator or hazardous waste facility subject to the provisions of subsection (8) or (9) of this section fails to make and file a return required by this chapter on or before the due date of the return or the due date as extended by the cabinet, unless it is shown to the satisfaction of the cabinet, that the failure is due to reasonable cause, five percent (5%) of the assessment found to be due by the cabinet shall be added to the assessment for each thirty (30) days or fraction thereof elapsing between the due date of the return and the date on which it is filed, but the total penalty shall not exceed twenty-five percent (25%) of the assessment.

(12) If the assessment imposed by this chapter, whether assessed by the cabinet, or the generator, or any installment or portion of the assessment is not paid on or before the date prescribed for its payment, there shall be collected, as a part of the assessment, interest upon the unpaid amount at the rate of eight percent (8%) per annum from the date prescribed for its payment until payment is actually made to the cabinet.

(13) There is hereby created within the State Treasury a trust and agency fund which shall not lapse to be known as the hazardous waste management fund. The fund shall be deposited in an interest-bearing account. The cabinet shall be responsible for collecting and receiving funds as provided in this section, and all such assessments collected or received by the State Treasury shall be deposited in the hazardous waste management fund. All interest earned on the money deposited in the fund shall be deposited to the fund. When the State Treasurer certifies to the cabinet that the uncommitted balance of the hazardous waste management fund exceeds six million dollars ($6,000,000), assessments shall not be collected until the State Treasurer certifies to the cabinet that the balance in the hazardous waste management fund is less than three million dollars ($3,000,000). The implementation of the cap on the fund shall be suspended from July 13, 1990, until July 1, 1991. In addition, for assessments paid after July 1, 1991, the cabinet shall refund or grant a credit against the next assessment to come due, on a pro-rated basis, any money collected in one (1) year in excess of the cap.

(14) ***There is hereby created within the State Treasury a trust and agency account which shall not lapse to be known as the pollution prevention fund. The fund shall be placed in an interest-bearing account. The fund shall be administered by the Center for Pollution Prevention. The cabinet shall remit to the fund each fiscal year twenty percent (20%) of the funds received by the hazardous waste management fund. The cabinet shall provide to the center estimates of the amount of the hazardous waste assessment expected to be collected during each upcoming fiscal year.***

(15) Upon request of the secretary, moneys accumulated in the hazardous waste management fund shall be released in amounts necessary to accomplish the performance of the duties imposed by subsection (3) of this section. However, moneys from the fund shall not be used when federal moneys are available to carry out these duties, except when immediate action is required to protect public health or the environment, in which case the cabinet shall actively pursue reimbursement of the fund by any available federal moneys.

Floor Amendment No. 1 to **SB 180**, by Representative Johnson:

On page 3, by inserting after line 16 the following new section:

"SECTION 3. A NEW SECTION OF KRS CHAPTER 216 IS CREATED TO READ AS FOLLOWS:

(1) The General Assembly finds that the goals of controlling health care costs and improving the quality of and access to health care services will be significantly enhanced by some cooperative arrangements involving local governmental entities that would be prohibited by state and federal antitrust laws if undertaken without governmental involvement. The purpose of this section is to create an opportunity for the state to supervise arrangements and to substitute regulation for competition when an arrangement is likely to result in lower costs, or greater access or quality, than would otherwise occur in competitive marketplace. The legislature intends that approval of relationships be accompanied by appropriate conditions, supervision, and regulation to protect against private abuses of economic power by having the board of directors of any local governmental hospital be controlled by a majority of individuals appointed by the government subdivision. The transactions and procedures for local governmental hospitals described in subsection (2) to (6) of this section are intended to constitute sufficient approval and ongoing oversight by a subdivision of the state to constitute state action so that such transactions and procedures will be exempt from federal and state antitrust regulation.

(2) As used in this section, "local governmental hospital" means any hospital owned or controlled by a local governmental entity including, but not limited to, a county hospital, a city hospital, hospital district, hospital acting under or a nonprofit 501(c)(3) hospital organized under the Interlocal Cooperation Act pursuant to KRS 65.210 to 65.300 and whose board of directors is controlled by the local governmental entity.

(3) A local governmental hospital with the consent of the board of trustees and upon a finding by the local government entity or the trustees or directors of the hospital appointed by or approved by a local government entity of cost savings, quality improvements, or price reductions, may contract with another licensed hospital located within a reasonable distance to share or divide specialty or costly hospital services and equipment, or a local governmental hospital, with approval, may discontinue or avoid duplication of specialty or costly hospital services and equipment otherwise available to the community served for the purpose of minimizing costs for hospital services or improving health care.

(4) A local governmental hospital, with the consent of the board of directors and upon a finding by the local government entity or the trustees or directors of the hospital appointed by or approved by a local government entity of cost savings, quality improvements, or price reductions, may require or merge with any health facility, as defined in KRS 216B.010 if the resulting entity's board of trustees is and will on an ongoing basis be composed of a majority of directors selected by the governmental entity and the provisions of 216B.010 to 216B.990 are complied with by the local governmental hospital.

(5) A local governmental hospital, upon finding by the local government entity or the trustees or directors of the hospital appointed by or approved by a local government entity of cost savings, quality improvements, or price reductions, may engage in shared services, and other cooperative ventures with any other facility.

(6) A local governmental hospital, upon a finding by the local government entity or the trustees or directors of the hospital appointed by or approved by a local government entity of cost savings, quality improvements, or price reductions, may enter into partnerships, or form or be a shareholder of corporations, or have members of its governing body serve as directors, officers or employees of any venture, association, or partnership, or corporation authorized under this section."

"*(k) 1. The local board of education may reject a policy of a school council by a vote of four-fifths (4/5) of its membership. If the local board rejects the council's policy, the board shall return the policy to the school council for reconsideration. The board shall provide a specific written explanation for rejection.*

2. If the board of education and the school council have exhausted all possibilities toward resolution and are unable to resolve the dispute regarding the school council policy, the board or the school council may submit the matter in writing to the State Board for Elementary and Secondary Education for *resolution. Upon receipt of the written request for resolution, the state board shall:*

c. Make its binding decision on the request for resolution, after the deadline for the filing of the explanation has expired. The decision may include a remand of the matter to the local board of education and school council for further attempts at resolution.

(l) The local board of education may reject a school council's policy in the areas of paragraph (j) of this subsection if it is shown by evidence to be inconsistent with the following:

2. The health and safety of students and personnel;

3. The district's liability insurance policy;

4. Financial resources necessary to carry out the policy;

"Section 9. KRS 224.46-505 is amended to read as follows:

The General Assembly of the Commonwealth of Kentucky hereby finds, determines, and declares as follows:

(1) That technological progress and increases in the amounts of manufacturing are continuing to result in increasing quantities of hazardous waste being generated and prohibiting the generation of hazardous waste would result in a competitive economic disadvantage for the Commonwealth;

(2) That the Commonwealth is the site of much improper and inadequately regulated handling, treatment, transportation, storage, and disposal of hazardous waste which presents a threat to the public health, safety, and welfare and the environment;

(3) That by the enactment by the Congress of the United States of the Resource Conservation and Recovery Act of 1976, as amended (PL 94-580), the generation, transportation, treatment, storage, recycling, and disposal of hazardous waste has been determined to be a matter of national importance, recognizing that hazardous waste presents, in addition to the problems generally associated with nonhazardous waste, special dangers to health and requires a greater degree of regulation than does nonhazardous waste;

(4) That the primary responsibility for proper hazardous waste management rests with the generators, transporters, treaters, storers, recyclers, and disposers of hazardous waste, subject to rules, regulations, guidelines, and standards promulgated

by the Natural Resources and Environmental Protection Cabinet and also subject to registration or permitting by the cabinet for the purpose of effectuating safe and proper management at all steps in the hazardous waste cycle;

(5) That the participation of the private sector and the interested public in any aspect of hazardous waste management not expressly reserved as state or federal authority as set forth in KRS 224.46-510 to 224.46-570 or other statutes is encouraged, moreover, it is preferable for hazardous waste management functions to be performed by the private sector when such is in the best interest of the public and conforms with the policies and provisions set forth in KRS 224.46-510 to 224.46-570;

(6) That as a matter of policy the ***prevention of pollution or reduction of waste at its source is the preferred management option. Pollutants that cannot be prevented should be recycled in an environmentally safe manner whenever feasible. Pollution that cannot be prevented or recycled should be treated; and, disposal or other release into the environment should only be employed when no other feasible option is available***~~[Commonwealth in encouraging the development of hazardous waste management facilities should place a priority on environmentally sound alternatives to the land disposal of hazardous waste such as process changes, waste reduction, resource recovery and recycling, destruction, or treatment to render the waste nonhazardous]~~; and

(7) That as a result of the conditions described in the foregoing findings, the problems of hazardous waste generation, transportation, treatment, storage, recycling, and disposal have become a matter of extreme state concern necessitating action by the General Assembly to protect the public health, safety, and welfare and the environment of the Commonwealth.".

The Committee Substitute to **SB 307** is as follows:

SB 307, AN ACT relating to the simulcasting of horse races.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 230.377 is amended to read as follows:

(1) Other provisions of the Kentucky Revised Statutes notwithstanding, a track may apply to the commission for simulcasting and intertrack wagering dates. Applications shall be submitted in accordance with KRS 230.300. The commission shall not approve the establishment or relocation of a receiving track within a radius of seventy-five (75) miles of a race track duly licensed as of July 15, 1992, without the prior written consent of the licensed track within whose seventy-five (75) mile radius the new receiving track would be located.

(2) On or before November 1 of each year, the commission shall meet and award intertrack wagering dates to all tracks for the entire succeeding calendar year. In counties containing more than one (1) track, intertrack wagering dates shall be awarded as follows:

(a) A receiving track of the same breed as the host track's breed shall have the right to receive, on an exclusive basis, sixty percent (60%) of the available intertrack wagering days, which shall not include the days in subsection (4) of this section, if the receiving track was licensed to conduct racing of that breed on or before January 1, 1990; and

(b) A receiving track of a different breed than the breed of the host track shall receive on an exclusive basis the remaining forty percent (40%) of the intertrack wagering dates not awarded by the commission under subsection (2)(a) of this section, and exclusive of days contained in subsection (4) of this section, if the receiving track was licensed to conduct racing of a different breed on or before January 1, 1990. Any unused intertrack wagering days or any intertrack wagering days not requested by and awarded to a receiving track of a different breed than the breed of the host track, shall be awarded to the receiving track of the same breed as the breed of the host track.

(3) Except in extraordinary circumstances, such as the need to accommodate a receiving track's sales activities or special events, intertrack wagering dates shall be awarded in weekly increments. The commission shall approve no more than nine (9) tracks for participation in intertrack wagering. Any approval by the commission of a change in location of these tracks shall be subject to the local-approval process contained in KRS 230.380.

(4) A track may by administrative regulation be required to simulcast its races to one (1) or more receiving tracks approved for simulcasting and intertrack wagering, as a prerequisite for the issuance of a license pursuant to KRS 230.300, provided that:

(a) Each track shall be permitted to exempt one (1) day of racing from simulcasting to both receiving tracks and simulcast facilities, at its discretion;

(b) Tracks in a county containing a city of the first class and tracks in an urban-county government shall not be required to simulcast to ***each other*** [~~one another~~] or to any other facility in those counties. This provision shall not be construed as requiring tracks within the same county to simulcast to ***each other*** [~~one another~~]; and

(c) In the absence of a contract between a host track and a receiving track, the commission shall be split as provided for in KRS 230.378(3).

(5) *(a)* A track licensed to conduct thoroughbred racing may receive simulcasts and conduct interstate wagering on all thoroughbred horse races designated as graded stakes races by the Graded Stakes Committee of the Thoroughbred Owners and Breeders Association, Inc., without further consents or approvals.

(b) A track licensed to conduct harness racing may receive simulcasts and conduct interstate wagering on all harness horse races with a purse in excess of seventy-five thousand dollars ($75,000) without further consents or approvals.

(c) A track which applies to the commission to receive an interstate race of a different breed than the breed for which it is licensed by the commission shall receive any simulcast of an interstate race through the intertrack wagering system upon approval by the commission.

(d) A track may ~~[also]~~ receive simulcasts of special event races conducted in other states or foreign countries which are determined by the commission to be of sufficient national or international significance or interest to warrant interstate wagering, and if the simulcast of these races has been approved by the Kentucky Thoroughbred Owners and Breeders Association, Inc., the Kentucky Division of the Horseman's Benevolent and Protective Association, for thoroughbred races, and the Kentucky Harness Horsemen's Association for harness racing, and any track conducting live horse races of the same breed at the same time as the simulcast race.

(e) A host track located in this state may receive simulcasting of not more than two (2) full cards of racing from another state, if both tracks race horses of the same breed and if:

1. The race date was previously granted by the Kentucky Racing Commission to conduct live racing at the track located in this state;

2. Live racing was canceled due to weather conditions; and

3. The consent required by subsection (5) (d) of this section is obtained.

(f) The instate track receiving the simulcast specified in paragraph (e) of this subsection shall offer that simulcast to all participating tracks and simulcast facilities in the intertrack wagering system.

(g) All interstate simulcasting shall be conducted in accordance with applicable federal laws.

(6) The commission may promulgate necessary and reasonable administrative regulations for the purpose of administering the conduct of intertrack wagering and regulating the conditions under which wagering shall be held and conducted. Administrative regulations shall provide for the prevention of practices detrimental to the public interest and to impose penalties for violations. All administrative regulations shall be in conformity with the provisions of KRS 138.510 and this chapter.

(7) Subsections (2) and (3) of this section shall apply only to intertrack wagering dates awarded for calendar year 1993 and thereafter, and any unresolved intertrack wagering dates for calendar year 1992 shall be awarded pursuant to applicable provisions of law in effect immediately prior to March 30, 1992.

(3) As used in subsection (2) of this section the term "daily mutuel handle" shall be understood to mean the total gross amount of money bet or wagered by a race track's patrons by means of pari-mutuel, combination, or French pools on live

races conducted by the track.

Section 2. KRS 138.510 is amended to read as follows:

(1) ***Except for the conduct of harness racing at a county fair,*** an excise tax is imposed on all tracks conducting pari-mutuel racing under the jurisdiction of the Kentucky Racing Commission. For each track with a daily average handle of one million two hundred thousand dollars ($1,200,000) or above, the tax shall be in the amount of three and one-half percent (3.5%) of all money wagered during the fiscal year. A fiscal year as used in this subsection and subsection (2) shall begin at 12:01 a.m. July 1 and end at 12 midnight June 30. For each track with a daily average handle under one million two hundred thousand dollars ($1,200,000) the tax shall be an amount equal to one and one-half percent (1.5%) of all money wagered during the fiscal year. For the purposes of this subsection, the daily average handle shall be computed from the amount wagered only at the host track and shall not include money wagered at a receiving track, at a simulcast facility, or on telephone account wagering. Money shall be deducted from the tax paid by host tracks and deposited to the respective development funds in the amount of three quarters of one percent (0.75%) of the live racing handle for thoroughbred racing and one percent (1%) of the live handle for harness racing.

(2) An excise tax is imposed on all licensed tracks conducting telephone account wagering or participating as receiving tracks in intertrack wagering under the jurisdiction of the Kentucky Racing Commission. These funds shall not be used for salaries or for operating funds for teaching, research, or administration. In no event shall funds allocated under this subsection replace other funds for capital purposes or operation of equine programs at state universities. The Kentucky Council on Higher Education shall serve as the administrative agent and shall establish an advisory committee of interested parties, including all universities with established equine programs, to evaluate proposals and make recommendations for the awarding of funds. The Kentucky Council on Higher Education may by administrative regulation establish procedures for administering the program and criteria for evaluating and awarding grants.

If tickets good for more than one (1) day are issued, the sum of fifteen cents ($0.15) shall be paid by each person using such ticket on each day that it is used. Hazardous positions shall include positions in the Department of Corrections in state correctional institutions and the Kentucky Correctional Psychiatric Center with duties that regularly and routinely require face-to-face contact with inmates.

(2) Each employer may request of the board hazardous duty coverage for those positions as defined in subsection (1) of this section, but a county, narrowly defined as one (1) of Kentucky's one hundred and twenty (120) counties, the provisions of KRS 78.510(3) notwithstanding, shall request hazardous duty coverage for its full-time paid firefighters. Upon request, each employer shall certify to the system, in the manner prescribed by the board, the names of all employees working in a hazardous position as defined in subsection (1) of this section for which coverage is requested. The certification of the employer shall bear the approval of the agent or agency responsible for the budget of the department or county indicating that the required employer contributions have been provided for in the budget of the employing department or county. The employer may extend the payment schedule to a maximum of thirty (30) years. Payments made by the employer under this subsection shall be deposited to the retirement allowance account of the proper retirement system and these funds shall not be considered accumulated contributions of the individual members. If the employer elects not to make the additional payment, the employee may make the lump-sum payment in his own behalf or may pay by increments. Payments made by the employee under this subsection shall not be picked up, as described in KRS 61.560(4), by the employer. If neither the employer nor employee makes the payment, the service prior to hazardous coverage shall remain nonhazardous.

(4) The normal retirement age, retirement allowance, other benefits, eligibility requirements, rights, and responsibilities of a member in a hazardous position, as prescribed by subsections (1), (2), and (3) of this section, and the responsibilities, rights, and requirements of his employer shall be as prescribed for a member and employer participating in the State Police Retirement System as provided for by KRS 16.510 to 16.652, except the mandatory retirement provisions of KRS 16.576(1) and the maximum employment age in KRS 16.520(2) shall not be applicable.

When the registry audits the records of any selected candidate, it shall also audit the records of all other candidates running for the same office in the selected city, county, urban-county government, charter county government, or district office;

(k) Conduct audits of receipts and expenditures of all candidates or slates of candidates running for statewide office;

(l) Require that candidates and slates of candidates shall maintain their records for a period of ***six (6)*** [~~four (4)~~] years from the date of the regular election in their respective political races;

(m) Initiate investigations and make investigations with respect to reports upon complaint by any person and initiate proceedings on its own motion;

(n) Forward to the Attorney General ***or the appropriate Commonwealth's or county attorney*** any violations of this chapter and KRS Chapter 121A which may become the subject of civil or criminal prosecution; and

(o) Direct and administer the provisions of KRS Chapter 121A.

(5) All policy and enforcement decisions concerning the regulation of campaign finance shall be the ultimate responsibility of the registry. No appointed or elected state officeholder or any other person shall, directly or indirectly, attempt to secure or create privileges, exemptions, or advantages for himself or others in derogation of the public interest at large in a manner that seeks to leave any registry member or employee charged with the enforcement of the campaign finance laws no alternative but to comply with the wishes of the officeholder or person. Registry members and employees shall be free of obligation or the appearance of obligation to any interest other than the fair and efficient enforcement of the campaign finance laws and administrative regulations. It shall not be considered a violation of this subsection for an officeholder or other person to seek remedies in a court of law to any policy or enforcement decision he considers to be an abridgement of his legal rights.

Section 7. KRS 121.140 is amended to read as follows:

(1) Upon the sworn complaint of any person, or on its own initiative, the registry shall investigate alleged violations of campaign finance law. In conducting any investigation, the registry shall have the power of subpoena and may compel production of evidence including the financial records of any person determined by the registry to be vital to the investigation. The records subject to subpoena include, but are not limited to, a person's bank records and other relevant documents, but excluding individual and business income tax records.

(2) If the registry concludes that there is probable cause to believe that the law has been violated, the registry shall notify the alleged violator of its conclusions and the evidence supporting them, and shall offer the alleged violator a conciliation agreement to resolve the issue. A conciliation agreement may require the alleged violator to comply with one (1) or more of the following:

(a) To cease and desist violations of the law;

(b) To file required reports or other documents or information;

(c) To pay a penalty not to exceed one hundred dollars ($100) a day, up to a maximum total fine of five thousand dollars ($5,000), for failure to file any report, payment of an administrative fee, or other document or information required by law until the report, fee payment, document, or information is filed; except that there shall be no maximum total fine for candidates for statewide office; or

(d) To pay a penalty not to exceed five thousand dollars ($5,000) per violation for acts of noncompliance with provisions contained within this chapter.

(3) To accept a conciliation agreement, an alleged violator shall deliver the signed agreement to the registry either in person or by mail postmarked not later than ten (10) days after the day he received it. The registry may institute a civil action in Franklin Circuit Court or the Circuit Court for the county of the violator's residence to enforce the provisions of any conciliation agreement accepted by a violator who is not complying with its provisions.

(4) If the alleged violator declines to accept the conciliation agreement or fails to respond within the time allowed, ***the registry shall, within five (5) days, submit a written request to the Chief Justice of the Kentucky Supreme Court to recommend not fewer than ten (10) nor more than fifteen (15) retired or former Justices or retired or former Judges of the Court of Justice who are qualified and willing to serve on a panel which shall conduct a hearing to determine if a violation has occurred. Upon receipt of the recommendations of the Chief Justice, the registry shall randomly select three (3) retired or former Justices or Judges from the list to conduct the hearing, which shall be held in***

accordance with the Kentucky Rules of Civil Procedure, or, if the Chief Justice declines to make recommendations, the registry, on its own initiative, shall request retired or former Justices or Judges to serve on the panel. The time and location of hearings shall be determined by the registry. Justices or judges selected to serve on a three (3) judge panel shall receive reimbursement from the registry for their reasonable and necessary expenses incurred as a result of the performance of their duties ~~[a hearing before a panel of three (3) active or retired Justices or Judges of the Court of Justice appointed by the Chief Justice of the Supreme Court shall be held in accordance with the Kentucky Rules of Civil Procedure to determine if a violation has occurred]~~. The registry shall notify the complainant and the alleged violator that a hearing shall be conducted of the specific offenses alleged not less than thirty (30) days prior to the date of the hearing. At the hearing, which shall be open to the public pursuant to KRS 61.810, the attorney for the registry shall present the evidence against the alleged violator, and the alleged violator shall have all of the protections of due process, including, but not limited to, the right to be represented by counsel, the right to call and examine witnesses, the right to the production of evidence by subpoena, the right to introduce exhibits and the right to cross-examine opposing witnesses. The panel shall conclude its proceedings and render a decision not more than sixty (60) days after the date on which the panel was appointed to conduct a hearing. If the panel determines that the preponderance of the evidence shows a violation has occurred, it shall issue an order, which shall be appealable to the Court of Appeals within thirty (30) days after the date of the order, to the violator to comply with any one (1) or more of the following requirements:

(a) To cease and desist violation of this law;

(b) To file any reports or other documents or information required by this law;

(c) To pay a penalty not to exceed one hundred dollars ($100) a day, up to a maximum total fine of five thousand dollars ($5,000), for failure to file any report, payment of an administrative fee, or other document or information required by law until the report, fee payment, document, or information is filed; except that there shall be no maximum total fine for candidates for statewide office; or

(d) To pay a penalty not to exceed five thousand dollars ($5,000) per violation for acts of noncompliance with provisions contained within this chapter. An appeal of an order of the panel shall be advanced on the docket to permit a timely decision.

(5) If the registry concludes that there is probable cause to believe that the campaign finance law has been violated knowingly, it shall refer the violation to the Attorney General ***or the appropriate Commonwealth's or county attorney*** for prosecution. The Attorney General may request the registry's attorney or the appropriate county or Commonwealth's attorney to prosecute the matter and may request from the registry all evidence collected in its investigation. In the event the Attorney General or the appropriate local prosecutor fails to prosecute in a timely fashion, the registry may petition the Circuit Court to appoint the registry's attorney to prosecute, and upon a motion timely filed, for good cause shown, the court shall enter an order to that effect. Prosecutions involving campaign finance law violations, in which the reports are required to be filed in Frankfort, may be conducted in Franklin Circuit Court or in the Circuit Court for the county in which the contribution or expenditure constituting a campaign finance violation was solicited, made, or accepted. The prosecution of a person who unlawfully solicits, makes, or accepts a contribution or expenditure through the use of the mail may be conducted in the Circuit Court for the county in which the solicitation is mailed, the county in which the contribution is mailed or received, or the county in which the expenditure is mailed.

(6) Any person directly involved or affected by an action of the registry or the panel which is final, other than of a determination to refer a violation to the Attorney General ***or appropriate Commonwealth's or county attorney*** for prosecution, may seek judicial review of the action within thirty (30) days after the date of the action.

(7) If judicial review is sought of any action of the registry or the panel relating to a pending election, the matter shall be advanced on the docket of the court. The court may take any steps authorized by law to accelerate its procedures so as to permit a timely decision.

Section 8. KRS 121.150 is amended to read as follows:

(1) No contribution of money or other thing of value, nor obligation therefor, shall be made or received, and no expenditure of money or other thing of value shall be made or incurred, directly or indirectly, other than an "independent expenditure," to support inauguration activities or to support or defeat a candidate, slate of candidates, constitutional amendment, or public question which will appear on the ballot in an election, except through the duly appointed campaign manager, or campaign treasurer of the candidate, slate of candidates, or registered committee. As used in this section, "independent expenditure" means one made for a communication which expressly advocates the election or defeat of a clearly identified candidate or slate of candidates, or the passage or defeat of a constitutional amendment or public question which will appear on the ballot and which is not made with any direct or indirect cooperation, consent, request, suggestion, or consultation involving a candidate, slate of candidates, campaign committee, political issues committee, or agent. ***No candidate, slate of candidates, campaign committee, political issues committee, nor anyone acting on their behalf shall have any communication with another person nor anyone on his behalf regarding that person's making of an independent expenditure on behalf of the candidate, slate, or committee prior to the time the independent expenditure is made.*** Any person making an "independent expenditure," as defined in this subsection, shall report these expenditures when the expenditures exceed five hundred dollars ($500) in the aggregate in any one (1) election, on ***a form*** ~~[forms]~~ provided by the registry ***and shall sign a statement on the form, under penalty of perjury,***

that the expenditure was an actual independent expenditure and that there was no prior communication with the campaign on whose behalf it was made.

(2) Except as provided in KRS 121.180(10), the solicitation from and contributions by candidates, slates of candidates, campaign committees, political issues committees, permanent committees, and party executive committees to any religious, charitable, civic, eleemosynary, or other causes or organizations established primarily for the public good is expressly prohibited; except that it shall not be construed as a violation of this section for a candidate or slate of candidates to continue regular personal contributions to religious, civic, or charitable groups.

(3) No candidate, slate of candidates, committee, or contributing organization, nor anyone acting on their behalf, shall accept any anonymous contribution in excess of fifty dollars ($50), and all anonymous contributions in excess of fifty dollars ($50) shall be returned to the donor, if the donor can be determined. If no donor is found, the contribution shall escheat to the state and be transferred to the election campaign fund established by KRS 121A.020. No candidate, slate of candidates, committee, or contributing organization, nor anyone acting on their behalf shall accept anonymous contributions in excess of one thousand dollars ($1,000) in the aggregate in any one (1) election. Anonymous contributions in excess of one thousand dollars ($1,000) in the aggregate which are received in any one (1) election shall escheat to the state and be transferred to the election campaign fund established by KRS 121A.020.

(4) No candidate, committee, or contributing organization, nor anyone on their behalf, shall accept a cash contribution in excess of fifty dollars ($50) ***in the aggregate from each contributor in any one (1) election. No candidate, committee, or contributing organization, nor anyone on their behalf, shall accept a cashier's check or money order in excess of the maximum cash contribution limit unless the instrument clearly identifies both the payor and the payee. A contribution made by cashier's check or money order which identifies both the payor and payee shall be treated as a contribution made by check for purposes of the contribution limits contained in this section. No person shall make a cash contribution in excess of fifty dollars ($50) in the aggregate in any one (1) election to a candidate, committee, or contributing organization, nor anyone on their behalf***.

(5) No candidate, slate of candidates, committee, contributing organization, nor anyone on their behalf, shall accept any contribution in excess of one hundred dollars ($100) from any person who shall not become eighteen (18) years of age on or before the day of the next general election.

(6) No candidate, campaign committee, political issues committee, nor anyone acting on their behalf, shall accept a contribution of more than five hundred dollars ($500) from any person, permanent committee, or contributing organization in any one (1) election; except that no candidate for school board, his campaign committee, nor anyone acting on their behalf shall accept a contribution of more than one hundred dollars ($100) from any person or more than two hundred dollars ($200) from any permanent committee or contributing organization in any one (1) election. No person, permanent committee, or contributing organization shall contribute more than five hundred dollars ($500) to any one (1) candidate, campaign committee, political issues committee, nor anyone acting on their behalf, in any one (1) election; except that no person shall contribute more than one hundred dollars ($100) and no permanent committee or contributing organization shall contribute more than two hundred dollars ($200) to any one (1) school board candidate, his campaign committee, nor anyone acting on their behalf, in any one (1) election. Limits on contributions for slates of candidates for Governor and Lieutenant Governor which may be made or received in any one (1) election shall be governed by the provisions of KRS 121A.050.

(7) Permanent committees or contributing organizations affiliated by bylaw structure or by registration, as determined by the Registry of Election Finance, shall be considered as one (1) committee for purposes of applying the contribution limits of subsection (6) of this section.

(8) No permanent committee shall contribute funds to another permanent committee for the purpose of circumventing contribution limits of subsection (6) of this section.

(9) No person shall contribute funds to a permanent committee, political issues committee, or contributing organization for the purpose of circumventing the contribution limits of subsection (6) of this section.

(10) No person shall contribute more than one thousand five hundred dollars ($1,500) to all permanent committees and contributing organizations in any one (1) year.

(11) No person shall contribute more than two thousand five hundred dollars ($2,500) to the state executive committee of a political party and its subdivisions and affiliates in any one (1) year. Contributions a person makes to a political party in excess of one thousand dollars ($1,000) in any one (1) year shall be deposited in a separate account which the state executive committee maintains for the exclusive purpose of paying administrative costs incurred by the political party.

(12) No person shall make a payment, distribution, loan, advance, deposit, or gift of money to another person to contribute to a candidate, committee, contributing organization, or anyone on their behalf. No candidate, committee, contributing organization, nor anyone on their behalf shall accept a contribution made by one (1) person who has received a payment, distribution, loan, advance, deposit or gift of money from another person to contribute to a candidate, committee, contributing organization, or anyone on their behalf.

(13) No candidates running as a slate for the offices of Governor and Lieutenant Governor shall make combined total personal loans to their committee in excess of fifty thousand dollars ($50,000) in any one (1) election. No candidate for any other

statewide elected state office shall lend to his committee any amount in excess of twenty-five thousand dollars ($25,000) in any one (1) election. In campaigning for all other offices, no candidate shall lend to his committee more than ten thousand dollars ($10,000) in any one (1) election.

(14) No candidate or slate of candidates for nomination to any state, county, city, or district office, nor their campaign committees, nor anyone on their behalf, shall solicit or accept contributions for primary election expenses after the date of the primary. No person other than the candidate or slate of candidates shall contribute for primary election expenses after the date of the primary.

(15) No slate of candidates for nomination for election to the offices of Governor and Lieutenant Governor, nor its campaign committees, nor anyone on their behalf, shall solicit or accept contributions for runoff primary election expenses after the date of the runoff primary. No person other than the slated candidates shall contribute for runoff primary election expenses after the date of the runoff primary.

(16) No candidate or slate of candidates for any state, county, city, or district office at a regular election, nor their campaign committees, nor anyone on their behalf, shall solicit or accept contributions for regular election expenses after the date of the regular election. No person other than the candidate or slate of candidates shall contribute for regular election expenses after the date of the regular election.

(17) No candidate or slate of candidates for nomination or election to any state, county, city, or district office, nor their campaign committees, nor anyone on their behalf, shall solicit or accept contributions for special election expenses after the date of the special election. No person other than the candidate or slate of candidates shall contribute for special election expenses after the date of the special election.

(18) Nothing in subsections (14) to (17) of this section shall be deemed to prohibit a slate of candidates from receiving transfers from the election campaign fund established by KRS 121A.020 for which it is eligible for matches of qualifying contributions received prior to the date of the election but for which no transfer from the fund had been made prior to the date of the election.

(19) The provisions of subsections (14) and (16) of this section shall apply only to those candidates in a primary or regular election which shall be conducted subsequent to January 1, 1989. The provisions of subsections (15) and (17) of this section shall apply only to those candidates or slates of candidates in a runoff primary or special election which shall be conducted subsequent to January 1, 1993.

(20) No slate of candidates for Governor and Lieutenant Governor or their immediate families shall loan any money, service, or other thing of value to their campaign, and all moneys, services, or other things of value which are loaned shall be deemed a contribution, which may not be recovered by the slate of candidates, except to the extent of a combined total of fifty thousand dollars ($50,000).

(21) No candidate, slate of candidates, committee, except a political issues committee, or contributing organization, nor anyone on their behalf, shall knowingly accept a contribution from a corporation, directly or indirectly.

(22) Nothing in this section shall be construed to restrict the ability of a corporation to administer its permanent committee insofar as its actions can be deemed not to influence an election as prohibited by KRS 121.025.

(23) In addition to the prohibitions set forth in this section, no slate of candidates shall accept any contribution during the thirty (30) days immediately preceding a primary or regular election except as provided in KRS 121A.030(5).

(24) No candidate, slate of candidates, or committee, nor anyone on their behalf, shall solicit a contribution of money or services from a state employee, whether or not the employee is covered by the classified service provisions of KRS Chapter 18A. However, it shall not be a violation of this subsection for a state employee to receive a solicitation directed to him as a registered voter in an identified precinct as part of an overall plan to contact voters not identified as state employees.

(25) A candidate for elective public office, except slates of candidates for Governor and Lieutenant Governor, shall not accept contributions from permanent committees which, in the aggregate, exceed thirty-five percent (35%) of the total contributions accepted by the candidate in any one (1) election cycle or five thousand dollars ($5,000) in any one (1) election cycle, whichever is the greater amount. For the purposes of this subsection, "election cycle" means the period between regular elections for the office a candidate seeks. The percentage of the total contributions or dollar amounts of contributions accepted by a candidate in an election cycle that is accepted from permanent committees shall be calculated as of the regular election day that ends the election cycle. Funds in a candidate's campaign account which are carried forward from one (1) election cycle to another shall not be considered in calculating the acceptable percentage or dollar amount of contributions which may be accepted from permanent committees for the election cycle for which the funds are carried forward. A candidate may, without penalty, contribute funds to his campaign account not later than twenty (20) days following the election cycle so as not to exceed the permitted percentage or dollar amount of contributions which may be accepted from permanent committees or the candidate may, not later than twenty (20) days after the end of the election cycle, refund any excess permanent committee contributions on a pro rata basis to the permanent committees whose contributions are accepted after the aggregate limit has been reached.

(26) No candidate or slate of candidates for any office in this state shall accept a contribution, including an in-kind contribution, which is made from funds in a federal campaign account. No person shall make a contribution,

including an in-kind contribution, from funds in a federal campaign account to any candidate or slate of candidates for any office in this state.

(6) The candidate or slate of candidates may pay a campaign treasurer a salary for his services which shall be considered a campaign expense and shall comply with the reporting provisions of KRS 121.180 and administrative regulations promulgated by the registry.

joint notification and declaration by the slate of candidates pursuant to KRS 118.125 and 118.127. The name of the committee shall reasonably identify to the public the sponsorship and purpose of the committee. The forms filed with the registry shall require the registrant to clearly identify the specific purpose, sponsorship, and source from which the committee originates; and the registry shall refuse to allow filing by any committee until this requirement has been satisfied.

(2) Any person who acts as a fundraiser by directly soliciting contributions for an election campaign of a candidate or slate of candidates for ***statewide-elected state office or an office in a jurisdiction containing in excess of two hundred thousand (200,000) residents*** [~~elected office~~] shall register with the registry when he raises in excess of three thousand dollars ($3,000) in any one (1) election for the campaign committee by filing official notice giving his name, address, occupation, employer or, if he is self-employed, the name under which he is doing business, and all candidates or slates of candidates for whom he is soliciting on forms prescribed by the registry. (4) The chairman of a committee and the campaign treasurer shall be separate persons.

(5) A permanent committee***, except a federally-registered out-of-state permanent committee,*** shall pay an administrative fee of two hundred dollars ($200) to the registry at the time it files its registration papers. The amount of administrative fees received by the registry from permanent committees shall be transferred to the State Treasurer for deposit in the election campaign fund established by KRS 121A.020.

(6) Any federally-registered out-of-state permanent committee that contributes to a Kentucky candidate shall:

(a) File with the registry a copy of its federal registration (Federal Election Commission Form 1 - Committee Registration Form);

Section 11. KRS 121.175 is amended to read as follows:

(1) No candidate, committee, or contributing organization shall permit funds in a campaign account to be expended for any purpose other than for allowable campaign expenditures. "Allowable campaign expenditures" means expenditures including reimbursement for actual expenses, made directly and primarily in support of or opposition to a candidate, constitutional amendment, or public question which will appear on the ballot and includes, but is not limited to, expenditures for staff salaries, ***gifts and meals for volunteer campaign workers, food and beverages provided at a campaign rally,*** advertising, office space, necessary travel, campaign paraphernalia, ***purchases of advertisements in athletic and scholastic publications,*** communications with ***constituents or*** prospective voters, polling and consulting, printing, graphic arts, or advertising services, postage, office supplies, stationery, newsletters, and equipment which is used primarily for the administration of the campaign. "Allowable campaign expenditures" does not include expenditures of funds in a campaign account for any purpose made unlawful by other provisions of the Kentucky Revised Statutes or which would bestow a private pecuniary benefit, except for payment of the reasonable value of goods and services provided upon a candidate, member of the candidate's family, committee, or contributing organization, or any of their employees, paid or unpaid, including: tickets to an event which is unrelated to a political campaign or candidacy; items of personal property for distribution to prospective voters except items bearing the name, likeness, or logo of a candidate or a campaign-related communication; expenditures to promote or oppose a candidacy for a leadership position in a governmental, professional, or political organization, or other entity; and equipment or appliances the primary use of which is for purposes outside of the campaign. The provisions of KRS 121.190 notwithstanding, a candidate shall not be required to include a disclaimer on campaign stationery purchased with funds from his campaign account. A member of the General Assembly may utilize funds in his campaign account to purchase admission tickets for political party functions, to purchase items with a value of not in excess of one hundred dollars ($100) for donation to a political party

for auctions and fundraisers, and to participate in or support other events sponsored by a political party.

(2) By December 31, 1993, the registry shall promulgate administrative regulations to implement and enforce the provisions of subsection (1).

(3) In lieu of the penalties provided in KRS 121.140 and 121.990 for a violation of this section, the registry may, after hearing:

(a) For a violation which was not committed knowingly, order the violator to repay the amount of campaign funds which were expended for other than allowable campaign expenditures, and if not repaid within thirty (30) days, may impose a fine of up to one hundred dollars ($100) for each day the amount is not repaid, up to a maximum fine of one thousand dollars ($1,000); and

(b) For a violation which was committed knowingly, in addition to referring the matter for criminal prosecution, order the violator to repay the amount of campaign funds which were expended for other than allowable campaign expenditures, and if not repaid within thirty (30) days, may impose a fine of up to one hundred dollars ($100) for each day the amount is not repaid, up to a maximum fine of one thousand dollars ($1,000).

Section 12. KRS 121.180 is amended to read as follows:

(1) (a) Any candidate, slate of candidates, [~~or campaign treasurer,~~] or political issues committee shall be exempt from filing any pre-election finance reports required by subsection (3) of this section or KRS 121A.020(5), whichever is applicable, if the candidate, slate of candidates, or political issues committee chairman [~~or treasurer~~] files a form prescribed and furnished by the registry stating that contributions will not be accepted or expended in excess of three thousand dollars ($3,000) in any one (1) election to further the candidacy or to support or oppose a constitutional amendment or public question which will appear on the ballot. ***For a candidate for judicial office who desires to be exempt from filing preelection campaign finance reports as provided in this paragraph, the request for exemption shall be filed by the campaign treasurer of the candidate's campaign committee, but the candidate shall be personally liable for any violation if the campaign treasurer accepts contributions or makes expenditures in excess of the limit and shall be subject to the same penalties as a candidate as provided in subparagraph (k)1. or 2. of this subsection.*** A separate form shall be required for each primary, runoff primary, regular, or special election in which the candidate or slate of candidates participates or in which the public question appears on the ballot. The form shall be filed with the same office with which a candidate or slate of candidates files nomination papers or, in the case of a political issues committee, with the registry.

(6) The certification issued by the registry shall indicate:

(7) A slate of candidates may make multiple requests for fund transfer eligibility certification in the course of a primary or regular election at the times and in the manner which the registry shall prescribe by administrative regulation.

(8) If a slate of candidates that has filed a statement of intent to accept a transfer is not eligible to receive a transfer, the certification shall:

(11) No threshold qualifying amount shall be required for a slate of candidates participating in a runoff primary. (o) Direct and administer the provisions of KRS Chapter 121A.

(5) All policy and enforcement decisions concerning the regulation of campaign finance shall be the ultimate responsibility of the registry. No appointed or elected state officeholder or any other person shall, directly or indirectly, attempt to secure or create privileges, exemptions, or advantages for himself or others in derogation of the public interest at large in a manner that seeks to leave any registry member or employee charged with the enforcement of the campaign finance laws no alternative but to comply with the wishes of the officeholder or person. Registry members and employees shall

be free of obligation or the appearance of obligation to any interest other than the fair and efficient enforcement of the campaign finance laws and administrative regulations. It shall not be considered a violation of this subsection for an officeholder or other person to seek remedies in a court of law to any policy or enforcement decision he considers to be an abridgement of his legal rights.

Section 7. KRS 121.140 is amended to read as follows:

(1) Upon the sworn complaint of any person, or on its own initiative, the registry shall investigate alleged violations of campaign finance law. In conducting any investigation, the registry shall have the power of subpoena and may compel production of evidence including the financial records of any person determined by the registry to be vital to the investigation. The records subject to subpoena include, but are not limited to, a person's bank records and other relevant documents, but excluding individual and business income tax records.

(2) If the registry concludes that there is probable cause to believe that the law has been violated, the registry shall notify the alleged violator of its conclusions and the evidence supporting them, and shall offer the alleged violator a conciliation agreement to resolve the issue. A conciliation agreement may require the alleged violator to comply with one (1) or more of the following:

(a) To cease and desist violations of the law;

(b) To file required reports or other documents or information;

(c) To pay a penalty not to exceed one hundred dollars ($100) a day, up to a maximum total fine of five thousand dollars ($5,000), for failure to file any report, payment of an administrative fee, or other document or information required by law until the report, fee payment, document, or information is filed; except that there shall be no maximum total fine for candidates for statewide office; or

(d) To pay a penalty not to exceed five thousand dollars ($5,000) per violation for acts of noncompliance with provisions contained within this chapter.

(3) To accept a conciliation agreement, an alleged violator shall deliver the signed agreement to the registry either in person or by mail postmarked not later than ten (10) days after the day he received it. The registry may institute a civil action in Franklin Circuit Court or the Circuit Court for the county of the violator's residence to enforce the provisions of any conciliation agreement accepted by a violator who is not complying with its provisions.

(4) If the alleged violator declines to accept the conciliation agreement or fails to respond within the time allowed, ***the registry shall, within five (5) days, submit a written request to the Chief Justice of the Kentucky Supreme Court to recommend not fewer than ten (10) nor more than fifteen (15) retired or former Justices or retired or former Judges of the Court of Justice who are qualified and willing to serve on a panel which shall conduct a hearing to determine if a violation has occurred. Upon receipt of the recommendations of the Chief Justice, the registry shall randomly select three (3) retired or former Justices or Judges from the list to conduct the hearing, which shall be held in accordance with the Kentucky Rules of Civil Procedure, or, if the Chief Justice declines to make recommendations, the registry, on its own initiative, shall request retired or former Justices or Judges to serve on the panel. The time and location of hearings shall be determined by the registry. Retired or former Justices or Judges selected to serve on a three (3) judge panel shall receive reimbursement from the registry for their reasonable and necessary expenses incurred as a result of the performance of their duties*** [~~a hearing before a panel of three (3) active or retired Justices or Judges of the Court of Justice appointed by the Chief Justice of the Supreme Court shall be held in accordance with the Kentucky Rules of Civil Procedure to determine if a violation has occurred~~]. The registry shall notify the complainant and the alleged violator that a hearing shall be conducted of the specific offenses alleged not less than thirty (30) days prior to the date of the hearing. At the hearing, which shall be open to the public pursuant to KRS 61.810, the attorney for the registry shall present the evidence against the alleged violator, and the alleged violator shall have all of the protections of due process, including, but not limited to, the right to be represented by counsel, the right to call and examine witnesses, the right to the production of evidence by subpoena, the right to introduce exhibits and the right to cross-examine opposing witnesses. The panel shall conclude its proceedings and render a decision not more than sixty (60) days after the date on which the panel was appointed to conduct a hearing. If the panel determines that the preponderance of the evidence shows a violation has occurred, it shall issue an order, which shall be appealable to the Court of Appeals within thirty (30) days after the date of the order, to the violator to comply with any one (1) or more of the following requirements:

(a) To cease and desist violation of this law;

(b) To file any reports or other documents or information required by this law;

(c) To pay a penalty not to exceed one hundred dollars ($100) a day, up to a maximum total fine of five thousand dollars ($5,000), for failure to file any report, payment of an administrative fee, or other document or information required by law until the report, fee payment, document, or information is filed; except that there shall be no maximum total fine for candidates for statewide office; or

(d) To pay a penalty not to exceed five thousand dollars ($5,000) per violation for acts of noncompliance with provisions contained within this chapter. An appeal of an order of the panel shall be advanced on the docket to permit a timely decision.

(5) If the registry concludes that there is probable cause to believe that the campaign finance law has been violated knowingly, it shall refer the violation to the Attorney General ***or the appropriate Commonwealth's or county attorney*** for prosecution. The Attorney General may request the registry's attorney or the appropriate county or Commonwealth's attorney to prosecute the matter and may request from the registry all evidence collected in its investigation. In the event the Attorney General or the appropriate local prosecutor fails to prosecute in a timely fashion, the registry may petition the Circuit Court to appoint the registry's attorney to prosecute, and upon a motion timely filed, for good cause shown, the court shall enter an order to that effect. Prosecutions involving campaign finance law violations, in which the reports are required to be filed in Frankfort, may be conducted in Franklin Circuit Court or in the Circuit Court for the county in which the contribution or expenditure constituting a campaign finance violation was solicited, made, or accepted. The prosecution of a person who unlawfully solicits, makes, or accepts a contribution or expenditure through the use of the mail may be conducted in the Circuit Court for the county in which the solicitation is mailed, the county in which the contribution is mailed or received, or the county in which the expenditure is mailed.

(6) Any person directly involved or affected by an action of the registry or the panel which is final, other than of a determination to refer a violation to the Attorney General ***or appropriate Commonwealth's or county attorney*** for prosecution, may seek judicial review of the action within thirty (30) days after the date of the action.

(7) If judicial review is sought of any action of the registry or the panel relating to a pending election, the matter shall be advanced on the docket of the court. The court may take any steps authorized by law to accelerate its procedures so as to permit a timely decision.

Section 8. KRS 121.150 is amended to read as follows:

(1) No contribution of money or other thing of value, nor obligation therefor, shall be made or received, and no expenditure of money or other thing of value shall be made or incurred, directly or indirectly, other than an "independent expenditure," to support inauguration activities or to support or defeat a candidate, slate of candidates, constitutional amendment, or public question which will appear on the ballot in an election, except through the duly appointed campaign manager, or campaign treasurer of the candidate, slate of candidates, or registered committee. As used in this section, "independent expenditure" means one made for a communication which expressly advocates the election or defeat of a clearly identified candidate or slate of candidates, or the passage or defeat of a constitutional amendment or public question which will appear on the ballot and which is not made with any direct or indirect cooperation, consent, request, suggestion, or consultation involving a candidate, slate of candidates, campaign committee, political issues committee, or agent. ***No candidate, slate of candidates, campaign committee, political issues committee, nor anyone acting on their behalf shall have any communication with another person nor anyone on his behalf regarding that person's making of an independent expenditure on behalf of the candidate, slate, or committee prior to the time the independent expenditure is made.*** Any person making an "independent expenditure," as defined in this subsection, shall report these expenditures when the expenditures exceed five hundred dollars ($500) in the aggregate in any one (1) election, on ***a form*** [~~forms~~] provided by the registry ***and shall sign a statement on the form, under penalty of perjury, that the expenditure was an actual independent expenditure and that there was no prior communication with the campaign on whose behalf it was made***.

(2) Except as provided in KRS 121.180(10), the solicitation from and contributions by candidates, slates of candidates, campaign committees, political issues committees, permanent committees, and party executive committees to any religious, charitable, civic, eleemosynary, or other causes or organizations established primarily for the public good is expressly prohibited; except that it shall not be construed as a violation of this section for a candidate or slate of candidates to continue regular personal contributions to religious, civic, or charitable groups.

(3) No candidate, slate of candidates, committee, or contributing organization, nor anyone acting on their behalf, shall accept any anonymous contribution in excess of fifty dollars ($50), and all anonymous contributions in excess of fifty dollars ($50) shall be returned to the donor, if the donor can be determined. If no donor is found, the contribution shall escheat to the state and be transferred to the election campaign fund established by KRS 121A.020. No candidate, slate of candidates, committee, or contributing organization, nor anyone acting on their behalf shall accept anonymous contributions in excess of one thousand dollars ($1,000) in the aggregate in any one (1) election. Anonymous contributions in excess of one thousand dollars ($1,000) in the aggregate which are received in any one (1) election shall escheat to the state and be transferred to the election campaign fund established by KRS 121A.020.

(4) No candidate, committee, or contributing organization, nor anyone on their behalf, shall accept a cash contribution in excess of fifty dollars ($50) ***in the aggregate from each contributor in any one (1) election. No candidate, committee, or contributing organization, nor anyone on their behalf, shall accept a cashier's check or money order in excess of the maximum cash contribution limit unless the instrument clearly identifies both the payor and the payee. A contribution made by cashier's check or money order which identifies both the payor and payee shall be treated as a contribution made by check for purposes of the contribution limits contained in this section. No person shall make a cash contribution in excess of fifty dollars ($50) in the aggregate in any one (1) election to a candidate, committee, or contributing organization, nor anyone on their behalf.***

(5) No candidate, slate of candidates, committee, contributing organization, nor anyone on their behalf, shall accept any contribution in excess of one hundred dollars ($100) from any person who shall not become eighteen (18) years of age on

or before the day of the next general election.

(6) No candidate, campaign committee, political issues committee, nor anyone acting on their behalf, shall accept a contribution of more than five hundred dollars ($500) from any person, permanent committee, or contributing organization in any one (1) election; except that no candidate for school board, his campaign committee, nor anyone acting on their behalf shall accept a contribution of more than one hundred dollars ($100) from any person or more than two hundred dollars ($200) from any permanent committee or contributing organization in any one (1) election. No person, permanent committee, or contributing organization shall contribute more than five hundred dollars ($500) to any one (1) candidate, campaign committee, political issues committee, nor anyone acting on their behalf, in any one (1) election; except that no person shall contribute more than one hundred dollars ($100) and no permanent committee or contributing organization shall contribute more than two hundred dollars ($200) to any one (1) school board candidate, his campaign committee, nor anyone acting on their behalf, in any one (1) election. Limits on contributions for slates of candidates for Governor and Lieutenant Governor which may be made or received in any one (1) election shall be governed by the provisions of KRS 121A.050.

(7) Permanent committees or contributing organizations affiliated by bylaw structure or by registration, as determined by the Registry of Election Finance, shall be considered as one (1) committee for purposes of applying the contribution limits of subsection (6) of this section.

(8) No permanent committee shall contribute funds to another permanent committee for the purpose of circumventing contribution limits of subsection (6) of this section.

(9) No person shall contribute funds to a permanent committee, political issues committee, or contributing organization for the purpose of circumventing the contribution limits of subsection (6) of this section.

(10) No person shall contribute more than one thousand five hundred dollars ($1,500) to all permanent committees and contributing organizations in any one (1) year.

(11) No person shall contribute more than two thousand five hundred dollars ($2,500) to the state executive committee of a political party and its subdivisions and affiliates in any one (1) year. Contributions a person makes to a political party in excess of one thousand dollars ($1,000) in any one (1) year shall be deposited in a separate account which the state executive committee maintains for the exclusive purpose of paying administrative costs incurred by the political party.

(12) No person shall make a payment, distribution, loan, advance, deposit, or gift of money to another person to contribute to a candidate, committee, contributing organization, or anyone on their behalf. No candidate, committee, contributing organization, nor anyone on their behalf shall accept a contribution made by one (1) person who has received a payment, distribution, loan, advance, deposit or gift of money from another person to contribute to a candidate, committee, contributing organization, or anyone on their behalf.

(13) No candidates running as a slate for the offices of Governor and Lieutenant Governor shall make combined total personal loans to their committee in excess of fifty thousand dollars ($50,000) in any one (1) election. No candidate for any other statewide elected state office shall lend to his committee any amount in excess of twenty-five thousand dollars ($25,000) in any one (1) election. In campaigning for all other offices, no candidate shall lend to his committee more than ten thousand dollars ($10,000) in any one (1) election.

(14) No candidate or slate of candidates for nomination to any state, county, city, or district office, nor their campaign committees, nor anyone on their behalf, shall solicit or accept contributions for primary election expenses after the date of the primary. No person other than the candidate or slate of candidates shall contribute for primary election expenses after the date of the primary.

(15) No slate of candidates for nomination for election to the offices of Governor and Lieutenant Governor, nor its campaign committees, nor anyone on their behalf, shall solicit or accept contributions for runoff primary election expenses after the date of the runoff primary. No person other than the slated candidates shall contribute for runoff primary election expenses after the date of the runoff primary.

(16) No candidate or slate of candidates for any state, county, city, or district office at a regular election, nor their campaign committees, nor anyone on their behalf, shall solicit or accept contributions for regular election expenses after the date of the regular election. No person other than the candidate or slate of candidates shall contribute for regular election expenses after the date of the regular election.

(17) No candidate or slate of candidates for nomination or election to any state, county, city, or district office, nor their campaign committees, nor anyone on their behalf, shall solicit or accept contributions for special election expenses after the date of the special election. No person other than the candidate or slate of candidates shall contribute for special election expenses after the date of the special election.

(18) Nothing in subsections (14) to (17) of this section shall be deemed to prohibit a slate of candidates from receiving transfers from the election campaign fund established by KRS 121A.020 for which it is eligible for matches of qualifying contributions received prior to the date of the election but for which no transfer from the fund had been made prior to the date of the election.

(19) The provisions of subsections (14) and (16) of this section shall apply only to those candidates in a primary or regular election which shall be conducted subsequent to January 1, 1989. The provisions of subsections (15) and (17) of this

section shall apply only to those candidates or slates of candidates in a runoff primary or special election which shall be conducted subsequent to January 1, 1993.

(20) No slate of candidates for Governor and Lieutenant Governor or their immediate families shall loan any money, service, or other thing of value to their campaign, and all moneys, services, or other things of value which are loaned shall be deemed a contribution, which may not be recovered by the slate of candidates, except to the extent of a combined total of fifty thousand dollars ($50,000).

(21) No candidate, slate of candidates, committee, except a political issues committee, or contributing organization, nor anyone on their behalf, shall knowingly accept a contribution from a corporation, directly or indirectly.

(22) Nothing in this section shall be construed to restrict the ability of a corporation to administer its permanent committee insofar as its actions can be deemed not to influence an election as prohibited by KRS 121.025.

(23) In addition to the prohibitions set forth in this section, no slate of candidates shall accept any contribution during the thirty (30) days immediately preceding a primary or regular election except as provided in KRS 121A.030(5).

(24) No candidate, slate of candidates, or committee, nor anyone on their behalf, shall solicit a contribution of money or services from a state employee, whether or not the employee is covered by the classified service provisions of KRS Chapter 18A. However, it shall not be a violation of this subsection for a state employee to receive a solicitation directed to him as a registered voter in an identified precinct as part of an overall plan to contact voters not identified as state employees.

(25) A candidate for elective public office, except slates of candidates for Governor and Lieutenant Governor, shall not accept contributions from permanent committees which, in the aggregate, exceed thirty-five percent (35%) of the total contributions accepted by the candidate in any one (1) election cycle or five thousand dollars ($5,000) in any one (1) election cycle, whichever is the greater amount. For the purposes of this subsection, "election cycle" means the period between regular elections for the office a candidate seeks. The percentage of the total contributions or dollar amounts of contributions accepted by a candidate in an election cycle that is accepted from permanent committees shall be calculated as of the regular election day that ends the election cycle. Funds in a candidate's campaign account which are carried forward from one (1) election cycle to another shall not be considered in calculating the acceptable percentage or dollar amount of contributions which may be accepted from permanent committees for the election cycle for which the funds are carried forward. A candidate may, without penalty, contribute funds to his campaign account not later than twenty (20) days following the election cycle so as not to exceed the permitted percentage or dollar amount of contributions which may be accepted from permanent committees or the candidate may, not later than twenty (20) days after the end of the election cycle, refund any excess permanent committee contributions on a pro rata basis to the permanent committees whose contributions are accepted after the aggregate limit has been reached.

(26) No candidate or slate of candidates for any office in this state shall accept a contribution, including an in-kind contribution, which is made from funds in a federal campaign account. No person shall make a contribution, including an in-kind contribution, from funds in a federal campaign account to any candidate or slate of candidates for any office in this state.

Section 10. KRS 121.170 is amended to read as follows:

(1) Any committee***, except a federally-registered out-of-state permanent committee,*** organized under any provisions of this chapter shall register with the registry, by filing official notice of intention at the time of organization, giving names, addresses, and positions of the officers of the organization and designating the candidate or candidates, slate of candidates, or question it is organized to support or oppose on forms prescribed by the registry***; except that no campaign committee for a slate of candidates for Governor and Lieutenant Governor shall be registered prior to the filing of a joint notification and declaration by the slate of candidates pursuant to KRS 118.125 and 118.127***. The name of the committee shall reasonably identify to the public the sponsorship and purpose of the committee. The forms filed with the registry shall require the registrant to clearly identify the specific purpose, sponsorship, and source from which the committee originates; and the registry shall refuse to allow filing by any committee until this requirement has been satisfied.

(1) No county may contract an indebtedness which, together with all other indebtedness of the county, is in excess of one-half of one percent (0.5%) of the value of the taxable property therein, as determined by the next preceding complete assessment, and issue valid bonds therefor, without having first secured the written approval of the state local ***debt*** [~~finance~~] officer. Any other bonds to be issued or reissued by any county may be submitted for approval as hereinafter provided. When the fiscal court of any county has petitioned the state local ***debt*** [~~finance~~] officer under KRS 66.320 for assistance in formulating a plan for reorganizing its debt structure, or has received the approval of any issue or reissue of county bonds voluntarily as provided in this section, all bonds thereafter issued or reissued by the county must be approved as provided in this section.

(2) Without the approval of the state local ***debt*** [~~finance~~] officer a county may not lease, as lessee, a building or public facility that has been or is to be financed at the county's request or on its behalf through the issuance of bonds by another public body or by a nonprofit corporation serving as an agency and instrumentality of the county for that purpose, unless ***the*** [~~such~~] bonds, if issued by the county itself as its own general obligations, would be exempt under the provisions of subsection (1). (3) The state local ***debt*** [~~finance~~] officer shall hold a hearing for the purpose of determining whether any issue or reissue of bonds submitted to him for approval should be approved or disapproved. The state local ***debt*** [~~finance~~] officer shall withhold his approval if he believes the financial condition and prospects of the county do not warrant a reasonable expectation that interest and principal maturities can be met when due without seriously restricting other expenditures of the county; if, in his discretion, the issue or reissue of bonds will not serve the best interests of both the county issuing ***the bonds*** [~~same~~] and a majority of its creditors; or if it appears that the bonds or the issuance thereof will be invalid. If the state local ***debt*** [~~finance~~] officer is petitioned by any county to approve the issuance of bonds to refund outstanding county bonds, and if the state local ***debt*** [~~finance~~] officer is unable to find that the bonds sought to be refunded were in their entirety validly issued, he shall nevertheless find that bonds may be issued validly for the purpose of refunding the bonds, in equivalent or lesser par principal amount, provided that the interest rate to be borne by the refunding bonds shall be ***sufficient*** [~~such as~~] to make possible their liquidation within their life at no greater average annual cost to the county than would be required to liquidate, within the same number of years, the portion of the outstanding indebtedness found to be valid at the interest rate borne by it before refunding.

(4) The state local ***debt*** [~~finance~~] officer shall give at least two (2) weeks' notice of the hearing [~~herein above~~] required ***by subsection (2) or (3) of this section*** to the county judge/executive of the county proposing to issue [~~such~~] bonds, and the county judge/executive shall cause a copy of ***that*** [~~said~~] notice to be published pursuant to KRS Chapter 424. In the case of bonds ***having a principal amount in excess of ten million dollars ($10,000,000),*** proposed to be issued for the purpose of refunding currently outstanding bonds, the state local ***debt*** [~~finance~~] officer shall, in addition, cause a notice of the hearing to be published pursuant to KRS Chapter 424, and at least ten (10) days, exclusive of Sundays and holidays, prior to the date set for the hearing, in a financial newspaper or periodical having general circulation among bondholders and bond dealers, and ***the*** [~~said~~] notice shall be paid for by the Finance and Administration Cabinet out of its appropriation. Any party having a material interest shall have an opportunity to be heard and to present evidence. The state local ***debt*** [~~finance~~] officer shall make a record of the proceedings of ***the*** [~~such~~] hearing and shall prepare a written decision approving or disapproving the issuance of the proposed bonds. Any interested party or taxpayer may within fifteen (15) days, exclusive of Sundays and holidays, appeal to the commission from the decision of the state local ***debt*** [~~finance~~] officer. The commission, upon the basis of the record prepared by the state local ***debt*** [~~finance~~] officer, and of any additional evidence which may be introduced, shall pass upon the decision of the state local ***debt*** [~~finance~~] officer.

(5) Within thirty (30) days, exclusive of Sundays and holidays, after a decision by the commission, any interested party or taxpayer of the county, upon filing bond for costs, may appeal to the Franklin Circuit Court or, in the case only of bonds proposed to be issued for the purpose of funding floating indebtedness, to either the Franklin Circuit Court or to the Circuit Court of the county proposing to issue ***those*** [~~said~~] bonds. Appeal shall be taken by filing with the clerk of the court a copy of the record of the proceedings and decision of the state local ***debt*** [~~finance~~] officer and the decision of the commission. The commission, the fiscal court, the taxpayers of the county, and, in the case of funding or refunding bonds, the creditors whose claims or bonds are proposed to be funded or refunded, shall be made parties to the appeal. Summons shall be served and class representatives designated as provided in the Rules of Civil Procedure. To facilitate adjudication, the state local ***debt*** [~~finance~~] officer ***shall*** [~~is hereby required~~], on payment of a reasonable fee therefor to be fixed by the state local ***debt*** [~~finance~~] officer, [~~to~~] supply a certified copy of ***the*** [~~such~~] records to any party. The case shall be advanced on the docket of the Circuit Court and shall be heard and decided as in the case of a declaratory judgment, except that all findings of fact of the state local ***debt*** [~~finance~~] officer and of the commission shall be final if supported by

any substantial evidence***;***[~~, provided,~~] however, ***if only*** [~~that in the case only where~~] the question of the validity of the indebtedness proposed to be funded or refunded is in issue, additional evidence relating to the validity of ***the*** [~~such~~] indebtedness may be presented.

(6) An appeal may be taken from the Circuit Court to the Court of Appeals in the manner provided in the Rules of Civil Procedure.

(7) ***If*** [~~In case~~] no appeal is taken from the approval of a bond issue by the state local ***debt*** [~~finance~~] officer or the commission as provided in this section, ***the*** [~~said~~] decision as to the legality of ***the*** [~~such~~] bonds shall be res adjudicata in any subsequent case or cases raising ***the*** [~~such~~] question of ***their*** legality. When bonds are approved as provided in this section, they shall not be required to be approved as provided in KRS 66.210 and 66.220.

(8) Record of the approval of bonds as provided in this section shall be made in the minutes of the next meeting of the fiscal court of the county issuing the bonds so approved, and copies of all decisions of the state local ***debt*** [~~finance~~] officer and of the commission shall be filed with the Secretary of State.

Section 23. KRS 66.320 is amended to read as follows:

Any county, upon petition of its fiscal court, is entitled as a matter of right to the assistance of the state local ***debt*** [~~finance~~] officer in formulating a plan for reorganizing its debt structure. When any county is in default on the principal or interest of any indebtedness, or gives evidence of becoming unable to meet principal or interest maturities on any funded indebtedness within a reasonable time, or has an indebtedness which might, with advantage to the county, be funded or refunded, the state local ***debt*** [~~finance~~] officer may investigate the debt situation and credit standing of the county and negotiate with officials and creditors of the county for the purpose of formulating a plan for issuing or reissuing bonds.

Section 24. KRS 66.330 is amended to read as follows:

(1) The order of the fiscal court of any county providing for the issue or reissue and sale of any bonds shall specify: (a) the maximum amount to be issued, (b) the denominations in which the bonds shall be issued, (c) the maximum interest rate to be paid on the bonds, (d) the term of the bonds (if serial, a fully detailed principal maturity schedule shall be shown), and ***any*** [~~such~~] other information [~~as~~] the commission may***,*** by regulation***,*** require. (2) All county bonds offered for sale shall be advertised for sealed competitive bids by publication pursuant to KRS Chapter 424, and shall be sold by the fiscal court to the bidder at ***the*** [~~such~~] sale offering the price and interest rate most advantageous to the county. Nothing herein shall prohibit a county from exchanging reissues of bonds by private arrangements with the bondholders, subject to the approval of the state local ***debt*** [~~finance~~] officer, but ***any*** [~~such~~] bonds received at exchange ***shall*** [~~must~~] be taken in at par value or less.

(3) The costs of advertising, printing, and any other necessary expenses incident to the issue and sale of county bonds, excepting and excluding those incurred by the state local ***debt*** [~~finance~~] officer or any member of his staff and the commission, shall be borne by the county issuing the bonds, and may be deducted from any premium received on the sale of the bonds.

The state local ***debt*** [~~finance~~] officer, subject to the approval of the commission, may use as much of the revolving fund as is needed for the purchase of approved county road and bridge bonds, or for loans to counties for the redemption of matured road and bridge bonds if the county has ordered the issuance of refunding bonds approved by the state local ***debt*** [~~finance~~] officer. The commission shall disapprove the loan or purchase if, in its opinion, the method by which the revolving fund is to be reimbursed does not protect the fund from all losses, or if funds are not available for the loan or purchase, or if, in its opinion, the purchase or loan is for any other reason not for the best interest of the state and of the county issuing the bonds.

(2) Receipts from bonds sold by the fiscal court for the purpose of reimbursing the revolving fund for money borrowed from it to redeem matured bonds, and receipts from bonds sold by the state local ***debt*** [~~finance~~] officer, shall be paid to the state local ***debt*** [~~finance~~] officer for deposit with the state treasurer in the revolving fund. When the fiscal court of any county has petitioned the state local ***debt*** [~~finance~~] officer under KRS 66.320 for assistance in formulating a plan for reorganizing its debt structure, or has received the approval of any issue or reissue of county bonds voluntarily as provided in this section, all bonds thereafter issued or reissued by the county must be approved as provided in this section.

(2) Without the approval of the state local ***debt*** [~~finance~~] officer a county may not lease, as lessee, a building or public facility that has been or is to be financed at the county's request or on its behalf through the issuance of bonds by another public body or by a nonprofit corporation serving as an agency and instrumentality of the county for that purpose, unless ***the*** [~~such~~] bonds***,*** if issued by the county itself as its own general obligations, would be exempt under the provisions of subsection (1). (3) The state local ***debt*** [~~finance~~] officer shall hold a hearing for the purpose of determining whether any issue or reissue of bonds submitted to him for approval should be approved or disapproved. The state local ***debt*** [~~finance~~] officer shall withhold his approval if he believes the financial condition and prospects of the county do not warrant a reasonable expectation that interest and principal maturities can be met when due without seriously restricting other expenditures of the county; if, in his discretion, the issue or reissue of bonds will not serve the best interests of both the county issuing ***the bonds*** [~~same~~] and a majority of its creditors; or if it appears that the bonds or the issuance thereof will be invalid. If the state local ***debt*** [~~finance~~] officer is petitioned by any county to approve the issuance of bonds to refund outstanding county bonds, and if the state local ***debt*** [~~finance~~] officer is unable to find that the bonds sought to be refunded were in their entirety validly issued, he shall nevertheless find that bonds may be issued validly for the purpose of refunding the bonds, in equivalent or lesser par principal amount, provided that the interest rate to be borne by the refunding bonds shall be ***sufficient*** [~~such as~~] to make possible their liquidation within their life at no greater average annual cost to the county than would be required to liquidate, within the same number of years, the portion of the outstanding indebtedness found to be valid at the interest rate borne by it before refunding.

(4) The state local ***debt*** [~~finance~~] officer shall give at least two (2) weeks' notice of the hearing [~~herein above~~] required ***by subsection (2) or (3) of this section*** to the county judge/executive of the county proposing to issue [~~such~~] bonds, and the county judge/executive shall cause a copy of ***that*** [~~said~~] notice to be published pursuant to KRS Chapter 424. the hearing to be published pursuant to KRS Chapter 424***,*** and at least ten (10) days, exclusive of Sundays and holidays, prior to the date set for the hearing***,*** in a financial newspaper or periodical having general circulation among bondholders and bond dealers***,*** and ***the*** [~~said~~] notice shall be paid for by the Finance and Administration Cabinet out of its appropriation. Any party having a material interest shall have an opportunity to be heard and to present evidence. The state local ***debt*** [~~finance~~] officer shall make a record of the proceedings of ***the*** [~~such~~] hearing and shall prepare a written decision approving or disapproving the issuance of the proposed bonds. Any interested party or taxpayer may within fifteen (15) days, exclusive of Sundays and holidays, appeal to the commission from the decision of the state local ***debt*** [~~finance~~] officer. The commission, upon the basis of the record prepared by the state local ***debt*** [~~finance~~] officer, and of any additional evidence which may be introduced, shall pass upon the decision of the state local ***debt*** [~~finance~~] officer.

(5) Within thirty (30) days, exclusive of Sundays and holidays, after a decision by the commission***,*** any interested party or taxpayer of the county, upon filing bond for costs, may appeal to the Franklin Circuit Court or, in the case only of bonds proposed to be issued for the purpose of funding floating indebtedness, to either the Franklin Circuit Court or to the Circuit Court of the county proposing to issue ***those*** [~~said~~] bonds. Appeal shall be taken by filing with the clerk of the court a copy of the record of the proceedings and decision of the state local ***debt*** [~~finance~~] officer and the decision of the commission. The commission, the fiscal court, the taxpayers of the county, and, in the case of funding or refunding bonds, the creditors whose claims or bonds are proposed to be funded or refunded, shall be made parties to the appeal. Summons shall be served and class representatives designated as provided in the Rules of Civil Procedure. To facilitate adjudication***,*** the state local ***debt*** [~~finance~~] officer ***shall*** [~~is hereby required~~], on payment of a reasonable fee therefor to be fixed by the state local ***debt*** [~~finance~~] officer, [~~to~~] supply a certified copy of ***the*** [~~such~~] records to any party. The case shall be advanced on the docket of the Circuit Court and shall be heard and decided as in the case of a declaratory judgment, except that all findings of fact of the state local ***debt*** [~~finance~~] officer and of the commission shall be final if supported by any substantial evidence***;***[~~, provided,~~] however, ***if only*** [~~that in the case only where~~] the question of the validity of the indebtedness proposed to be funded or refunded is in issue, additional evidence relating to the validity of ***the*** [~~such~~] indebtedness may be presented.

(6) An appeal may be taken from the Circuit Court to the Court of Appeals in the manner provided in the Rules of Civil Procedure.

(7) ***If*** [~~In case~~] no appeal is taken from the approval of a bond issue by the state local ***debt*** [~~finance~~] officer or the commission as provided in this section, ***the*** [~~said~~] decision as to the legality of ***the*** [~~such~~] bonds shall be res adjudicata in any subsequent case or cases raising ***the*** [~~such~~] question of ***their*** legality. When bonds are approved as provided in this section, they shall not be required to be approved as provided in KRS 66.210 and 66.220.

(8) Record of the approval of bonds as provided in this section shall be made in the minutes of the next meeting of the fiscal court of the county issuing the bonds so approved, and copies of all decisions of the state local ***debt*** [~~finance~~] officer and of the commission shall be filed with the Secretary of State.

Section 30. KRS 66.320 is amended to read as follows:

Any county, upon petition of its fiscal court, is entitled as a matter of right to the assistance of the state local ***debt*** [~~finance~~] officer in formulating a plan for reorganizing its debt structure. When any county is in default on the principal or interest of any indebtedness, or gives evidence of becoming unable to meet principal or interest maturities on any funded indebtedness within a reasonable time, or has an indebtedness which might, with advantage to the county, be funded or refunded, the state local ***debt*** [~~finance~~] officer may investigate the debt situation and credit standing of the county and negotiate with officials and creditors of the county for the purpose of formulating a plan for issuing or reissuing bonds.

Section 31. KRS 66.330 is amended to read as follows:

(2) All county bonds offered for sale shall be advertised for sealed competitive bids by publication pursuant to KRS Chapter 424, and shall be sold by the fiscal court to the bidder at ***the*** [~~such~~] sale offering the price and interest rate most advantageous to the county. Nothing herein shall prohibit a county from exchanging reissues of bonds by private arrangements with the bondholders, subject to the approval of the state local ***debt*** [~~finance~~] officer, but ***any*** [~~such~~] bonds received at exchange ***shall*** [~~must~~] be taken in at par value or less.

(3) The costs of advertising, printing, and any other necessary expenses incident to the issue and sale of county bonds, excepting and excluding those incurred by the state local ***debt*** [~~finance~~] officer or any member of his staff and the commission, shall be borne by the county issuing the bonds, and may be deducted from any premium received on the sale of the bonds.

The state local ***debt*** [~~finance~~] officer, subject to the approval of the commission, may use as much of the revolving fund as is needed for the purchase of approved county road and bridge bonds, or for loans to counties for the redemption of matured road and bridge bonds if the county has ordered the issuance of refunding bonds approved by the state local ***debt*** [~~finance~~] officer. The commission shall disapprove the loan or purchase if, in its opinion, the method by which the revolving fund is to be reimbursed does not protect the fund from all losses, or if funds are not available for the loan or purchase, or if, in its opinion, the purchase or loan is for any other reason not for the best interest of the state and of the county issuing the bonds.

(2) Receipts from bonds sold by the fiscal court for the purpose of reimbursing the revolving fund for money borrowed from it to redeem matured bonds, and receipts from bonds sold by the state local ***debt*** [~~finance~~] officer, shall be paid to the state local ***debt*** [~~finance~~] officer for deposit with the state treasurer in the revolving fund. Such statements shall be provided to taxpayers with the initial notice of audit; each original notice of tax due; each denial or reduction of a refund or credit claimed by a taxpayer; each denial, cancellation, or revocation of any license, permit, or other required authorization applied for or held by a taxpayer; and, if practical and appropriate, in informational publications by the cabinet distributed to the public.

The cabinet may make similar audio recordings only if prior written notice is given to the taxpayer. The taxpayer shall be entitled to a copy of such cabinet recording or a transcript thereof as provided in KRS 61.874.

(6) If any taxpayer's failure to submit a timely return or payment to the cabinet is due to the taxpayer's reasonable reliance on written advice from the cabinet, the taxpayer shall be relieved of any penalty or interest with respect thereto provided the taxpayer requested such advice in writing from the cabinet and the specific facts and circumstances of the activity or transaction were fully described in the taxpayer's request, the cabinet did not subsequently rescind or modify the advice in writing and there were no subsequent changes in applicable laws or regulations or a final decision of a court which rendered the cabinet's earlier written advice no longer valid.

The cabinet may modify or terminate an installment payment agreement if it determines the taxpayer has not complied with the terms of the agreement; the taxpayers' financial condition has sufficiently changed; the taxpayer fails to provide any requested financial condition update information; the taxpayer gave false or misleading information in securing the agreement; or the taxpayer fails to timely report and pay any other tax due the Commonwealth. (11) In addition to the circumstances under which an extension of time for filing reports or returns may be granted pursuant to KRS 131.170, taxpayers shall be entitled to the same extension of the due date of any comparable Kentucky tax report or return for which the taxpayer has secured a written extension from the Internal Revenue Service provided the taxpayer notifies the cabinet thereof in writing and provides a copy of such extension at the time and in the manner which the cabinet may require.

(12) The cabinet shall bear the cost or, if paid by the taxpayer, reimburse the taxpayer for recording or bank charges as the direct result of any erroneous lien or levy by the cabinet, provided the erroneous lien or levy was caused by cabinet error and, prior to issuance of the erroneous lien or levy, the taxpayer timely responded to all contacts by the cabinet and provided information or documentation sufficient to establish his or her position. When the cabinet releases any such erroneous lien or levy, notice of the fact shall be mailed to the taxpayer and, if requested by the taxpayer, a copy of the release, together with an explanation thereof, shall be mailed to the major credit reporting companies located in the county where it was filed.

In the awarding of damages pursuant to this subsection, the board shall take into consideration the negligence or omissions, if any, on the part of the taxpayer which contributed to the damages. If any such proceeding brought by a taxpayer is ruled frivolous by the board, the cabinet shall be reimbursed by the taxpayer for its costs in defending the action.

(15) Taxpayers shall have the right to privacy with regard to the information provided on their Kentucky tax returns and reports, including any information or documents attached thereto. Except as provided by KRS 131.190, no information pertaining to such returns, reports, or the affairs of a person's business shall be divulged by the cabinet ***or the Finance and Administration Cabinet's Office of Financial Management and Economic Analysis*** to any person.

SCR 74, A CONCURRENT RESOLUTION to create a commission to study poverty in the Commonwealth.

WHEREAS, according to the 1990 Census, 19% of Kentucky's population lives in poverty; and

WHEREAS, in 1970 the state poverty rate was 22.9%, and in 1980 it was 17.6%; and

WHEREAS, these numbers, which are relatively stable over a 30 year period, reflect the continuing inability to develop programs which actually reduce the incidence of poverty in the state; and

WHEREAS, the poverty rate is the highest in the counties of Eastern Kentucky, while the greatest number of those living in poverty are located in the urban areas, indicating that there may need to be a variety of strategies to effectively address the problem;

NOW, THEREFORE,

Be it resolved by the Senate of the General Assembly of the Commonwealth of Kentucky, the House of Representatives concurring therein:

Section 1. The Legislative Research Commission shall appoint a Commission on Poverty.

Section 2. The Commission on Poverty shall be composed of the following nineteen (19) members:

Section 3. The Commission on Poverty shall:

(1) Develop a thorough description of the characteristics of Kentucky's poor;

(2) Investigate the particular causes of poverty in various areas of the state and among various categories of the poor;

(3) For the purposes of this study, focus its attention on the causes of poverty rather than on its effects, except as those effects contribute to a cycle of poverty;

(4) Evaluate the ability of existing poverty and development programs to mitigate the causes of poverty in the identified areas and among the identified categories of the poor; and

(5) Recommend improvements in any state programs which could mitigate the causes of poverty with an aim toward making them more integrated with each other and more responsive to local conditions.

Section 4. The co-chairs of the Commission on Poverty shall be appointed by the Legislative Research Commission from among the legislative members of that commission.

Section 5. The Commission on Poverty shall submit its findings and recommendations to the Legislative Research Commission by August 31, 1995.

With the exception of university faculty members, all members who elect to purchase this service shall pay to the retirement system an amount equal to the current member contribution rate based on the first Kentucky salary of the member subsequent to the out-of-state service, provided this service was rendered after January 1, 1984. In the event this service was rendered prior to January 1, 1984, the contribution rate shall be seven and eighty-four hundredths percent (7.84%). The payments shall not be picked up as described in KRS 161.540(2). This service when added to service credited under subsection (2)(a) of this section shall not exceed a total of ten (10) years' service credit; and

(c) A member having service referred to in subsection (2)(a) or (2) (b) of this section may elect to use this service for meeting the requirements of KRS 161.600(1) (c) by making an additional contribution to the state accumulation fund equal to a member contribution rate of eight percent (8%) for each year so used. These payments shall not be picked up as described in KRS 161.540(2). The salary base to be used in determining this additional contribution shall be the final average salary which is used in calculating the member's regular retirement annuity.

(3) Members entering the Teachers' Retirement System for the first time, July 1, 1976, and after this date, shall not receive credit for service defined in subsections (2)(a) and (2)(c) of this section in excess of one (1) year of credit for each two (2) years of Kentucky service in a covered position or ten (10) years, whichever is the lesser number.

(4) A member, having completed service as a volunteer in the Kentucky Peace Corps created by KRS 154.01-720, may purchase service credit for the time served in the corps on the same basis as provided in this section for the purchase of out-of-state service credit. ***A member, having completed service as a federal Peace Corps volunteer, may purchase up to two (2) years of service credit for time served in the Peace Corps on the same basis as provided in this section for the purchase of out-of-state service credit.***

~~(2)~~] Any member with at least five (5) years of service credit may retire at his normal retirement date, or subsequent thereto, upon written notification to the system, setting forth at what time the retirement is to become effective, if the effective date shall be after his last day of service and subsequent to the filing of the notice at the retirement office.

(2)[~~(3)~~] The member shall have the right to elect to have his retirement allowance payable under subsection (4), (5), or (7) of this section or any one (1) of the plans set forth in KRS 61.635.

(3)[~~(4)~~] Effective August 1, 1990, a member of the Kentucky State Police Retirement System may elect to receive an annual retirement allowance, payable monthly during his lifetime, equal to two and five-tenths percent (2.5%) of final compensation for each year of service credit. Effective August 1, 1988, a member of the County Employees Retirement System covered by this section may elect to receive an annual retirement allowance, payable monthly during his lifetime, equal to two and five-tenths percent (2.5%) of final compensation for each year of service credit. Effective August 1, 1988, a member of the Kentucky Employees Retirement System covered by this section may elect to receive an annual retirement allowance, payable monthly during his lifetime, equal to two and forty-nine hundredths percent (2.49%) of final compensation for each year of service credit. The annual retirement allowance for a member covered by this section shall not exceed the maximum benefit as set forth in the Internal Revenue Code.

(4)[~~(5)~~] The member may elect to receive a monthly retirement allowance payable for ten (10) years certain, actuarially equivalent to the retirement allowance payable under subsection (4) of this section. If the member should become deceased prior to the expiration of ten (10) years, his beneficiary shall receive the remaining payments monthly for the duration of the ten (10) years. The provisions of KRS 61.702 notwithstanding, the member who retired on June 17, 1978, or thereafter, and his spouse and dependents or beneficiary shall continue to receive the insurance benefits to which they are entitled pursuant to KRS 61.702 after the expiration of ten (10) years. Effective with any insurance contract procured, or self-insurance plan instituted, after July 15, 1990, a member who retired prior to June 17, 1978, and his spouse and dependents or beneficiary shall receive insurance benefits pursuant to KRS 61.702 upon payment by the member or beneficiary of the entire cost of the required insurance premium.

(5)[~~(6)~~] Notwithstanding any other provisions of this section, upon written notification to the system, a member shall have the option to defer his election to receive his retirement allowance. The retirement allowance payable under a deferred option shall be increased to reflect the deferred receipt of benefits.

(6)[~~(7)~~] In lieu of any other benefits due under KRS 16.505 to 16.652, a member who has attained age fifty-five (55) may elect to receive an annual retirement allowance, payable monthly or less frequently as determined by the board, which shall be determined by multiplying his accumulated contributions by two (2) and converting this amount to an annual retirement allowance based on an annuity rate adopted by the board which would pay the actuarial equivalent of twice his accumulated contributions over the lifetime of the retired member.

Section 5. KRS 16.596 is amended to read as follows:

Once each year following the retirement of a member on a disability retirement allowance, the system may require the member, prior to his normal retirement date, to undergo a medical examination *and financial review*. If the member refuses to submit to the medical examination, his retirement allowance shall be discontinued until his withdrawal of refusal, and if he continues to refuse for one (1) year, all his rights to any further disability allowance shall cease.

SECTION 6. A NEW SECTION OF KRS CHAPTER 16 IS CREATED TO READ AS FOLLOWS:

(1) (a) Total and permanent disability means a disability which results in the member's incapacity to engage in any occupation for remuneration or profit. Loss by severance of both hands at or above the wrists, or both feet at or above the ankles, or one (1) hand above the wrist and one (1) foot above the ankle, or the complete, irrevocable loss of the sight of both eyes shall be considered as total and permanent;

(b) Hazardous disability means a disability which results in the member's total incapacity to continue as a regular full-time officer or as an employee in a hazardous position, as defined in KRS 61.592, but which does not result in the member's total and permanent incapacity to engage in other occupations for remuneration or profit;

(c) If the board determines that the total and permanent disability of a member receiving a retirement allowance under this section has ceased, then the board shall determine if the member has a hazardous disability.

(2) Any person may qualify to retire on disability, subject to the following:

(a) The person shall have sixty (60) months of service, twelve (12) of which shall be current service credited under KRS 16.543(1), 61,543(1) or 78.615(1). The service requirement shall be waived if the disability is a total and permanent disability or a hazardous disability and is a direct result of an act in line of duty;

(b) The person shall be less than normal retirement age;

(c) The person's application shall be on file in the retirement office no later than twelve (12) months after the person's last day of paid employment as a regular full-time officer or in a regular full-time hazardous position;

(d) The person shall receive a satisfactory determination pursuant to KRS 61.665; and

(e) No disability application shall be accepted for any person who has previously applied for and been denied disability benefits unless an application based on the same claim of incapacity is accompanied by evidence of a substantial change in the person's condition which shall satisfy subsection (4) of this section. The application shall be on file in the retirement office no later than twenty-four (24) months after the person's last day of paid employment as a regular full-time officer or in a regular full-time hazardous position.

(3) Upon the examination by licensed physicians pursuant to KRS 61.665, it shall be determined that:

(a) The incapacity results from bodily injury, mental illness or disease;

(b) The incapacity is deemed to be permanent; and

(c) The incapacity does not result directly or indirectly from:

1. Injury intentionally self-inflicted while sane or insane;

2. Injury or disease resulting from military service; or

3. Bodily injury, mental illness, disease, or condition which pre-existed membership in the system or re-employment, whichever is most recent, unless the disability results from bodily injury, mental illness, disease, or a condition which has been substantially aggravated by an injury or accident arising out of or in the course of employment.

(4) (a) An incapacity shall be deemed to be permanent if it is expected to result in death or can be expected to last for a continuous period of not less than twelve (12) months from the person's last day of paid employment in a position as regular full-time officer or a hazardous position. The determination of a permanent incapacity shall be based on the medical evidence contained in the member's file and the member's residual functional capacity and physical exertion requirements.

(b) The person's residual functional capacity shall be the person's capacity for work activity on a regular and continuing basis. The person's physical ability shall be assessed in light of the severity of the person's physical, mental and other impairments. The person's ability to walk, stand, carry, push, pull, reach, handle and other physical functions shall be considered with regard to physical impairments. The person's ability to understand, remember and carry out instructions and respond appropriately to supervision, co-workers and work pressures in a work setting shall be considered with regard to mental impairments. Other impairments, including skin impairments, epilepsy, visual sensory impairments, postural and manipulative limitations, and environmental restrictions, shall be considered in conjunction with the person's physical and mental impairments to determine residual functional capacity.

(c) The person's physical exertion requirements shall be determined based on the following standards:

1. Sedentary work shall be work that involves lifting no more than ten (10) pounds at a time and occasionally lifting or carrying articles such as large files, ledgers and small tools. Although a sedentary job primarily involves sitting, occasional walking and standing may also be required in the performance of duties.

2. Light work shall be work that involves lifting no more than twenty (20) pounds at a time with frequent lifting or carrying of objects weighing up to ten (10) pounds. A job shall be in this category if lifting is infrequently required but walking and standing are frequently required, or if the job primarily requires sitting with pushing and pulling of arm or leg controls. If the person has the ability to perform substantially all of these activities, the person shall be deemed capable of light work. A person deemed capable of light work shall be deemed capable of sedentary work unless the person has additional limitations such as the loss of fine dexterity or inability to sit for long periods.

3. Medium work shall be work that involves lifting no more than fifty (50) pounds at a time with frequent lifting or carrying of objects weighing up to twenty-five (25) pounds. If the person is deemed capable of medium work, the person shall be deemed capable of light and sedentary work.

4. Heavy work shall be work that involves lifting no more than one hundred (100) pounds at a time with frequent lifting or carrying of objects weighing up to fifty (50) pounds. If the person is deemed capable of heavy work, the person shall also be deemed capable of medium, light, and sedentary work.

5. Very heavy work shall be work that involves lifting objects weighing more than one hundred (100) pounds at a time with frequent lifting or carrying of objects weighing fifty (50) or more pounds. If the person is deemed capable of very heavy work, the person shall be deemed capable of heavy, medium, light, and sedentary work.

(5) The disability retirement allowance shall be determined as provided in KRS 16.576, subject to the following:

(a) If the member's total service credit on his last day of paid employment in a regular full-time position is less than twenty (20) years, service shall be added beginning with his last date of paid employment and continuing to his fifty-fifth (55th) birthday. The maximum service credit added shall not exceed the total service the member had on his last day of paid employment, and the maximum service credit for calculating his retirement allowance, including his total service and service added under this section, shall not exceed twenty (20) years;

(b) If the member's total service credit on his last day of paid employment is twenty (20) or more years, then his total service credit shall be used.

(6) If the member receives a satisfactory determination of total and permanent disability or hazardous disability pursuant to KRS 61.665 and the disability is the direct result of an act in line of duty, the member's retirement allowance shall be calculated as follows:

(a) For the disabled member, benefits as provided in subsection (5) of this section except that the monthly retirement allowance payable shall not be less than twenty-five percent (25%) of the member's monthly final rate of pay; and

(b) For each dependent child of the member on his disability retirement date, who is alive at the time any particular payment is due, a monthly payment equal to ten percent (10%) of the disabled member's monthly final rate of pay, however, total maximum dependent children's benefit shall not exceed forty percent (40%) of the member's monthly final rate of pay.

(7) No benefit provided in this section shall be reduced as a result of any change in the extent of disability of any retired member who is age fifty-five (55) or older.

(8) If a regular full-time officer or hazardous position member has been approved for benefits under a hazardous disability, the board shall, upon request of the member, permit the member to receive the hazardous disability allowance while accruing benefits in a nonhazardous position, subject to proper medical review of the nonhazardous position's job description by the system's medical examiner.

(9) For a member of the State Police Retirement System, in lieu of the allowance provided in subsection (5) or (6) of this section, the member may be retained on the regular payroll and receive the compensation authorized by KRS 16.165, if he is qualified.

If multiple persons are designated, the member shall indicate the percentage of total benefits each person is to receive. If percentages are not indicated, payments will be disbursed equally to the named beneficiaries. In the event of death of any or all multiple beneficiaries, the deceased beneficiary's estate shall receive a lump sum payment which is the actuarial equivalent of the remaining monthly payments the deceased beneficiary was entitled to receive. This designation shall remain in full force and effect until changed by the member, except that a final divorce decree terminates an ex-spouse's status as beneficiary, unless the member redesignates the ex-spouse as beneficiary subsequent to the issuance of the divorce decree;

(b) If the death of the principal beneficiary or beneficiaries precedes the death of the member, or if the principal beneficiary is terminated by a divorce decree, the contingent beneficiary or beneficiaries become the principal beneficiary or beneficiaries;

(c) If the member is survived by his principal beneficiary or beneficiaries who subsequently die prior to having on file at the retirement office the necessary forms prescribed under authority of KRS 61.590 because of circumstances rendering the person unable to act, the contingent beneficiary shall become the principal beneficiary or beneficiaries; and

(d) If the deaths of both the principal beneficiary or beneficiaries and the contingent beneficiary or beneficiaries precede the death of the member, the estate of the member becomes the beneficiary provided the member does not have on file a notification of retirement at the retirement office.

(2) When the first retirement allowance payment is issued by the State Treasurer and subsequent thereto:

(a) The beneficiary designated by the member on his notification of retirement, which shall be one (1) person, his estate or a trust or trustee, supersedes the designation of any and all previous beneficiaries. If the death of the beneficiary named on the notification of retirement precedes the date the first benefit payment has been issued by the State Treasurer, the member may designate another beneficiary on his notification of retirement; and

(b) A member shall not have the right to change his beneficiary after the first benefit payment has been issued by the State Treasurer. The estate of the retired member becomes the beneficiary if the date of death of the beneficiary precedes or coincides with the date of death of the retired member or if the retired member had designated a spouse and they were divorced on the date of the retired member's death.

(3) If a beneficiary or beneficiaries are convicted of any crime which prohibits that person or persons from receiving the benefits under any other statute, the beneficiary or beneficiaries shall not be eligible for any of the benefits and the remaining beneficiary or beneficiaries or, if none, the member's estate shall become the beneficiary.

(4) When a notification of retirement has been filed at the retirement office, the designation of beneficiary on the notification of retirement shall supersede the designation of all previous beneficiaries. When a request for refund has been filed at the retirement office, the member's estate shall become the beneficiary if the member dies before receiving the refund.

Section 10. KRS 61.543 is amended to read as follows:

(1) Employee contributions shall be deducted each payroll period from the creditable compensation of each employee of an agency participating in the retirement system while he is classified as regular full-time as defined in KRS 61.510 unless the employee did not elect to become a member as provided by subsection (2) of KRS 61.525, or unless the employee did not elect membership pursuant to KRS 61.545(3). After August 1, 1982, employee contributions shall be picked up by the employer pursuant to KRS 61.560(4). Service credit will be allowed for each month the contributions are deducted or picked up during a fiscal or calendar year, if the member receives creditable compensation for an average of one hundred (100) hours or more of work per month. If the average number of hours of work is less than one hundred (100) per month, the member shall be allowed credit only for those months he receives creditable compensation for one hundred (100) hours of work.

(2) Employee contributions shall not be deducted from the creditable compensation of an employee or picked up by the employer while he is seasonal, emergency, temporary, or part-time. No service credit will be earned.

(3) Contributions shall not be made or picked up by the employer and no service credit will be earned by a member while on leave except:

(a) A member on military leave shall be entitled to service credit in accordance with KRS 61.555;

(b) A member on educational leave, approved by the Department of Personnel, who is receiving seventy-five percent (75%) or more of full salary, shall receive service credit and shall pay employee contributions, or the contributions shall be picked up in accordance with KRS 61.560 and his employer shall pay employer contributions in accordance with KRS 61.565. If a tuition agreement is broken by the member, the member and employer contributions paid or picked up during the period of educational leave shall be refunded; and

(c) An employee on educational leave, approved by the appointing authority, not to exceed one (1) year, or with additional approval of one (1) additional year, and not to exceed two (2) years within a five (5) year period, who is receiving a salary of less than seventy-five percent (75%) of full salary, may elect to retain membership in the system during the period of leave. If the employee elects to retain membership in the system, he shall receive service credit by having employee contributions picked up in accordance with KRS 61.560. His employer shall pay employer contributions in accordance with KRS 61.565. If a tuition agreement is broken by the member, the employee and employer contributions paid or picked up during the period of educational leave shall be refunded to the contributor and no service credit shall be earned for the period of leave.

(4) The retirement office, upon detection, shall refund any erroneous employer and employee contributions made to the retirement system and any interest credited in accordance with KRS 61.575.

(5) Notwithstanding the provisions of this section and KRS 61.560, employees engaged pursuant to KRS 148.026 and 56.491 in a regular full-time position as defined in KRS 61.510(21) prior to January 1, 1993, shall be allowed service credit for each month the employee received creditable compensation for an average of one hundred (100) or more hours of work, if the employee pays to the retirement system the contributions that would have been deducted for the period of employment. The contributions shall be credited to the member's contribution account and shall not be picked up pursuant to KRS 61.560(4). The employer contributions for the period, plus interest calculated at the actuarial rate, shall be due within thirty (30) days of notice of receipt of payment from the employee.

Section 11. KRS 61.545 is amended to read as follows:

(1) The board shall determine by appropriate administrative regulations how much service in any year is the equivalent of a year of service credit and how much service in any calendar month is the equivalent of a month of service credit. It shall

not allow credit for more than one (1) year of service for all service rendered in any period of twelve (12) consecutive months except as provided in KRS 61.546 and in subsection (2) of this section.

(2) Employees participating in one (1) of the state administered retirement systems who are or have been employed by a school board participating in the County Employees Retirement System to work less than twelve (12) months each year may purchase the additional months of service credit needed to total one (1) year of service credit. The employee or the school board may purchase the service credit by paying the retirement system the member and employer contributions calculated on the average monthly rate multiplied by the number of months to be purchased. The payment shall be received by the retirement system by December 31 immediately following the school year in which the fractional year's service occurred. Members who have service credit prior to July 1, 1992, or their employers, may purchase service credit for previous years ***by paying the retirement system the member and employer contributions calculated on the average monthly rate, multiplied by the number of months to be purchased plus interest at the actuarial rate*** [~~if payment is made by August 1, 1993~~].

(3) An employee who is simultaneously eligible for membership in more than one (1) retirement system administered by the Kentucky Retirement Systems may, at his option, choose to participate in only one (1) of those systems. The choice, once made, shall remain in effect so long as the employee is eligible for membership in more than one (1) system.

Section 12. KRS 61.552 is amended to read as follows:

A department shall make payment for the service credit within the same fiscal year in which the option is elected. The county shall establish a payment schedule subject to approval by the board for payment of the service credit. If the average number of hours of work is less than one hundred (100) per month, the member shall be allowed credit only for those months he receives creditable compensation for one hundred hours of work. The cost will be determined by computing the member and employer contributions for the period of time involved plus interest compounded annually at the current actuarial rate, which shall not be picked up by the employer as described in KRS 61.560(4). Any noncertified employee of a school board may purchase service credit for part-time employment prior to the 1990-91 school year which averaged eighty (80)

- (a) The cost of the service shall be computed in the same manner as for a lump-sum payment which shall be the principal; and interest, at the actuarial rate in effect at the time the member elects to make the purchase compounded annually, shall be added for the period that the installments are to be made. Multiple service purchases may be combined under a single installment purchase; however, no employee may make more than one (1) installment purchase at the same time. The employee may elect to stop the installment payments by notifying the retirement system; may have the installment purchase recalculated to add one (1) or more additional service purchases; or may pay by lump sum the remaining principal.
- (b) Twelve (12) consecutive monthly installment payments shall be made for each one thousand dollars ($1,000) or any part thereof of the total cost, except that the total number of installments shall not be less than twelve (12) and shall not exceed sixty (60).
- (c) The employee shall pay the installments by payroll deduction each pay period. Upon notification by the retirement system, the employer shall report the installment payments separate from regular employee contributions on the forms or by the computer format specified by the board. The payments made under this subsection shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 61.560(4) and no employer contributions shall be paid on the installments.
- (d) The retirement system shall determine how much of the total cost represents payment for one (1) month of the service to be purchased and shall credit one (1) month of service to the member's account each time this amount has been paid. The first service credited shall represent the first calendar month of the service to be purchased and each succeeding month of service credit shall represent the succeeding months of that service.
- (e) If the employee dies, retires, ~~[terminates employment,]~~ or does not continue employment in a position required to participate in the retirement system, the member, or in the case of death, the beneficiary, shall have sixty (60) days to pay the remaining principal of the purchase by lump sum. If the member or beneficiary does not pay the remaining cost, the retirement system shall refund to the member or the beneficiary the payment, payments, or portion of a payment that does not represent a full month of service purchased.
- (f) If the employer does not report installment payments on an employee for sixty (60) days, the installment purchase shall cease and the retirement system shall refund to the employee the payment, payments, or portion of a payment that does not represent a full month of service purchased.

(g) If payments have ceased under subsection (16)(e) or (f) of this section and the member later becomes a participating employee in one (1) of the three (3) systems administered by Kentucky Retirement Systems, the employee may complete the adjusted original installment purchase by lump sum or installment payments. If the employee elects to renew the installment purchase, the cost of the remaining service shall be recalculated in accordance with paragraph (a) of this subsection. If the original installment purchase was for multiple service purchases, the employee may not separate those purchases under a new installment purchase.

The employee shall pay the full cost of the service as determined by the system. Payment may be by lump sum, or the employee may pay by increments. The employee may transfer funds directly from the other state's plan if eligible ***to the extent permitted*** under subsection (16)(h) of this section and to the extent permitted by the other state's laws and shall provide proof that he is not eligible for a retirement benefit for the period of service from the other state's plan.

(18) Any employee participating in the County Employees Retirement System and determined to be in a hazardous position, who has sixty (60) or more months of service, may purchase credit in the County Employees Retirement System for up to ten (10) years of service ***in a regular full-time position*** that was credited to a defined benefit retirement plan administered by a state or local government in another state, if the service could be certified as hazardous pursuant to KRS 61.592. The employee shall pay the full cost of the service credit as determined by the system. Payment may be by lump sum or by increments. The employee may transfer funds directly from the other unit of government's plan if eligible ***to the extent permitted*** under subsection (16)(h) of this section and to the extent permitted by other state's laws, and the employee shall provide proof that he is not eligible for a retirement benefit for the period of service from the other unit of government's plan.

(2) Any member who terminated employment prior to July 1, 1986, who has not retired or who retired August 1, 1986, or thereafter may purchase service credit under subsection (1) of this section by paying to the system the cost of the additional service, calculated in accordance with the formula adopted by the board. The additional service shall be credited to the member's account. A retired member shall have his retirement allowance recalculated in the month following receipt of his payment to reflect the additional service.

(3) The amount paid under this section shall be considered as accumulated contributions of the individual member.

(4) No person shall be allowed credit for the same period of service in more than one (1) of these four (4) retirement systems.

Section 14. KRS 61.590 is amended to read as follows:

(2) Within ten (10) days of the receipt of the notification of retirement form, the system shall cause to be prepared an estimate of the amounts the member or beneficiary may expect to receive under the various plans available to the member or beneficiary. This information shall be recorded on a form entitled "Estimated Retirement Allowance" and forwarded to the member or beneficiary.

(3) The member or beneficiary shall file at the retirement office the form entitled "Estimated Retirement Allowance" after he has checked the plan of his choice, signed the document and had his signature witnessed. A member or beneficiary may not select a different plan after the first retirement allowance payment has been issued by the State Treasurer.

(4) A member or beneficiary choosing a monthly payment plan shall have on file at the retirement office his birth certificate or other acceptable evidence of date of birth. If a survivorship plan is chosen, proof of dates of birth of the beneficiary and member shall be on file at the retirement office.

(5) The effective date of normal retirement shall be the first month following the month in which employment was terminated from a regular full-time position. The effective date of disability retirement shall be the first month following the month in which the member's last day of paid employment ***in a regular full-time position*** occurred. (7) Notwithstanding the provisions of KRS 16.578 or 61.640, the effective date of a beneficiary's retirement allowance under normal, early, or disability retirement shall be as prescribed in subsection (5) or (6) of this section if the member dies before the first retirement allowance has been issued by the State Treasurer and his beneficiary becomes eligible for payments under KRS 16.578 or 61.640.

Section 15. KRS 61.592 is amended to read as follows:

(1) "Hazardous position" means any position whose principal duties involve active law enforcement, including the positions of probation and parole officer and Commonwealth detective, active fire suppression or prevention, or other positions, including but not limited to pilots of the Transportation Cabinet, with duties that require frequent exposure to a high degree of danger or peril and also require a high degree of physical conditioning. Hazardous positions shall include positions in the Department of Corrections in state correctional institutions and the Kentucky Correctional Psychiatric Center with duties that regularly and routinely require face-to-face contact with inmates.

(2) Each employer may request of the board hazardous duty coverage for those positions as defined in subsection (1) of this section, but a county, narrowly defined as one (1) of Kentucky's one hundred and twenty (120) counties, the provisions of KRS 78.510(3) notwithstanding, shall request hazardous duty coverage for its full-time paid firefighters. Upon request, each employer shall certify to the system, in the manner prescribed by the board, the names of all employees working in a hazardous position as defined in subsection (1) of this section for which coverage is requested. The certification of the employer shall bear the approval of the agent or agency responsible for the budget of the department or county indicating that the required employer contributions have been provided for in the budget of the employing department or county. The system shall determine whether the employees whose names have been certified by the employer are working in positions meeting the definition of a hazardous position as provided by subsection (1) of this section.

(3) (a) An employee determined by the system to be working in a hazardous position in accordance with subsection (2) of this section shall contribute, for each pay period for which he receives compensation, seven percent (7%) of his creditable compensation;

(b) Each employer shall pay employer contributions based on the creditable compensation of the employees determined by the system to be working in a hazardous position at the employer contribution rate as determined by the board. The rate shall be determined by actuarial methods consistent with the provisions of KRS 61.565;

(c) If the employer participated in the system prior to electing hazardous duty coverage, the employer may pay to the system the cost in order that the nonhazardous service be credited as hazardous service, or the employer may establish a payment schedule for payment of the cost of the hazardous service above that which would be funded within the existing employer contribution rate. The employer may extend the payment schedule to a maximum of thirty (30) years. Payments made by the employer under this subsection shall be deposited to the retirement allowance account of the proper retirement system and these funds shall not be considered accumulated contributions of the individual members. If the employer elects not to make the additional payment, the employee may make the lump-sum payment in his own behalf or may pay by increments. Payments made by the employee under this subsection shall not be picked up, as described in KRS 61.560(4), by the employer. If neither the employer nor employee makes the payment, the service prior to hazardous coverage shall remain nonhazardous.

(4) The normal retirement age, retirement allowance, other benefits, eligibility requirements, rights, and responsibilities of a member in a hazardous position, as prescribed by subsections (1), (2), and (3) of this section, and the responsibilities, rights, and requirements of his employer shall be as prescribed for a member and employer participating in the State

Police Retirement System as provided for by KRS 16.510 to 16.652[~~, except the mandatory retirement provisions of KRS 16.576(1) and the maximum employment age in KRS 16.520(2) shall not be applicable~~].

(5) Any person employed in a hazardous position after July 1, 1972, shall be required to undergo a thorough medical examination by a licensed physician, and a copy of the medical report of the physician shall be retained on file by the employee's department or county and made available to the system upon request.

(6) If doubt exists regarding the benefits payable to a hazardous position employee under this section, the board shall determine the benefits payable under KRS 61.515 to 61.705, or 78.520 to 78.852, or 16.510 to 16.652.

Section 16. KRS 61.600 is amended to read as follows:

(a) The person shall have sixty (60) months of service, twelve (12) of which shall be current service credited under KRS 16.543(1), 61.543(1) or 78.615(1);

(b) The person shall be less than normal retirement age;

(c) The person's application shall be on file in the retirement office no later than twelve (12) months after the person's last day of paid employment in a regular full-time position; [~~and~~]

(d) The person shall receive a satisfactory determination pursuant to KRS 61.665***; and***

(e) No disability application shall be accepted for any person who has previously applied for and been denied disability benefits unless an application based on the same claim of incapacity is accompanied by evidence of a substantial change in the person's condition which shall satisfy subsection (4) of this section. The application shall be on file in the retirement office no later than twenty-four (24) months after the person's last day of paid employment in a regular full-time position.

(2) Upon the examination by licensed physicians pursuant to KRS 61.665, it shall be determined that:

(a) The person, since his last day of paid employment, has been mentally or physically incapacitated to perform the job, or jobs of like duties, from which he received his last paid employment;

(b) The incapacity is a result of bodily injury, mental illness, or disease;

(c) The incapacity is deemed to be permanent; and

(d) The incapacity does not result directly or indirectly from bodily injury, mental illness, disease, or condition which pre-existed membership in the system or reemployment, whichever is most recent.

(3) Paragraph (d) of subsection (2) shall not apply if[~~:~~

~~(a)~~] the incapacity is a result of bodily injury, mental illness, disease, or condition which has been substantially aggravated by an injury or accident arising out of or in the course of employment[~~; or~~

~~(b) The disabled recipient has returned to work on a trial basis not exceeding nine (9) months~~].

(4) ***(a)*** An incapacity shall be deemed to be permanent if it is expected to result in death or can be expected to last for a continuous period of not less than twelve (12) months from the person's last day of paid employment in a regular full-time position. ***The determination of a permanent incapacity shall be based on the medical evidence contained in the member's file and the member's residual functional capacity and physical exertion requirements.*** [~~For the purposes of determining permanence under this section, the board's medical examiners shall use the medical criteria under the Social Security disability program.~~]

(b) The person's residual functional capacity shall be the person's capacity for work activity on a regular and continuing basis. The person's physical ability shall be assessed in light of the severity of the person's physical, mental and other impairments. The person's ability to walk, stand, carry, push, pull, reach, handle and other physical functions shall be considered with regard to physical impairments. The person's ability to understand, remember and carry out instructions and respond appropriately to supervision, co-workers, and work pressures in a work setting shall be considered with regard to mental impairments. Other impairments, including skin impairments, epilepsy, visual sensory impairments, postural and manipulative limitations, and environmental restrictions, shall be considered in conjunction with the person's physical and mental impairments to determine residual functional capacity.

(c) The person's physical exertion requirements shall be determined based on the following standards;

1. Sedentary work shall be work that involves lifting no more than ten (10) pounds at a time and occasionally lifting or carrying articles such as large files, ledgers and small tools. Although a sedentary job primarily involves sitting, occasional walking and standing may also be required in the performance of duties.

2. Light work shall be work that involves lifting no more than twenty (20) pounds at a time with frequent lifting or carrying of objects weighing up to ten (10) pounds. A job shall be in this category if lifting is infrequently required but walking and standing are frequently required, or if the job primarily requires sitting with pushing and pulling of arm or leg controls. If the person has the ability to

perform substantially all of these activities, the person shall be deemed capable of light work. A person deemed capable of light work shall be deemed capable of sedentary work unless the person has additional limitations such as the loss of fine dexterity or inability to sit for long periods.

3. Medium work shall be work that involves lifting no more than fifty (50) pounds at a time with frequent lifting or carrying of objects weighing up to twenty-five (25) pounds. If the person is deemed capable of medium work, the person shall be deemed capable of light and sedentary work.

4. Heavy work shall be work that involves lifting no more than one hundred (100) pounds at a time with frequent lifting or carrying of objects weighing up to fifty (50) pounds. If the person is deemed capable of heavy work, the person shall also be deemed capable of medium, light, and sedentary work.

5. Very heavy work shall be work that involves lifting objects weighing more than one hundred (100) pounds at a time with frequent lifting or carrying of objects weighing fifty (50) or more pounds. If the person is deemed capable of very heavy work, the person shall be deemed capable of heavy, medium, light, and sedentary work.

(5) Persons who have previously qualified for disability retirement and have had benefits discontinued shall be reevaluated under the criteria of subsection (4) of this section.

Section 17. KRS 61.615 is amended to read as follows:

(1) If a recipient of a disability retirement allowance is, prior to his normal retirement date, employed in a position with the same or similar duties as the position from which he was disabled, *except where the recipient has returned to work on a trial basis not to exceed nine (9) months,* the board may reduce the retirement allowance. Each recipient of a disability retirement allowance who is engaged in gainful employment shall notify the system of any employment, otherwise, the system shall have the right to recover payments made during the employment.

(2) If it is determined that any disabled recipient is able to be employed in a position with the same or similar duties as the position from which he was disabled, and if the board finds that the person refused any employment considered by the board suitable to his capacity, he shall not be entitled to any allowance during the continuance of his refusal, unless in the opinion of the board his refusal was justified.

(3) The system shall have full power and exclusive authority to reduce or discontinue a disability retirement allowance and the system shall utilize procedures consistent with KRS 61.665, including services of an examiner, in determining the amount of reduction in retirement allowance under this section.

(4) If a disability retirement allowance is reduced or discontinued, the member may apply for early retirement benefits as provided under KRS 61.559, subject to the following provisions:

(a) The member may not change his beneficiary or payment option;

(b) If the member has returned to employment with an employer participating in the system from which he retired, the service and creditable compensation shall be used in recomputing his benefit, except that the member's final compensation shall not be less than the final compensation last used in determining his retirement allowance;

(c) The benefit shall be reduced as provided by KRS 61.595(2) and further reduced by the actuarial value of the total amount of the disability retirement allowances he has received prior to reduction or discontinuation;

(d) The member shall remain eligible for reinstatement of his disability allowance upon re-evaluation by the medical review board until his normal retirement age; and

(e) Upon attaining normal retirement age, the member shall receive the higher of either his disability retirement allowance or his early retirement allowance.

(5) No disability retirement allowance shall be reduced or discontinued by the system after the member's normal retirement date except in case of reemployment as provided for by KRS 61.637. No reinstated payment shall be less than the recipient is receiving upon attainment of the member's normal retirement age.

Section 18. KRS 61.625 is amended to read as follows:

Payments made under this section shall be in lieu of any other benefits due for the period of service under any of the provisions of KRS 16.510 to 16.652, 61.515 to 61.705, and 78.520 to 78.852, unless the period of service is regained as provided under KRS 61.552. (2) Refund of contributions of members whose benefits have been terminated pursuant to KRS 6.696 shall be governed by that section.

Section 19. KRS 61.637 is amended to read as follows:

(1) A retired member who is receiving monthly retirement payments under any of the provisions of KRS 61.515 to 61.705 and 78.520 to 78.852 and who is reemployed as an employee by a participating agency shall have his retirement payments suspended for the duration of reemployment. Monthly payments shall not be suspended for a retired member who is reemployed if he anticipates that he will receive less than the maximum permissible earnings as provided by the federal Social Security Act in compensation as a result of reemployment during the calendar year. The payments shall be suspended at the beginning of the month in which the reemployment occurs.

(2) Employer and employee contributions shall be made as provided in KRS 61.515 to 61.705 and 78.520 to 78.852 on the compensation paid during reemployment except where monthly payments were not suspended as provided in subsection (1) of this section or would not increase the retired member's last monthly retirement allowance by at least one dollar ($1), and the member shall be credited with additional service credit.

(3) In the month following the termination of reemployment, retirement allowance payments shall be reinstated under the plan under which the member was receiving payments prior to reemployment.

(4) (a) Notwithstanding the provisions of this section, the payments suspended in accordance with subsection (1) of this section shall be paid retroactively to the retired member, or his estate, if he does not receive more than the maximum permissible earnings as provided by the federal Social Security Act in compensation from participating agencies during any calendar year of reemployment;

(b) If the retired member is paid suspended payments retroactively in accordance with this section, employee contributions deducted during his period of reemployment, if any, shall be refunded to the retired employee, and no service credit shall be earned for the period of reemployment;

(c) If the retired member is not eligible to be paid suspended payments for his period of reemployment as an employee, his retirement allowance shall be recomputed under the plan under which the member was receiving payments prior to reemployment as follows:

1. The retired member's final compensation shall be recomputed using creditable compensation for his period of reemployment; however, the final compensation resulting from the recalculation shall not be less than that of the member when his retirement allowance was last determined;

2. If the retired member initially retired on or subsequent to his normal retirement date, his retirement allowance shall be recomputed by using the formula in subsection (1) of KRS 61.595;

3. If the retired member initially retired prior to his normal retirement date, his retirement allowance shall be recomputed using the formula in subsection (2) of KRS 61.595, except that the member's age used in computing benefits shall be his age at the time of his initial retirement increased by the number of months of service credit earned for service performed during reemployment;

4. The retirement allowance payments resulting from the recomputation under this subsection shall be payable in the month following the termination of reemployment in lieu of payments under subparagraph 3. The member shall not receive less in benefits as a result of the recomputation than he was receiving prior to reemployment or would receive as determined under KRS 61.691;

5. Any retired member who was reemployed prior to March 26, 1974, shall begin making contributions to the system in accordance with the provisions of this section on the first day of the month following March 26, 1974.

(5) A retired member, or his estate, shall pay to the retirement fund the total amount of payments which are not suspended in accordance with subsection (1) of this section if the member received more than the maximum permissible earnings as provided by the federal Social Security Act in compensation from participating agencies during any calendar year of reemployment, except the retired member or his estate may repay the lesser of the total amount of payments which were not suspended or fifty cents ($0.50) of each dollar earned ***over the maximum permissible earnings during reemployment if under age sixty-five (65), or one dollar ($1) for every three dollars ($3) earned if over age sixty-five (65)*** ~~[during reemployment over the maximum permissible earnings]~~.

(6) (a) "Reemployment" or "reinstatement" as used in this section shall not include a retired member who has been ordered reinstated by the Personnel Board under authority of KRS 18A.095; and

(b) A retired member who has been ordered reinstated by the Personnel Board under authority of KRS 18A.095 or by court order or by order of the Human Rights Commission and accepts employment by an agency participating in the Kentucky Employees Retirement System or County Employees Retirement System shall void his retirement by reimbursing the system in the full amount of his retirement allowance payments received.

Section 20. KRS 61.640 is amended to read as follows:

(5) If the member, subject to subsection (1), (2), (3) or (4) of this section had on file in the retirement office a written designation of multiple beneficiaries, his estate, trust, or trustee, the multiple beneficiaries by consensus, the administrator, or executor of the estate, or trustee may elect to receive the actuarial equivalent to the benefit allowable under subsections (1), (2), (3) or (4) of this section given the assumptions that the beneficiary's age is the same as the member's, and that the member had chosen benefits payable monthly for sixty (60) months certain, or one hundred and twenty (120) months certain, or an actuarial equivalent refund.

Both of the additional medical examiners shall recommend approval of disability benefits to overturn the original recommendation. Recommendations by the examiners shall be submitted to the board for approval;

(f) If the medical examiners recommend that the employee be approved for disability retirement, the general manager shall make retirement payments in accordance with the retirement plan selected by the employee;

(g) If the medical examiners recommend that the employee be denied disability retirement, the general manager shall notify the employee of this recommendation. The employee shall have sixty (60) days to submit additional medical information to the retirement office or to appeal his denial for disability benefits by requesting a formal hearing. An extension of time may be granted by the system for a medical examiner to evaluate additional medical information. The extensions of time shall not be for more than sixty (60) days for any one (1) extension, and no more than three (3) extensions shall be granted. The cumulative extension of time shall not exceed one hundred twenty (120) days. The extension of time shall end upon request of a formal hearing;

(h) The medical examiners shall be paid a reasonable amount by the retirement system for each case evaluated.

(i) Notwithstanding the foregoing provisions of this section, the system may pay for one (1) or more medical examinations requested by the examiners for the purpose of providing medical information deemed necessary by the examiners. The system may direct that a specialist be sought.

(3) Any person aggrieved by an order or determination of the system may request that a hearing be conducted by the system. The right to demand a hearing shall be limited to a period of sixty (60) days after the requester has had notice, as described in subsection (6) of this section, of the system's determination. If any extensions of time are granted by the

system, they shall be as provided for in subsection (2)(g) of this section.

(a) Any person whose disability benefits have been reduced, discontinued, or denied pursuant to subsection (2)(g) of this section or KRS 61.615(1) may request a de novo formal hearing with the system. The right to demand a hearing shall be limited to a period of sixty (60) days after the requester has had notice, as described in subsection (6) of this section, of the system's determination. The request shall be filed with the general manager, at the system's central office in Frankfort. The request for a hearing shall include a short and plain statement of the reasons the reduction, discontinuance, or denial of disability benefits is being contested. The request shall not operate as a stay of any reduction, discontinuance, or denial of benefits.

(b) Failure of the member to request a formal hearing within the period of time specified shall preclude the member from proceeding any further with his cause of action[~~, unless upon resubmitting his request, he can prove to the system a substantial change in his condition~~]. This paragraph shall not limit the member's right to appeal to a court.

(c) Upon request pursuant to subsection (2)(g) of this section, the system shall schedule a hearing to be held not more than sixty (60) days after the notice of demand for a hearing has been received by the system, unless an extension is granted by the hearing officer for good cause shown. The hearing officer may recommend a favorable determination based upon the information in the member's file available prior to the hearing. If the recommended favorable action is approved, the hearing shall be canceled. The hearing officer shall not extend the time for a hearing beyond a total of one hundred twenty (120) days. The notice of hearing shall be served in accordance with subsection (6) of this section and shall include a statement of the time, place, and nature of the hearing.

(d) The system may require the member requesting the formal hearing to submit to one (1) or more medical or psychological examinations. Notice of the time and place of the examination shall be mailed to the member or his legal representative. The system shall be responsible for the cost of the examination.

(e) All formal hearings shall be de novo as to all issues of fact and law, and those findings previously adjudicated by a final order of the system following a formal hearing shall be binding against any party or parties to subsequent formal hearings. Any party to a hearing may be represented by counsel, make oral or written argument, offer testimony, orally or by deposition, cross-examine witnesses, introduce direct testimony from a physician or other expert approved by the hearing officer through a written report, or take any combination of such actions. The system or the member may compel the production of documents by the issuance of subpoenas [~~pursuant to KRS 61.645~~]. ***A subpoena shall be served in the same manner as a subpoena issued by a Circuit Court, and the sheriff, if he serves the subpoena, shall receive the same fee as provided by law for like service in civil actions. If any person refuses to obey a subpoena, any Circuit Court of competent jurisdiction, upon application by any party, may issue to that person an order requiring him to comply with the terms of the subpoena. Failure to obey the order of the court may be punished as contempt of court.*** Witness testimony may be given by deposition in lieu of personal appearance. An impartial hearing officer appointed and paid by the board shall preside at the hearing, shall keep order, and shall conduct the hearing in accordance with reasonable administrative practice. Oaths and affirmations shall be administered by the hearing officer or court reporter. The hearing officer shall permit any party to represent himself. Failure to appear without good cause or failure to comply with any prehearing or interlocutory order of the hearing officer shall be grounds for a default.

(f) Irrelevant, immaterial, or unduly repetitious evidence shall be excluded. When necessary to ascertain facts not reasonably susceptible of proof under judicial rules of evidence, evidence not admissible thereunder may be admitted, unless precluded by statute, if it is of a type commonly relied upon by reasonable and prudent persons in the conduct of their affairs. Hearing officers shall give effect to the rules of privilege recognized by law. Objections may be made and shall be noted in the record. Subject to these requirements, when a hearing will be expedited and the interests of the parties will not be prejudiced substantially, any part of the evidence may be received in written form. Upon request, parties shall be given an opportunity to compare the copy with the original. A party may conduct cross-examinations required for a full and true disclosure of the facts. Notice may be taken of generally recognized technical or scientific facts within the system's specialized knowledge. Parties shall be notified either before or during the hearing, or by reference in preliminary reports or otherwise, of the material noticed, including any staff memoranda or data; and they shall be afforded an opportunity to contest the material so noticed. The system's experience, technical competence, and specialized knowledge may be utilized in the evaluation of the evidence.

(g) Each formal hearing shall be recorded, and a transcript made available on the ***written request or*** motion of any party or by order of the hearing officer. Unless otherwise agreed, the party requesting the transcript shall provide payment for the original, and all others desiring copies shall pay the cost thereof. When certified as a true and correct copy of the testimony by the system, the transcript shall constitute the official transcript of the evidence.

(h) ***Unless the hearing officer orders that the record remain open, the record shall be deemed closed at the adjournment of the informal hearing, and no new material may be admitted to the record except upon written request or motion to reopen the record made prior to the issuance of the hearing officer's report and recommended order. The hearing officer shall enter an order specifying the date of closure of the record at***

the hearing or prior to issuance of the report and recommended order. The hearing officer, upon written request or motion of a party made prior to the issuance of the report and recommended order may reopen the record and extend the time for submission of additional evidence for a period not to exceed fourteen (14) days. The hearing officer shall make a determination after hearing and based on a preponderance of the evidence appearing in the record as a whole. The hearing officer shall prepare findings of fact and conclusions of law and may recommend an approval or a reduction, discontinuance or denial of disability benefits pursuant to subsection (2)(g) of this section or KRS 61.615(1).

(i) The hearing officer shall, within thirty (30) days of the close of the ***record*** ~~[formal hearing]~~ make a report and a recommended order to the board. The report and recommended order shall contain the appropriate findings of fact and conclusions of law. If the board finds upon written request of the hearing officer that additional time is needed, the board may grant a reasonable extension. The hearing officer shall mail, postage prepaid, a copy of his report and recommended order to all parties. The parties may file within fourteen (14) days of receipt of the hearing officer's report and recommended order exceptions to the report and recommended order. ***Any party may file a response to any exceptions within five (5) days of the expiration of the period provided for the filing of exceptions. No material not already of record may be attached to the exceptions. There shall be no other filings.***

(j) The board shall consider the report and recommended order and any exceptions filed and pass upon the case within a reasonable time in accordance with the administrative regulations adopted by the board. The board may remand the matter to the hearing officer, adopt the report and recommended order of the hearing officer as the system's final order, or issue their own final order.

(k) The system shall mail the final decision of the board to the member or his legal representative. If any extension of time is granted by the board for a hearing officer to complete his report, the system shall notify the member or his legal representative at the time of the granting of the extension.

(l) The board shall not grant extensions of time to the hearing officer for more than thirty (30) days for any one (1) extension, and no more than two (2) extensions shall be granted.

(m) A final order of the board shall be based on substantial evidence appearing in the record as a whole and shall set forth the decision of the board and the facts and law upon which the decision is based.

(n) A final order of the board which alters or amends the decision recommended pursuant to subsection (2)(g) of this section shall relate back and take effect on the date of the recommendation.

(o) There shall be no ex parte communications between the parties or representatives of the parties and the hearing officer regarding a particular member.

(p) Formal hearings shall be held at the system's office in Frankfort unless another location is determined by the hearing officer.

(q) All requests for a hearing pursuant to this section shall be made in writing.

(4) The board may establish an appeals committee whose members shall be appointed by the chairman and who shall have the authority to act upon the recommendations and reports of the hearing officer pursuant to this section on behalf of the board.

(5) Any person aggrieved by a final order of the board may seek judicial review after all administrative appeals have been exhausted by filing suit in the Franklin Circuit Court within thirty (30) days after the requester receives notice, as described in subsection (6) of this section, of the board's determination. No new or additional evidence shall be introduced in that proceeding and the court shall hear the case upon the record as ***finally closed by order of the hearing officer*** ~~[attested]~~.

(6) Any notice or order reducing, discontinuing, or denying disability benefits shall be served by one (1) of the following methods:

(a) The system may place a copy of the document to be served in an envelope, and address the envelope to the member to be served at the address of the member existing in the system files or at the address set forth in written instructions furnished by the member or his legal representative. The system shall affix adequate postage and place the sealed envelope in the United States mail as certified mail return-receipt requested. The system shall forthwith enter the fact of mailing in the record and make an entry when the return receipt is received. If the envelope is returned with an endorsement showing failure of delivery, that fact shall be entered in the record. The system shall file the return receipt or returned envelope in the record. Service by certified mail is complete upon delivery of the envelope. The return receipt shall be proof of the time, place, and manner of service.

(b) The system may cause the document, with necessary copies, to be transferred for service to any person authorized by the system or by any statute or rule to deliver them, who shall serve the documents, and the return endorsed thereon shall be proof of the time and manner of service.

(c) The methods of service specified by this statute shall be supplemental to and shall be accepted as an alternative to any other method of service specified by other applicable law.

(7) The system, pursuant to regulations, may refer an employee determined by it to be disabled to the Kentucky Office of Vocational Rehabilitation for evaluation and, if appropriate, retraining.

(a) The cost of the evaluation and retraining shall be paid by the system in accordance with the regulations established by the board.

(b) The member shall perform all acts that are necessary to enroll in and satisfy the requirements of Vocational Rehabilitation as prescribed by the board. This shall include the exchange of confidential information between Kentucky Retirement Systems and the Kentucky Office of Vocational Rehabilitation as necessary to conduct the rehabilitation process. Failure of the member to cooperate with the system or Vocational Rehabilitation may result in his disability allowance being discontinued, reduced, or denied until the member complies with the agency requests. If the refusal continues for one (1) year, all his rights to any further disability allowance shall cease.

Section 24. KRS 61.685 is amended to read as follows:

(1) Compensation paid to the officer by the department shall be adjusted and maintained at the officer's regular rate of pay based upon the officer's rank and tenure with the department, and shall include annual increments, salary adjustments, and other benefits of employment, provided, however, such compensation paid to the officer by the department shall be reduced by the amount of payments received by the officer from workers' compensation insurance, Social Security benefits and other federal or state financed disability programs designed to supplement the officer's income for which the officer is qualified and elects participation. Final compensation shall not be reduced by payments for medical care. (2) Such officer shall be assigned by the commissioner of the Department of State Police to a position in the department for which he is qualified, if the commissioner determines, based upon medical reports and recommendations submitted for that purpose, that the officer is able to perform limited duties. If it is determined that the officer is able to perform limited duties and refuses to accept an assignment from the commissioner, the officer shall not be eligible for the payment of compensation authorized by this section. If the commissioner determines that the officer is unable to perform limited duties, the officer shall be eligible for the payment of compensation authorized by this section without the performance of limited duties. Any officer adversely affected or aggrieved by a final determination of the commissioner pursuant to this section may appeal within thirty (30) days to the local Circuit Court.

(3) Payments made pursuant to this section shall continue until the officer is eligible for normal retirement allowances pursuant to KRS 16.576 or until the officer elects early retirement allowances pursuant to KRS 16.577 or disability retirement allowances pursuant to ***Section 6 of this Act*** ~~[KRS 16.581 or 16.591]~~. (2) The additional service credit provided in subsection (1) of this section shall be used in determining the member's monthly retirement allowance. The additional service credit shall not be used in determining the member's eligibility for medical insurance under KRS 61.702 or in determining the reduction in benefits under KRS 61.595(2).

(3) The employee shall submit a notification of retirement as prescribed in KRS 16.576***(1)***~~[(2)]~~ or 61.590(1) no earlier than July 15, 1988, and no later than September 30, 1988, except that the provisions of this section shall not apply in the case of disability or in the event the employee dies prior to filing a notification of retirement within the prescribed time period. The employee shall also notify the agency or department in which he is employed and the Department of Personnel of his intent to retire under the provisions of this section. If the agency or department elects to pay the cost in two (2) installments, the agency shall pay an amount equal to fifty and four hundred and eighty-one thousandths percent (50.481%) of the total cost upon the member's termination date and within ninety (90) days of that date.

(5) Any employee retiring under the provisions of this section shall forfeit the additional service provided in subsection (1) of this section if he is reemployed, earning more than the Federal Social Security Act maximum for a retired person with an agency participating in the retirement system from which he retired, within a period of time equal to the amount of additional service he received under subsection (1) of this section.

(6) The Kentucky retirement systems shall notify all employees eligible for the provisions of this section, the Department of Personnel and each eligible employee's agency of the provisions of this section by May 1, 1988. The Kentucky retirement systems shall conduct regional seminars between June 1 and July 31, 1988, to explain the provisions of this section and shall, upon the request of the eligible employee, provide an estimate of his benefits under this section.

(7) The purpose of this section is to bring expenditures in line with general fund revenues. No discrimination is intended by this section against any present or future employees. (a) The number of at-risk students in the district. At-risk students shall be identified as those approved for the free lunch program under state and federal guidelines. The number of at-risk students shall be multiplied by a factor to be established by the General Assembly;

(b) The number and types of exceptional children in the district as defined by KRS 157.200. No later than October 1, 1993, specific weights for each category of exceptionality shall be developed by the Department of Education and shall be used in the calculation of the add-on factor for exceptional children. Prior to the development of the necessary weights, the General Assembly shall determine the costs associated with the education of exceptional children based on the count of pupils with different exceptionalities, an appropriate pupil-teacher ratio, and total per-pupil costs; and

(c) Transportation costs. The per pupil cost of transportation shall be calculated as provided by KRS 157.370. No later than October 1, 1991, the Office of Education Accountability's Division of School Finance shall examine the components of the current system for allocating transportation funds, and recommend any needed changes to the General Assembly, the Governor, and the State Board for Elementary and Secondary Education. Districts which contract to furnish transportation to students attending nonpublic schools may adopt any payment formula which assures that no public school funds are used for the transportation of nonpublic students.

(3) The program to support education excellence in Kentucky shall be fully implemented by the 1994-95 school year. No district shall receive an annual increase in state funds of less than eight percent (8%) for 1990-91 and five percent (5%) in 1991-92 or more than twenty-five percent (25%) in either year.

(4) (a) Except for those schools which have implemented school-based decision making, the chief state school officer shall enforce maximum class sizes for every academic course requirement in all grades except in vocal and

instrumental music, and physical education classes. Except in classes combining pupils from two (2) or more grade levels, the maximum number of pupils enrolled in a class shall be as follows:

1. Twenty-four (24) in primary grades (kindergarten through third grade);
2. Twenty-eight (28) in grade four (4);
3. Twenty-nine (29) in grades five (5) and six (6);
4. Thirty-one (31) in grades seven (7) to twelve (12);

(b) Except for those schools which have implemented school-based decision making, class size loads for middle and secondary school classroom teachers shall not exceed the equivalent of one hundred fifty (150) pupil hours per day.

(c) The chief state school officer, upon approval of the State Board for Elementary and Secondary Education, shall adopt administrative regulations for enforcing this provision. These administrative regulations shall include procedures for a superintendent to request an exemption from the State Board for Elementary and Secondary Education when unusual circumstances warrant an increased class size for an individual class. A request for an exemption shall include specific reasons for the increased class size with a plan for reducing the class size prior to the beginning of the next school year. A district shall not receive in any one (1) year exemptions for more classes than enroll twenty percent (20%) of the pupils in the primary grades and grades four (4) through eight (8).

(d) In all schools the chief state school officer shall enforce the special education maximum class sizes set by administrative regulations adopted by the State Board for Elementary and Secondary Education. A superintendent may request an exemption pursuant to paragraph (c) of this subsection. A local school council may request a waiver pursuant to KRS 156.160(2). An exemption or waiver shall not be granted if the increased class size will impede any exceptional child from achieving his individual education program in the least restrictive environment.

(5) In grades four (4) through six (6) with combined grades, the maximum class size shall be the average daily attendance upon which funding is appropriated for the lowest assigned grade in the class. There shall be no exceptions to the maximum class size for combined classes. In combined classes other than the primary grades, no ungraded students shall be placed in a combined class with graded students. In addition, there shall be no more than two (2) consecutive grade levels combined in any one (1) class in grades four (4) through six (6). However, this shall not apply to schools which have implemented school-based decision making.

(6) If a local school district, through its admission and release committee, determines that an appropriate program in the least restrictive environment for a particular handicapped child includes either part-time or full-time enrollment with a private school or agency within the state or a public or private agency in another state, the school district shall count as average daily attendance in a public school the time that the child is in attendance at the school or agency, contingent upon approval by the chief state school officer.

(7) Pupils attending a center for child learning and study established under an agreement pursuant to KRS 65.210 to 65.300 shall, for the purpose of calculating average daily attendance, be considered as in attendance in the school district in which the child legally resides and which is party to the agreement. For purposes of subsection (1) of this section, teachers who are actually employees of the joint or cooperative action shall be considered as employees of each school district which is a party to the agreement.

(8) Program funding shall be increased when the average daily attendance in any district for the first two (2) months of the current school year is greater than the average daily attendance of the district for the first two (2) months of the previous school year. The program funds allotted the district shall be increased by the percent of increase. The average daily attendance in kindergarten is the kindergarten full-time equivalent pupils in average daily attendance.

(9) If the average daily attendance for the current school year in any district decreases by ten percent (10%) or more than the average daily attendance for the previous school year, the average daily attendance for purposes of calculating program funding for the next school year shall be increased by an amount equal to two-thirds (2/3) of the decrease in average daily attendance. If the average daily attendance remains the same or decreases in the succeeding school year, the average daily attendance for purposes of calculating program funding for the following school year shall be increased by an amount equal to one-third (1/3) of the decrease for the first year of the decline.

(10) If the percentage of attendance of any school district shall have been reduced more than two percent (2%) during the previous school year, the program funding allotted the district for the current school year shall be increased by the difference in the percentage of attendance for the two (2) years immediately prior to the current school year less two percent (2%).

(11) (a) Instructional salaries for vocational agriculture classes shall be allotted for twelve (12) months per year. Vocational agriculture teachers shall be responsible for the following program of instruction during the time period beyond the regular school term established by the local board of education: supervision and instruction of students in agriculture experience programs; group and individual instruction of farmers and agribusinessmen; supervision of student members of agricultural organizations who are involved in leadership training or other activity required by state or federal law; or any program of vocational agriculture established by the Office of

Vocational Education in the Department of Education. Salary allotments for vocational agriculture units shall be computed by proportionately increasing the salary schedule allocation based on the regular one hundred eighty-five (185) day school year for teachers with comparable qualifications and experience. During extended employment, no vocational agriculture teacher shall receive salary on a day that the teacher is scheduled to attend an institution of higher education class which could be credited toward meeting any certification requirement.

(b) Each teacher of agriculture employed twelve (12) months per year shall submit an annual plan for summer program to the local school superintendent for approval. The summer plan shall include a list of tasks to be performed, purposes for each task, and time to be spent on each task. Approval by the local school superintendent shall be in compliance with the guidelines developed by the State Department of Education. The supervision and accountability of teachers of vocational agriculture's summer programs shall be the responsibility of the local school superintendent. The local school superintendent shall submit to the chief state school officer a completed report of summer tasks for each vocational agriculture teacher employed for twelve (12) months. Twenty percent (20%) of the approved twelve (12) month vocational agriculture programs shall be audited annually by the State Department of Education to determine that the summer plan has been properly executed.

(c) For the 1990-91 and the 1991-92 school years, an add-on appropriation shall be made to local school districts which are operating secondary vocational education programs. The amount provided in the budget shall be allocated on a per pupil basis and shall be used to meet the higher per student cost of operating vocational education programs.

(12) (a) In allotting program funds for home and hospital instruction, statewide guaranteed base funding excluding the capital outlay, shall be allotted for each child in average daily attendance in the current school year who has been properly identified according to State Board for Elementary and Secondary Education administrative regulations. Attendance shall be calculated pursuant to KRS 157.270 and shall be reported monthly on forms provided by the Department of Education; and

(b) Pursuant to administrative regulations of the Department of Education, local school districts shall be reimbursed for home and hospital instruction for pupils unable to attend regular school sessions because of short term health impairments. A reimbursement formula shall be established by administrative regulations to include such factors as a reasonable per hour, per child allotment for teacher instructional time, with a maximum number of funded hours per week, a reasonable allotment for teaching supplies and equipment, and a reasonable allotment for travel expenses to and from instructional assignments, but the formula shall not include an allotment for capital outlay. Attendance shall be calculated pursuant to KRS 157.270 and shall be reported monthly on forms provided by the Department of Education.

(13) Except for those schools which have implemented school-based decision making and the school council has voted to waive this subsection, kindergarten aides shall be provided for each twenty-four (24) full-time equivalent kindergarten students enrolled.

SECTION 2. A NEW SECTION OF KRS CHAPTER 350 IS CREATED TO READ AS FOLLOWS:

(1) The cabinet may issue a permit under this chapter authorizing the disposal of coal combustion by-products at surface coal mining operations.

(2) This section shall apply to the disposal of waste from burning clean oil or gas with coal, if the oil or gas is used only for startup or flame stabilization. This section shall not apply to disposal of coal combustion by-products for which a special waste formal permit or a special waste registered permit-by-rule is required under administrative regulations promulgated pursuant to KRS Chapter 224. This section shall also not apply to disposal of coal combustion by-products that have been mixed or otherwise co-managed with low volume waste or with materials that exhibit hazardous waste characteristics. This section shall also not apply to coal combustion by-products generated prior to the effective date of this Act unless the applicant can demonstrate to the satisfaction of the cabinet that these coal combustion by-products have not been mixed or otherwise co-managed with low volume waste or with materials that exhibit hazardous waste characteristics. This section shall also not apply to underground injection of coal combustion by-products.

(3) An application to modify an existing permit to initially include disposal of coal combustion by-products shall be an application for a major revision or an amendment under KRS 350.070.

(4) An application under this section to modify an existing permit issued under this chapter that includes coal combustion by-product disposal pursuant to a permit issued under KRS Chapter 224, where the application proposes disposal of the same coal combustion by-products in the same locations as approved in these existing permits in a manner consistent with the disposal requirements of this section, may be made by application for a minor revision.

(5) An application to modify an existing permit to increase the amount of coal combustion by-products to be received, to change the components of the coal combustion by-products, or to change the generating facility, may be an application for a minor revision. However, if the cabinet determines that the scope and nature of the proposed change will have the effect of increasing the concentrations of heavy metals, or is such that public notice is necessary to allow participation in the cabinet's decision by persons who have an interest which may be adversely affected by the proposed change, the change shall be made by application for a major revision.

(6) The permittee shall keep accurate records, which shall be made available to the cabinet upon request, showing the source and amount of each shipment of coal combustion by-products that is received.

(7) Prior to disposal of the coal combustion by-products, any material that is not the coal combustion by-products approved for disposal shall be removed from the coal combustion by-products. A record shall be kept of the removed material and its disposition, and this record shall be available at the minesite for examination by the cabinet.

(8) Coal combustion by-products shall be disposed of only in the pit or extraction area from which coal has been removed by surface mining activities; except that coal combustion by-products may be disposed of in areas within the permit area other than coal extraction areas if the applicant demonstrates to the satisfaction of the cabinet, based upon site specific conditions and the characteristics of the coal combustion by-products, that no adverse environmental impacts will occur.

(9) No component of the coal combustion by-products to be disposed of shall be listed or meet the criteria of a hazardous waste in the cabinet's administrative regulations promulgated pursuant to KRS Chapter 224 and the Resource Conservation and Recovery Act of 1976 (Public Law 94-580), as amended.

(10) The permittee shall prepare and maintain accurate maps, which shall be made available to the cabinet upon request,

showing each location where coal combustion by-products have been disposed of under this section and the volume of coal combustion by-products disposed of at that location. Phase I bond release shall not be granted for an area containing coal combustion by-products unless the permittee has submitted to the cabinet accurate maps showing the locations and volumes of the coal combustion by-products disposed of under this section.

(11) If requested by the cabinet, or if required by the issued permit, the applicant or permittee shall provide representative samples of the coal combustion by-products to the cabinet in a manner satisfactory to the cabinet.

(12) The permittee shall annually obtain and submit to the cabinet, a laboratory analysis to characterize the coal combustion by-products in the manner required under the cabinet's administrative regulations promulgated pursuant to KRS Chapter 224 and the Resource Conservation and Recovery Act of 1976 (Public Law 94-580), as amended.

(13) If the disposal of coal combustion by-products is proposed, any newspaper advertisements required under KRS 350.055 shall also state that the applicant proposes to dispose of coal combustion by-products in the permit area and shall state the location, business name, and mailing address of the facility that will generate the coal combustion by-products.

(14) The application shall demonstrate that the applicant has the legal right to dispose of coal combustion by-products on the proposed disposal areas. The application shall include a copy of the conveyance that grants or reserves the right to dispose of waste materials such as coal combustion by-products. If the mineral estate has been severed from the surface estate, the application shall include the written consent of the surface owner for the disposal of coal combustion by-products or a copy of the conveyance that expressly grants or reserves the right to dispose of coal combustion by-products.

(15) The application shall state:

(a) The location, business name, mailing address, and telephone number of the facility that will generate the coal combustion by-products, and the name and title of the responsible official of the generating facility who may be contacted regarding the coal combustion by-products;

(b) Each of the component materials, fly ash, bottom ash, scrubber sludge, or fluidized bed combustion waste that the coal combustion by-products will contain; and

(c) The approximate volume in cubic yards, and the approximate tonnage, of coal combustion by-products that will be received from the generating facility annually and for the term of the permit.

(16) The application shall include the results of representative sampling and laboratory analysis of each component of the coal combustion by-products for contaminants listed in the cabinet's administrative regulations promulgated pursuant to KRS Chapter 224 and the Resource Conservation and Recovery Act of 1976 (Public Law 94-580), as amended, using analytical testing methods performed in accordance with those administrative regulations. The analysis for metals shall include aluminum, antimony, arsenic, barium, beryllium, cadmium, chromium, cobalt, copper, lead, manganese, molybdenum, nickel, selenium, mercury, silver, thallium, vanadium, and zinc. The analysis shall also include the neutralization potential and potential acidity. The application shall demonstrate that each component of the coal combustion by-products shall not contain any contaminant at a concentration that equals or exceeds the regulatory level set forth in the cabinet's administrative regulations promulgated pursuant to KRS Chapter 224 and the Resource Conservation and Recovery Act of 1976 (Public Law 94-580), as amended.

(17) The application shall describe the proposed methods of coal combustion by-product handling and disposal, including methods of record keeping.

(18) The application shall include appropriate maps and drawings of all areas and facilities to be used in the permit area for coal combustion by-product handling and disposal.

(19) Each application for disposal of coal combustion by-products shall contain a determination of the probable hydrologic consequences of the disposal of coal combustion by-products for the permit and adjacent area and shall include a description of the measures to be taken to assure that the disposal will not pose a threat to human health or the environment, to minimize disturbances to the hydrologic balance within the permit area and adjacent area, and to prevent material damage to the hydrologic balance outside the permit area. The description shall be based on the baseline hydrologic, geologic, and other information required under this chapter and shall identify the protective measures to be taken to meet the requirements of this chapter or demonstrate to the satisfaction of the cabinet that protective measures are not necessary for the operation to meet the requirements, considering the characteristics and volume of the coal combustion by-products and the hydrogeologic characteristics of the site determined from the baseline hydrologic, geologic, and other information required under this chapter. The application shall describe the measures to be taken to prevent coal combustion by-products from becoming airborne.

(20) The application shall include baseline data to characterize the quality of ground water and surface water in areas that may be affected by disposal of coal combustion by-products.

(21) Surface water and ground water baseline data collection and monitoring stations shall be established, as appropriate, to satisfy the requirements of this chapter. In determining the acceptable number and locations of

monitoring wells, the cabinet shall recognize the distinct differences between disposal of coal combustion by-products under this section and the disposal of coal combustion by-products for which a special waste formal permit or a special waste registered permit-by-rule is required under administrative regulations promulgated pursuant to KRS Chapter 224.

(22) The characterization of ground water shall include the parameters of total dissolved solids, or specific conductance corrected to twenty-five (25) degrees Celsius; pH; dissolved iron; dissolved manganese; acidity; alkalinity; sulfate; arsenic; barium; cadmium; chromium; lead; mercury; selenium; and silver; except the cabinet may require different parameters for an application based upon the demonstrated characteristics of the coal combustion by-products.

(23) The characterization of surface water shall include the parameters of total dissolved solids, or specific conductance corrected to twenty-five (25) degrees Celsius; total suspended solids; pH; total iron; total manganese; acidity; alkalinity; sulfate; arsenic; barium; cadmium; chromium; lead; mercury; selenium; and silver; except the cabinet may require different parameters for an application based upon the demonstrated characteristics of the coal combustion by-products.

(24) The minimum number of sampling events for baseline characterization of ground water and surface water for parameters beyond those normally required for surface coal mining operations shall be in accordance with cabinet administrative regulations promulgated pursuant to KRS Chapter 224 pertaining to special waste landfills used solely for the disposal of coal combustion by-products.

(25) The application shall include a plan for the monitoring and reporting, until final bond release on the permit area, of the quality of ground water and surface water in areas that may be affected by disposal of coal combustion by-products and shall provide for monitoring capable of detecting if contaminants from the coal combustion by-products are entering ground water and surface water.

(26) The performance bond required under this chapter shall cover the disposal of coal combustion by-products on the permit area.

(27) A permittee, operator, or person disposing of coal combustion by-products under this section shall comply with the following additional environmental protection performance standards:

(a) The coal combustion by-products shall be handled and disposed by the method approved in the permit.

(b) Disposal areas and facilities used for coal combustion by-products handling and disposal shall be designed, located, operated, and maintained to assure that the handling and disposal will not pose a threat to human health or the environment, to minimize disturbances to the hydrologic balance within the permit area and adjacent area, and to prevent material damage to the hydrologic balance outside the permit area, as required under this chapter.

(c) To the extent practicable, areas to receive coal combustion by-products shall be selected to minimize water contact with the coal combustion by-products.

(d) The coal combustion by-products shall be placed at least four (4) feet above the seasonal high water table that is projected to be established after completion of mining and reclamation, unless the applicant demonstrates to the satisfaction of the cabinet, based upon site specific conditions and the characteristics of the coal combustion by-products, that no adverse environmental impacts will occur.

(e) The coal combustion by-products shall not be placed within four (4) feet horizontally of a final highwall, exposed coal seam, or coal outcrop.

(f) The volume of coal combustion by-products disposed of on the permit area shall not exceed the in-place volume of the marketable coal seams to be removed from the permit area.

(g) Disposal of coal combustion by-products shall not result in a greater amount of excess spoil than the amount that would result if disposal of coal combustion by-products were not part of the permitted operation.

(h) The thickness of coal combustion by-products at any point in any disposal area shall not exceed forty (40) feet.

(i) The cabinet may reduce the allowable maximum volume or thickness of coal combustion by-products for a disposal area if the cabinet determines, based upon site specific conditions and the characteristics of the coal combustion by-products, that the reduction in volume or thickness is necessary to assure protection of human health and the environment.

(j) After the coal combustion by-products are placed in the disposal area, they shall be covered as contemporaneously as practicable with at least four (4) feet of nonacid-forming spoil material.

(28) The permittee shall monitor and report the quality of surface and ground water quarterly, except the monitoring of water quality parameters beyond those normally required for surface coal mining operations shall be conducted semiannually. The monitoring shall be conducted until final bond release on the permit area; except after four (4) initial monitoring events for the parameters beyond those normally required for surface coal mining operations, if

analysis of subsequent monitoring events indicates no exceedences above maximum contaminant levels under cabinet administrative regulations promulgated pursuant to KRS Chapter 224 and the Safe Drinking Water Act of 1974 (Public Law 93-523), as amended, the permittee may, upon request, be granted permission from the cabinet to reduce monitoring parameters required under this chapter. The monitoring and reporting shall comply with the plan approved pursuant to subsection (25) of this section.

(29) The monitoring and reporting of ground water quality shall include the parameters used in the baseline characterization of ground water under subsection (22) of this section, except the cabinet may require different parameters for a permit based upon the demonstrated characteristics of the coal combustion by-products.

(30) The monitoring and reporting of surface water quality shall include the parameters used in the baseline characterization of surface water under subsection (23) of this section, except the cabinet may require different parameters for a permit based upon the demonstrated characteristics of the coal combustion by-products.

(31) The cabinet shall, upon the effective date of this Act, process applications submitted under this section in the same manner as other permit applications submitted under this chapter.

(32) The cabinet may promulgate administrative regulations under this section pertaining to the disposal of coal combustion by-products."

"Section 4. KRS 61.592 is amended to read as follows:

(1) "Hazardous position" means any position whose principal duties involve active law enforcement, including the positions of probation and parole officer***, classified alcoholic beverage control enforcement officers,*** and Commonwealth detective, active fire suppression or prevention, or other positions, including but not limited to pilots of the Transportation Cabinet, with duties that require frequent exposure to a high degree of danger or peril and also require a high degree of physical conditioning. Hazardous positions shall include positions in the Department of Corrections in state correctional institutions and the Kentucky Correctional Psychiatric Center with duties that regularly and routinely require face-to-face contact with inmates.

(2) Each employer may request of the board hazardous duty coverage for those positions as defined in subsection (1) of this section, but a county, narrowly defined as one (1) of Kentucky's one hundred and twenty (120) counties, the provisions of KRS 78.510(3) notwithstanding, shall request hazardous duty coverage for its full-time paid firefighters. Upon request, each employer shall certify to the system, in the manner prescribed by the board, the names of all employees working in a hazardous position as defined in subsection (1) of this section for which coverage is requested. The certification of the employer shall bear the approval of the agent or agency responsible for the budget of the department or county indicating that the required employer contributions have been provided for in the budget of the employing department or county. The system shall determine whether the employees whose names have been certified by the employer are working in positions meeting the definition of a hazardous position as provided by subsection (1) of this section.

(3) (a) An employee determined by the system to be working in a hazardous position in accordance with subsection (2) of this section shall contribute, for each pay period for which he receives compensation, seven percent (7%) of his creditable compensation;

(b) Each employer shall pay employer contributions based on the creditable compensation of the employees determined by the system to be working in a hazardous position at the employer contribution rate as determined by the board. The rate shall be determined by actuarial methods consistent with the provisions of KRS 61.565;

(c) If the employer participated in the system prior to electing hazardous duty coverage, the employer may pay to the system the cost in order that the nonhazardous service be credited as hazardous service, or the employer may establish a payment schedule for payment of the cost of the hazardous service above that which would be funded within the existing employer contribution rate. The employer may extend the payment schedule to a maximum of thirty (30) years. Payments made by the employer under this subsection shall be deposited to the retirement allowance account of the proper retirement system and these funds shall not be considered accumulated contributions of the individual members. If the employer elects not to make the additional payment, the employee may make the lump-sum payment in his own behalf or may pay by increments. Payments made by the employee under this subsection shall not be picked up, as described in KRS 61.560(4), by the employer. If neither the employer nor employee makes the payment, the service prior to hazardous coverage shall remain nonhazardous.

(4) The normal retirement age, retirement allowance, other benefits, eligibility requirements, rights, and responsibilities of a member in a hazardous position, as prescribed by subsections (1), (2), and (3) of this section, and the responsibilities, rights, and requirements of his employer shall be as prescribed for a member and employer participating in the State Police Retirement System as provided for by KRS 16.510 to 16.652, except the mandatory retirement provisions of KRS 16.576(1) and the maximum employment age in KRS 16.520(2) shall not be applicable.

(5) Any person employed in a hazardous position after July 1, 1972, shall be required to undergo a thorough medical examination by a licensed physician, and a copy of the medical report of the physician shall be retained on file by the employee's department or county and made available to the system upon request.

(6) If doubt exists regarding the benefits payable to a hazardous position employee under this section, the board shall determine the benefits payable under KRS 61.515 to 61.705, or 78.520 to 78.852, or 16.510 to 16.652.

Whenever he believes that further attempts to rehabilitate an insurer would substantially increase the risk of loss to creditors or policyholders, or would be futile, the rehabilitator may petition the court for an order of liquidation. A petition under this subsection shall have the same effect as a petition under KRS 304.33-190. The court shall permit the directors to defend against the petition and ***may*** [~~shall~~] order payment from the estate of the insurer of ***reasonable*** [~~such~~] costs and other expenses of defense ***upon a showing that the board of directors of the insurer incurred fees and expenses based on their best knowledge, information, and belief, formed after reasonable inquiry which indicated that the opposition was in the best interests of the insurer, was well grounded in fact, and was warranted by existing law, and that the opposition was not pursued for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of liquidation*** [~~as justice requires~~].

(2) Order to return to insurer. The rehabilitator may at any time petition the court for an order terminating rehabilitation of an insurer. If the court finds that rehabilitation has been accomplished and that grounds for rehabilitation under KRS 304.33-140 no longer exists, it shall order that the insurer be restored to possession of its property and the control of its business. The court may also make that finding and issue that order at any time upon its own motion.

Section 4. KRS 304.33-380 is amended to read as follows:

(1) Claims contingent on judgments. The claim of a third party which is contingent only on his first obtaining a judgment against the insured shall be considered and allowed as if there were no such contingency.

(2) Claims under terminated policies. Any claim that would have become absolute if there had been no termination of coverage under KRS 304.33-120, and which was not covered by insurance acquired to replace the terminated coverage, shall be allowed as if the coverage had remained in effect, unless at least ten (10) days before the insured event occurred either the claimant had actual notice of the termination or notice was mailed to him as prescribed by subsection (1) of KRS 304.33-250, or subsection (1) of KRS 304.33-260. If allowed, the claim shall share in distributions under subsection ***(11)***[~~(8)~~] of KRS 304.33-430.

(3) Other contingent claims. A claim may be allowed even if contingent, if it is filed in accordance with subsection (2) of KRS 304.33-360. It may be allowed and may participate in all dividends declared after it is filed, to the extent that it does not prejudice the orderly administration of the liquidation.

(4) Immature claims. Claims that are due except for the passage of time shall be treated as absolute claims are treated, except that where justice requires the court may order them discounted at the legal rate of interest.

Section 5. KRS 304.33-430 is amended to read as follows:

The order of distribution of claims from the insurer's estate shall be as stated in this section. The first fifty dollars ($50) of the amount allowed on each claim in the classes under subsections ***(4)*** [~~(2)~~] to ***(8)*** [~~(5),~~] inclusive, of this section, shall be deducted from the claim and included in the class under subsection ***(10)*** [~~(7)~~] of this section. Claims may not be cumulated by assignment to avoid application of the fifty dollars ($50) deductible provision. Subject to the fifty dollars ($50) deductible provision, every claim in each class shall be paid in full or adequate funds retained for the payment before the members of the next class receive any payment. ***Once funds are retained by the liquidator and approved by the court, the insurer's estate shall have no further liability to members of that class except to the extent of the retained funds.*** No subclasses shall be established within any class.

(1) Administration costs. The costs and expenses of administration, including but not limited to the following: the actual and necessary costs of preserving or recovering the assets of the insurer; compensation for all services rendered in the ***rehabilitation or*** liquidation; any necessary filing fees; the fees and mileage payable to witnesses; and reasonable attorney's fees.

(2) ***Guaranty association expenses. The reasonable expenses of a guaranty association in connection with the administration of a delinquency proceeding, other than allocated loss adjustment expenses, after an order of liquidation is entered or after the liquidator or rehabilitator makes written requests to the guaranty association to incur the administration expenses.***

(3) Wages.

(a) Debts due to employees for services performed, not to exceed one thousand dollars ($1,000) to each employee which have been earned within ***six (6) months*** ~~[one (1) year]~~ before the filing of the petition for liquidation ***or rehabilitation***. Officers shall not be entitled to the benefit of this priority.

(b) ***This*** ~~[Such]~~ priority shall be in lieu of any other similar priority authorized by law as to wages or compensation of employees.

(4)~~[(3)]~~ Loss and unearned premium claims. Claims by policyholders, beneficiaries, and insureds arising from and within the coverage of and not in excess of the applicable limits of insurance policies and insurance contracts issued by the company, and liability claims against insureds which claims are within the coverage of and not in excess of the applicable limits of insurance policies and insurance contracts issued by the company, ***claims for unearned premiums,*** and claims of ***a*** guaranty ***association for covered obligations, including allocated loss adjustment expenses*** ~~[associations or foreign guaranty associations]~~.

(5)~~[(4)]~~ Residual classification. All other claims including claims of the federal or any state or local government, not falling within other classes under this section. ***Claims of attorneys for fees and expenses owed them by an insurer for services rendered in opposing a formal delinquency proceeding including reasonable costs and expenses if allowed by the court as provided in KRS 304.33-180(1). In order to prove claims as provided in 304.33-180(1), the claimant must show that the board of directors of the insurer incurred the fees and expenses based on their best knowledge, information, and belief, formed after reasonable inquiry indicating the opposition was in the best interest of the insurer, was well grounded in fact and was warranted by existing law, and that the opposition was not pursued for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of the litigation*** ~~[Claims, including those of any governmental body, for a penalty or forfeiture, shall be allowed in this class only to the extent of the pecuniary loss sustained from the act, transaction or proceeding out of which the penalty or forfeiture arose, with reasonable and actual costs occasioned thereby. The remainder of such claims shall be postponed to the class of claims under subsection (7) of this section]~~.

(6) Federal government. Claims of the federal government other than those claims included in subsection (4).

(7) State and local government. Claims of any state or local government for a penalty or forfeiture, shall be allowed in this class, but only to the extent of the pecuniary loss sustained from the act, transaction, or proceeding out of which the penalty or forfeiture arose, with reasonable and actual costs occasioned thereby. The remainder of the claims shall be postponed to the class of claims under subsection (10) of this section.

(8)~~[(5)]~~ Judgments. Claims based solely on judgments. If a claimant files a claim and bases it both on the judgment and on the underlying facts, the claim shall be considered by the liquidator who shall give the judgment ***the*** ~~[such]~~ weight as he deems appropriate. The claim as allowed shall receive the priority it would receive in the absence of the judgment. If the judgment is larger than the allowance on the underlying claim, the remaining portion of the judgment shall be treated as if it were a claim based solely on a judgment.

(9)~~[(6)]~~ Interest on claims already paid. Interest at the legal rate compounded annually on all claims in the classes under subsections (1) to ***(8)*** ~~[(5)]~~ of this section, inclusive, from the date of the petition for liquidation or the date on which the claim becomes due, whichever is later, until the date on which the dividend is declared. The liquidator, with the approval of the court may make reasonable classifications of claims for purposes of computing interest, may make approximate computations and may ignore certain classifications and time periods as de minimis.

(10)~~[(7)]~~ Miscellaneous subordinated claims. The remaining claims or portions of claims not already paid, with interest as in subsection ***(9)*** ~~[(6)]~~ of this section:

(a) The first fifty dollars ($50) of each claim in the classes under subsections (2) to ***(8)*** ~~[(5)]~~, inclusive, of this section, subordinated under this section;

(b) Claims under subsection (2) of KRS 304.33-380;

(c) Claims subordinated by KRS 304.33-600;

(d) Claims filed late;

(e) Portions of claims subordinated under subsection ***(5)*** ~~[(4)]~~ of this section; and

(f) Claims or portions of claims, payment of which is provided by other benefits or advantages recovered or recoverable by the claimant.

(11)~~[(8)]~~ Preferred ownership claims. Surplus or contribution notes, or similar obligations, and premium refunds on assessable policies. Interest at the legal rate shall be added to each claim, as in subsections ***(9)*** ~~[(6)]~~ and ***(10)*** ~~[(7)]~~ of this section.

(12)~~[(9)]~~ Proprietary claims. The claims of shareholders or other owners.

(a) Upon the declaration of a dividend, the receiver shall apply the amount of the dividend against any indebtedness owed to the insurer by the person entitled to the dividend. There shall be no claim allowed for any deductible charged by a guaranty association or entity performing a similar function.

(b) If any claimant of this state, another state, or foreign country shall be entitled to or shall receive a dividend upon his claim out of a statutory deposit or the proceeds of any bond or other asset located in another state or foreign country, then the claimants shall not be entitled to any further dividend from the receiver until and unless all other claimants of the same class, irrespective of residence or place of the acts or contracts upon which their claims are based, shall have received an equal dividend upon their claims, and after the equalization, the claimants shall be entitled to share in the distribution of further dividends by the receiver, along with and like all other creditors of the same class, wheresoever residing.

Section 6. KRS 304.33-440 is amended to read as follows:

(1) Immediate Access. Within one hundred twenty (120) days of a final determination of insolvency of a company by a court of competent jurisdiction of this state, the liquidator shall make application to the court for approval of a proposal to disburse assets out of ***the*** [~~such~~] company's marshalled assets, from time to time as ***the*** [~~such~~] assets become available, to guaranty associations or foreign guaranty associations having obligations because of the insolvency. ***A final determination of insolvency shall not be deemed to have occurred for purposes of this section until after an order of liquidation has been entered by the court and no further appeals may be taken from the order. The*** [~~Such~~] proposal shall at least include provision for:

(a) Reserving amounts for the payment of the expenses of administration and claims falling within the priorities established in KRS 304.33-430(1) and ***(9)*** [~~(2)~~];

(b) Disbursement of the assets marshalled to date and subsequent disbursements of assets as they become available;

(c) Equitable allocation of disbursements to each of the associations entitled thereto; and

(d) The securing by the liquidator from each of the associations entitled to disbursements pursuant to paragraph (e) of an agreement to return to the liquidator ***the*** [~~such~~] assets previously disbursed as may be required to pay claims of secured creditors and claims falling within the priorities established in KRS 304.33-430(1), ***(3), (5), and (6)*** [~~(2) and (3)~~] in accordance with [~~such~~] priorities. No bond shall be required of ***the*** [~~any such~~] association.

(e) The liquidator's proposal ***may*** [~~shall~~] also provide for disbursements to the associations in amounts at least equal to the payments made or to be made thereby for which associations could assert claims against the liquidator, and ***may*** [~~shall~~] further provide that if the assets available for disbursement from time to time do not equal or exceed the amount of ***the*** [~~such~~] payments made or to be made by the association then disbursements ***may*** [~~shall~~] be in the amount of available assets.

(f) Notice of ***the*** [~~such~~] application shall be given to the associations in and to the commissioners of insurance of each of the states in which the company did business. [~~Any such~~] Notice shall be deemed to have been given when deposited in the United States certified mails, first class postage prepaid, at least thirty (30) days prior to submission of ***the*** [~~such~~] application to the court. Action on the application may be taken by the court provided the above required notice has been given and provided further that the liquidator's proposal complies with this subsection.

(g) Notwithstanding any provisions to the contrary, the liquidator may retain assets either directly attributable to policies having no guaranty association coverage or, if no assets are attributable to these policies, the uncovered policies' pro rata share of all assets.

(2) Recommended claims. The liquidator shall review all claims duly filed in the liquidation and shall make [~~such~~] further investigation as he deems necessary. He may compound, compromise or in any other manner negotiate the amount for which claims will be recommended to the court. Unresolved disputes shall be determined under KRS 304.33-400. As often as practicable, he shall present to the court reports of claims against the insurer with his recommendations. The reports shall include the name and address of each claimant, the particulars of the claim and the amount of the claim finally recommended if any. As soon as reasonably possible after the last day for filing claims, he shall present a list of all claims not already reported. If the insurer has issued annuities or life insurance policies, the liquidator shall report the persons to whom, according to the records of the insurer, amounts are owed as cash surrender values or other investment values and the amounts owed. If the insurer has issued policies on the advance premium plan, the liquidator shall report the persons to whom, according to the records of the insurer, unearned premiums are owed and the amounts owed.

(3) Allowance of claims. The court may approve, disapprove, or modify any report on claims by the liquidator, except that the liquidator's agreements with other parties shall be final and binding on the court on claims settled for $500 or less. No claim under a policy of insurance shall be allowed for an amount in excess of the applicable policy limits.

Section 7. KRS 304.33-600 is amended to read as follows:

If an ancillary receiver in another state or foreign country, whether called by that name or not, fails to transfer to the domiciliary liquidator in this state any assets within his control other than special deposits, diminished only by the expenses of the ancillary receivership, if any, the claims filed in the ancillary receivership, other than special deposit claims or secured claims, shall be placed in the class of claims under subsection ***(10)*** [~~(7)~~] of KRS 304.33-430.

Section 8. KRS 304.42-020 is amended to read as follows:

The purpose of this subtitle is to protect policy owners, insureds, beneficiaries, annuitants, payees, and assignees of life insurance policies, health insurance policies, annuity contracts, {~~and~~} supplemental contracts, subject to certain limitations, against failure in the performance of contractual obligations due to the impairment or insolvency of the insurer issuing ***the*** {~~such~~} policies or contracts. To provide this protection:

(1) An association of insurers is created to enable the guaranty of payment of benefits and of continuation of coverages;

(2) Members of the association are subject to assessment to provide funds to carry out the purpose of this subtitle; and

(3) The association is authorized to assist the commissioner, in the prescribed manner, in the detection and prevention of insurer impairments or insolvencies.

Section 9. KRS 304.42-030 is amended to read as follows:

(1) This subtitle shall provide coverage for the policies and contracts specified in subsection (2) of this section:

  (a) To persons who, regardless of where they reside (except for nonresident certificate holders under group policies or contracts), are the beneficiaries, assignees or payees of the persons covered under paragraph (b) of this subsection; and

  (b) To persons who are the owners of or certificate holders under ***the*** {~~such~~} policies or contracts, and who:

    1. Are residents; or

    2. Are not residents, but only under the following conditions:

      a. The insurers which issued ***the*** {~~such~~} policies or contracts are domiciled in this state;

      b. ***The*** {~~Such~~} insurers never held a certificate of authority in the states in which ***the*** {~~such~~} persons reside;

      c. ***The*** {~~Such~~} states have associations similar to the association created by this subtitle; and

      d. ***The*** {~~Such~~} persons are not eligible for coverage by ***the*** {~~such~~} associations.

(2) (a) This subtitle shall provide coverage to the persons specified in subsection (1) of this section for direct, nongroup life, health, annuity, and supplemental policies or contracts and for certificates issued under direct group policies and contracts ***issued by member insurers***.

  (b) This subtitle shall not provide coverage for:

    1. Any portion of a policy or contract not guaranteed by the insurer, or under which the risk is borne by the policy or contract holder;

    2. Any policy or contract of reinsurance, unless assumption certificates have been issued;

    3. Any portion of a policy or contract to the extent that the rate of interest on which it is based:

      a. Averaged over the period of four (4) years prior to the date on which the association becomes obligated with respect to ***the*** {~~such~~} policy or contract, exceeds a rate of interest determined by subtracting two (2) percentage points from Moody's corporate bond yield average averaged for that same four (4) year period or for ***the*** {~~such~~} lesser period if the policy or contract was issued less than four (4) years before the association became obligated; and

      b. On and after the date on which the association becomes obligated with respect to ***the*** {~~such~~} policy or contract, exceeds the rate of interest determined by subtracting three (3) percentage points from Moody's corporate bond yield average as most recently available;

    4. Any plan or program of an employer, association, or similar entity to provide life, health, or annuity benefits to its employees or members to the extent that ***the*** {~~such~~} plan or program is self-funded or uninsured including, but not limited to, benefits payable by an employer, association, or similar entity under:

      a. A multiple employer welfare arrangement as defined in 29 U.S.C. Section 1144;

      b. A minimum premium group insurance plan;

      c. A stop-loss group insurance plan; or

      d. An administrative services only contract;

    5. Any portion of a policy or contract to the extent that it provides dividends or experience rating credits, or provides that any fees or allowances be paid to any person, including the policy or contract holder, in connection with the service to or administration of ***the*** {~~such~~} policy or contract;

    6. Any policy or contract issued in this state by a member insurer at a time when it did not have a certificate of authority to issue ***the*** {~~such~~} policy or contract in this state; and

    7. Any unallocated annuity contract.

(3) The benefits for which the association may become liable shall in no event exceed the lesser of:

  (a) The contractual obligations for which the insurer is liable or would have been liable if it were not an impaired or insolvent insurer; {~~or~~}

(b) With respect to any one (1) life, regardless of the number of policies or contracts:

1. Three hundred thousand dollars ($300,000) in life insurance death benefits, but not more than one hundred thousand dollars ($100,000) net cash surrender and net cash withdrawal values for life insurance;
2. One hundred thousand dollars ($100,000) in health insurance benefits, including any net cash surrender and net cash withdrawal values;
3. One hundred thousand dollars ($100,000) in the present value of annuity benefits, including net cash surrender and net cash withdrawal values.

Section 10. KRS 304.42-060 is amended to read as follows:

(1) There is created a nonprofit legal entity to be known as the Kentucky Life and Health Insurance Guaranty Association. All member insurers shall be and remain members of the association as a condition of their authority to transact insurance in this state. The association shall perform its functions under the plan of operation established and approved under KRS 304.42-100 and shall exercise its powers through a board of directors established under KRS 304.42-070. For purposes of administration and assessment, the association shall maintain ***four (4)*** [~~three (3)~~] accounts:

(a) The health insurance account;

(b) The life insurance account; [~~and~~]

(c) The annuity account.

(2) The association shall come under the immediate supervision of the commissioner and shall be subject to the applicable provisions of the insurance laws of this state.

Section 11. KRS 304.33-360 is amended to read as follows:

(1) Deadline for filing. Proof of all claims must be filed with the court in the form required by KRS 304.33-370 on or before the last day for filing specified in the notice required under KRS 304.33-250, except that proof of preferred ownership claims and proprietary claims under subsections ***(11)*** [~~(8)~~] and ***(12)*** [~~(9)~~] of KRS 304.33-430, need not be filed at all, and proof of claims for unearned premiums and claims for cash surrender values or other investment values in life insurance and annuities need not be filed unless the liquidator expressly so requires.

(2) Excused late filings. For good cause shown, the liquidator shall recommend, and the court shall permit, a claimant making a late filing to share in dividends, whether past or future, as if he were not late, to the extent that any such payment will not prejudice the orderly administration of the liquidation. Good cause includes but is not limited to the following:

(a) That existence of a claim was not known to the claimant and that he filed within thirty (30) days after he learned of it;

(b) That a claim for unearned premiums or for cash surrender values or other investment values in life insurance or annuities which was not required to be filed was omitted from the liquidator's recommendations to the court under KRS 304.33-440, and that it was filed within thirty (30) days after the claimant learned of the omission;

(c) That a transfer to a creditor was avoided under KRS 304.33-290 to 304.33-330, inclusive, or was voluntarily surrendered under KRS 304.33-320 and that the filing satisfies the conditions of KRS 304.33-320;

(d) That valuation under KRS 304.33-420 of security held by a secured creditor shows a deficiency, which is filed within thirty (30) days after the valuation; and

(e) That a claim was contingent and became absolute, and was filed within thirty (30) days after it became absolute.

(3) Unexcused late filings. The liquidator may consider any claim filed late which is not covered by subsection (2) of this section, and permit it to receive dividends, other than the first dividend, which are subsequently declared on any claims of the same or lower priority if the payment does not prejudice the orderly administration of the liquidation. The late-filing claimant shall receive, at each distribution, the same percentage of the amount allowed on his claim as is then being paid to other claimants of the same priority plus the same percentage of the amount allowed on his claim as is then being paid to claimants of any lower priority. This shall continue until his claim has been paid in full.

Section 12. Whereas case law gives federal tax claims higher priority than intended under Kentucky law, and whereas persons with unallocated annuities such as deferred compensation plans should be afforded the same protection as persons with allocated annuities, an emergency is declared to exist, and this Act shall become effective upon its passage and approval by the Governor.

The Committee on Banking and Insurance reported **SB 361** with the expression of opinion that the same should pass. Read at length for the first time and ordered placed in the Consent Calendar.

SB 361, AN ACT relating to liability self-insurance groups.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. SUBTITLE 46 OF KRS CHAPTER 304 IS ESTABLISHED AND A NEW SECTION THEREOF IS

CREATED TO READ AS FOLLOWS:

The purpose of this subtitle is to establish minimum standards for liability self-insurance groups to assure that such groups are providing adequate coverage for professional or public liability risks. Except as specifically provided in this subtitle no other provision of KRS Chapter 304 shall apply to liability self-insurance groups.

SECTION 2. A NEW SECTION OF SUBTITLE 46 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) "Administrator" means an individual, partnership, corporation, association, or other legal entity engaged by a liability self-insurance group's board of trustees to carry out the policies established by the group's board of trustees and to provide day-to-day management of the group.

(3) "Commissioner" means the commissioner of the Department of Insurance.

(5) "Governmental entity" means the Commonwealth of Kentucky, other states, or the United States, their political subdivisions, municipal corporations, or public agencies.

(6) "Insolvent" or "insolvency" means the inability of a liability self-insurance group to pay its outstanding lawful obligations as they mature in the regular course of business, as may be shown either by an excess of its required reserves and other liability over its assets or by its not having sufficient assets to reinsure all of its outstanding liabilities after paying all accrued claims owed by it.

(7) "Liability self-insurance group" means a group described in Section 3 of this Act.

(8) "Person" includes, but is not limited to, any individual, partnership, association, trust, or corporation.

(9) "Qualified actuary" means a member of the American Academy of Actuaries or a fellow of the Casualty Actuarial Society.

(10) "Service company" means a person or entity which provides services not provided by the administrator, including, but not limited to, claims adjustment, safety engineering, compilation of statistics in preparation of contribution and assessments, loss, and tax reports, preparation of other required self-insurance reports, development of members' contributions, assessments, and fees, and administration of a claim fund.

(12) "Agent" means any person directly or indirectly associated with such organization who engages in solicitation or enrollment of persons for profit or pecuniary gain in a liability self-insurance group.

SECTION 3. A NEW SECTION OF SUBTITLE 46 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

This subtitle applies to a group or association of health facility and health services institutions subject to the certificate of need and licensure provisions of KRS Chapter 216B or a group of Kentucky for profit corporations (as defined in KRS Chapter 271B), or the members of a bona fide association, including liability self-insurance groups composed of any number of members, who join together to self-insure against professional liability or public liability risks for bodily injury or property damage, to anyone except employees for claims arising out of their employment of the members of such group, which arises out of the operation of institutions or other legal entities by members of the group. Any self-insurance group operating under a certificate of filing as of the date of enactment of this Act shall have one (1) year from the date of enactment of this Act to comply with all provisions of this Act.

SECTION 4. A NEW SECTION OF SUBTITLE 46 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

No person shall in this state be, act as, or hold himself out as a liability self-insurance group unless he holds a certificate of filing from the commissioner. All certificates of filing issued by the commissioner prior to the effective date of this section shall remain in full force and effect unless revoked or suspended by the commissioner pursuant to Section 22 of this Act.

SECTION 5. A NEW SECTION OF SUBTITLE 46 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

A proposed liability self-insurance group shall file with the commissioner an application for a certificate of filing accompanied by a non-refundable filing fee of five dollars ($5). Each application for a certificate of filing shall be submitted to the commissioner upon a form prescribed by him and shall set forth or be accompanied by:

(1) The group's name, location of its principal office, date of organization, name and address of each member (if known at the time of application; if unknown, a description of the group to be solicited for membership), and identification of its fiscal year;

(4) A copy of the by-laws of the proposed group;

(5) A copy of the agreement between the group and each member jointly and severally binding the group and each member thereof to comply with the provisions of this subtitle and the decision of the trustees for operation of the liability self-insurance group. If the liability self-insurance group is composed of governmental entities and received its certificate of filing prior to the enactment of this section, the agreement may provide that it does not jointly and severally bind group members to pay the debts of others. Liability self-insurance groups may limit group members' joint and several liability and the limits shall be established in terms of members' annual contributions;

(6) Designation of the initial board of trustees and administrator; and

(7) The address where books and records of the group will be maintained at all times.

SECTION 6. A NEW SECTION OF SUBTITLE 46 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

Upon receipt of an application for issuance for a certificate of filing, the commissioner shall issue or deny the same. Issuance of a certificate of filing shall be granted only if the commissioner finds that the applicant has complied with Section 5, has paid the application fee, and the commissioner is satisfied that the following conditions are met:

(1) The persons responsible for the conduct of the affairs of the liability self-insurance group are competent, trustworthy, and possess good reputation;

(2) The liability self-insurance group is financially responsible and may reasonably be expected to meet its obligations to participants and prospective participants. In making this determination, the commissioner may consider:

- *(a) The adequacy of working capital;*
- *(b) Any agreement with an insurer, a government, or any other organization for insuring the payment of liability claims or the provision for automatic applicability of an alternative coverage in the event of discontinuance of the self-insurance group; and*
- *(c) Compliance with Section 7, as a guarantee that the obligations will be duly performed.*

SECTION 7. A NEW SECTION OF SUBTITLE 46 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) This section applies to a group applying for and holding a certificate of filing as a liability self-insurance group.

(2) To obtain and to maintain its certificate of filing a liability self-insurance group shall have sufficient financial strength to pay all public or professional liabilities covered by the group, including known claims and expenses and incurred but not reported claims and expenses.

(3) The commissioner, if not satisfied with the financial strength of a liability self-insurance group, may require any or all of the following of a liability self-insurance group:

- *(a) Security in the form and amount prescribed by the commissioner as follows:*
  - *1. A surety bond issued by a corporate surety authorized to transact business in the Commonwealth of Kentucky; or*
  - *2. Any financial security endorsement issued as part of an acceptable excess insurance contract issued by an authorized insurer may be used to meet all or part of the security requirement. The bond or financial security endorsement shall be for the benefit of the insured creditors solely to pay claims and associated expenses and shall be payable upon the failure of the group to pay professional or public liability claims it is legally obligated to pay. The commissioner may establish and adjust the requirements for the amount of security based on differences among groups in their size, types or business, years in existence, or other relevant factors.*
- *(b) Specific and aggregate excess insurance in a form, in an amount, and issued by an insurer acceptable to the commissioner.*
- *(c) A fidelity bond for the administrator and a fidelity bond for the service company in forms and amounts prescribed by the commissioner. The commissioner may require the service company providing claim service to furnish a performance bond in a form and amount prescribed by the commissioner.*

SECTION 8. A NEW SECTION OF SUBTITLE 46 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

A liability self-insurance group shall notify the commissioner immediately of any change in the information required to be filed under Section 5 or in the manner of its compliance with Section 7 of this Act.

SECTION 9. A NEW SECTION OF SUBTITLE 46 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

A child taken into custody upon the allegation that he has committed a moving motor vehicle offense who is not released under conditions of release applicable to adults shall be held, pending his appearance before the District Court, in a secure juvenile detention facility or a juvenile holding facility or, if neither is available, in an intermittent holding facility. Children sixteen (16) years of age or older who are convicted of, or plead guilty to, a moving motor vehicle offense shall, if sentenced to a term of confinement, be placed in a secure juvenile detention facility or a juvenile holding facility. SB 222, AN ACT relating to the Kentucky Unified Juvenile Code.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 610.010 is amended to read as follows:

(1) Unless otherwise exempted by KRS Chapters 600 to 645, the juvenile session of the District Court of each county shall have exclusive jurisdiction in proceedings concerning any child living or found within the county who has not reached his eighteenth birthday or of any person who at the time of committing a public offense was under the age of eighteen (18) years, who allegedly:

(a) Has committed a public offense prior to his eighteenth birthday, except a moving motor vehicle offense involving a child sixteen (16) years of age or older. A child sixteen (16) years of age or older taken into custody upon the allegation that he has committed a moving motor vehicle offense shall be treated as an adult and shall have the same conditions of release applied to him as an adult. A child taken into custody upon the allegation that he has committed a moving motor vehicle offense who is not released under conditions of release applicable to adults shall be held, pending his appearance before the District Court, in a secure juvenile detention facility or a juvenile holding facility or, if neither is available, in an intermittent holding facility. Children sixteen (16) years of age or older who are convicted of, or plead guilty to, a moving motor vehicle offense shall, if sentenced to a term of confinement, be placed in a secure juvenile detention facility or a juvenile holding facility. The term "moving motor vehicle offense" shall not be deemed to include the offense of stealing or converting a motor vehicle nor operating the same without the owner's consent, nor any offense which constitutes a felony;

(b) Has not subjected himself to the reasonable control of his parent or guardian, school personnel or other person exercising custodial control or supervision of the child;

(c) Is an habitual truant from school;

(d) Is an habitual runaway from his parent or other person exercising custodial control or supervision of the child;

(e) Is dependent, neglected, or abused; or

(f) Is mentally ill.

(2) Actions brought under subsection (1)(a) of this section shall be considered to be public offense actions.

(3) Actions brought under subsection (1)(b), (c), and (d) of this section shall be considered to be status offense actions.

(4) Actions brought under subsection (1)(e) of this section shall be considered to be dependency actions.

(5) Actions brought under subsection (1)(f) of this section shall be considered to be mental health actions.

(6) Nothing in this chapter shall deprive other courts of the jurisdiction to determine the custody or guardianship of children upon writs of habeas corpus, or to determine the custody or guardianship of children when such custody or guardianship is incidental to the determination of other causes pending in such other courts; nor shall anything in this chapter affect the jurisdiction of Circuit Courts over adoptions and proceedings for termination of parental rights. The court shall have no jurisdiction to make permanent awards of custody of a child, but if the court finds an emergency to exist affecting the welfare of a child, it may make temporary orders for his custody, however, if the case involves allegations of dependency, neglect or abuse, no emergency removal or temporary custody orders shall be effective unless the provisions of KRS Chapter 620 are followed. Such orders shall be entirely without prejudice to the proceedings for permanent custody of the child and shall remain in effect until modified or set aside by the court. Upon the entry of a temporary or final judgment in the Circuit Court awarding custody of such child, all prior orders of the juvenile session of the District Court in conflict therewith shall be deemed canceled. This section shall not work to deprive the Circuit Court of jurisdiction over cases filed in Circuit Court.

(7) The court of each county wherein a public offense, as defined in paragraph (a) of subsection (1) of this section, is committed by a child who is a resident of another county of this state, shall have concurrent jurisdiction over such child with the court of the county wherein the child resides, or the court of the county where the child is found. Whichever court first acquires jurisdiction of such child may proceed to final disposition of his case, or, in its discretion may make an order transferring the case to the court of the county of his residence, or the county wherein the offense was committed, as the case may be.

(8) In the event a child who has not reached his eighteenth birthday commits a new offense while under the jurisdiction of the court or during the period of commitment, the court shall have exclusive, original jurisdiction of the new offense.

(9) Nothing in this chapter shall prevent the District Court from holding a child in contempt of court to enforce orders previously issued by the court.

(10) Nothing in this chapter shall confer upon the District Court jurisdiction over the actions of the cabinet in the placement,

care, or treatment of a child committed to the cabinet; or to require the cabinet to perform, or to refrain from performing, any specific act in the placement, care or treatment of any child committed to the cabinet[~~, provided the District Court shall have jurisdiction to review a dispositional order as provided in KRS Chapters 620, 630, 635 and 645 and to make orders pursuant to KRS 635.090~~].

(11) In addition to informal adjustment, the court shall have the discretion to amend the petition to reflect jurisdiction pursuant to the proper chapter of the Kentucky Unified Juvenile Code.

(12) The court shall have continuing jurisdiction over a child pursuant to subsection (1) of this section, to review dispositional orders, and to conduct dispositional hearings under 42 USC Sec. 675(5)(c), until the child is placed for adoption, returned home to his parents with all the court imposed conditions terminated, or reaches the age of eighteen (18) years.

SECTION 2. A NEW SECTION OF KRS CHAPTER 610 IS CREATED TO READ AS FOLLOWS:

(1) If a child has been removed from the home and placed in the custody of the cabinet, a judge of the District Court shall conduct a dispositional review hearing no later than eighteen (18) months after custody is given to the cabinet, and annually thereafter if custody and out-of-home placement continues, to determine the future status of the child.
